

Abundant Fruits after Three-year Ministry in Israel

It is really