

I Experienced the "Heavenly Feast"!

Pictures of 27th Anniversary Celebration Event

The event was designed to make the whole congregation feel the joy and happiness of the heavenly feast and gain a stronger hope for heaven. It consisted of the dancing of angels, singing of archangels, and the praise of God's children expressing the joy of reaching heaven on a specially designed stage. All the members became participants of the heavenly feast and gave glory to God by praising Him with all their hearts.

The performances received much praise from foreign guests. They said each performance was great and beautiful and they felt a continuation of joy and excitement as if they were actually in the heavenly feast. Let us look back at the event through pictures.

Singing by an archangel Performance to exalt God the Trinity for His love and providence of creation with the singing of an archangel and dancing of heavenly angels by Rose Han & Power Worship Team

God created the world with beautiful lights. His great power cannot be done by anyone else. Works of creation are possible only by God the Trinity. When He said, "Let there be light," there came to be light. He made the expanse, and let the earth come into existence. He said, "Let the earth sprout vegetation, plants yielding seed, and fruit trees." He created lights in heavens to separate the day from the night. He let the earth bring forth living creatures. Then He formed man, whom He loved. Such is the great love of God the Father That no one else can emulate.

The Lord is worthy of receiving praises. His name is praised forever and ever. His redeeming love cannot be given by anyone else. He loved His people until His last moment on earth. He redeemed mankind from their wickedness. He is the beautiful Son of the Father God. He is to be honored and glorified forevermore.

The true Son of the Father manifests fiery works of the Holy Spirit. He intercedes for the weakness of mankind with tearful prayers. He vindicates for the defects of many souls. Until He leads many souls into the beautiful kingdom, He earnestly offers up prayer after prayer with many tears. His prayers become touching incense to the heart of the Father. He has borne many fruits and glorified the Father. With His righteousness, love and earnest mercy, He prayed to the Father with thanksgiving and gave all the glory to the Father. He is the beloved Son of the Father. He is the original heart of the Father.

The Heavenly Feast Serem Korean Traditional Music Team and Performing Arts Dance Team expressed the beauty of heaven and their joy of becoming heavenly citizens with Korean traditional instruments and dances.

Blessing

"Now it shall be, if you diligently obey the LORD your God, being careful to do all His commandments which I command you today, the LORD your God will set you high above all the nations of the earth. Blessed shall you be when you come in, and blessed shall you be when you go out" (Deuteronomy 28:1-6).

Senior Pastor Dr. Jaerock Lee

In today's message, looking back at all the blessings God has given us for the last 27 years, I want to give all glory to God. God blesses us according to His justice. When we obey His commandments and live by His word, God can give us blessings.

1. The Blessing of Prosperity in the Spirit and Soul

The people of the world say that the blessing of health is the best blessing, while others say it is long life. However, above all, the Bible says that the greatest blessing is "the blessing of your spirit and soul to be prosperous." This is because everything else prospers, including your health, when your spirit and soul prosper (3 John 1:2).

For a person whose soul is well, there is a correct order between his spirit and soul. In other words, his spirit is the master, and his soul is obedient to his spirit. For a person whose soul is well, his spirit is united as one with the Holy Spirit, and so he can be easily guided by the Holy Spirit. Even when the guidance of the Holy Spirit seems unrealistic, the soul does not react negatively.

This is because as the spirit becomes the master of his soul, the person comes to have only thoughts of faith that is spiritual and positive. In the heart of the spirit that plays the role of the master, there is strong assurance that at the end of the road of truth, God has prepared the best for us. Eventually, he receives eternal life and receives physical blessings while being on earth as well.

Up until this 27th anniversary, God has led our church by focusing on making each of our souls to prosper.

God the Father has refined and strengthened our faiths until it reached the level that He wants them to be at. At times He allowed us to undergo trials; and at other times He showed us the spiritual realm. In various ways, God made us reach new levels of the spirit. And thus, our faiths have grown, and we have become the proper workers whom God the Father can use. Therefore, the blessing of our soul to prosper is truly the most precious blessing that God the Father gave to our church.

2. Becoming a Church that is Outstanding

God the Father has been with this church since its founding. And He has gradually raised the prestige of this church. He didn't do this unconditionally just because He has a special love for this church. He made sure that this church came up to this level step by step, according to His perfect justice. Whenever we upheld His will, completely obeyed, and gave glory to God, God glorified us in Himself (John 13:32).

Such was the case with the 2009 Israel United Crusade—"2009 International Multicultural Festival in Jerusalem" which was held in Israel this past September. Israel is a nation where the actual influential power over the nation is possessed by orthodox Jews who don't admit that the Lord Jesus is the Savior. It is difficult to find a cross in Israel, and no one can boldly say that he believes in Jesus Christ. In addition, people are not allowed to preach about Jesus Christ; even in a public Christian event.

However, I was able to manage our ministry in that land of Israel for three years. From the far north to the far south, I preached that Jesus is the Christ, and manifested the power of God in the name of Jesus Christ. As a final fruit of the ministry, I was able to preach courageously about God the Creator and Jesus Christ in the city of Jerusalem, at the heart of Israel. Furthermore, I was able to prove what I preached with God's signs and wonders. The festival was broadcast live or recorded and rebroadcast to over 220 countries through 33 broadcasting channels. We greatly manifested the glory of God the Father and of the Lord.

3. Power of the Shepherd.

"The power of God" is the power of authority from God who can do anything. Therefore, if the power is given to you, you can receive God's answer to all the hopes of your heart. In other words, the power is the key to opening the all-around blessing box. Various diseases can be healed, and even the weather can be controlled by the works of God's power. It can set people free from poverty, and move the hearts of men. The blessings come upon all the fields of life (Deuteronomy 28:3-5).

Such works of God's power are not only happening in this church alone, but all over the world as well. The work of God's power that transcends time and space is taking place for those who are united with us in faith no matter where they are in the world. During the 2009 Israel United Crusade, those who watched the crusade from different parts of the world received healings and answers to their prayers at the same time.

In addition, this church receives countless prayer requests from every part of the world every week. I pray for them publically during Friday Service or Sunday Service from the altar. After I pray, in a week or two, we receive countless letters from people stating that they have received the answers to their prayers.

Like this, the power that God has given to this church now has great influence in the world. The world will desperately need the power of God ever more. In the condition that our world is in today, what a great blessing it is that God has given such an amazing power to this church!

Dear brothers and sisters in Christ, God doesn't give us this blessing only for our benefit. He gives this blessing for the countless dying souls in the world. Therefore, we should be able to use the blessing that we have received to preach the gospel to more souls of this world.

The above message is a summary of the sermon preached during the Friday all-night service on October 9. If you want to read this message in more detail, visit the Manmin Central Church website (www.manmin.org) and click on "sermon."

Receiving Blessings both in Spirit and in Flesh through GCN-Manmin TV

Deaconess Bongsoon Moon (Female, 71, attending a Presbyterian church)

My son, Deacon Gyehwan Cho, set up the GCN-Manmin TV receiver in my home five years ago. Previously, I didn't get a chance to grow in faith because I attended church only on the Lord's Day, being busy with farm work. But since I started watching GCN-Manmin TV, I felt my faith growing more

and more. When I come home after my daily work, I usually watch GCN-Manmin TV. I am so impressed by the praise team's excellent performance which I don't get to see in my neighborhood churches. Sometimes I even shed tears by God's love through the testimony programs. Of all the programs, I receive the

most grace while watching Dr. Jaerock Lee's sermon.

And I experience amazing things through Dr. Jaerock Lee's prayer for the sick after the message. When my arms and legs ache, or I have a back pain from work, I receive the prayer for the sick. Then, the pain disappears and I feel refreshed. I want to thank

Dr. Jaerock Lee for always praying earnestly for the sick. I give thanks and glory to God who gave me health and allowed my faith to grow through GCN-Manmin TV. (Poongnap-Myeon(Town), Sunchang Gun(County), Jeonbuk Province, Korea)
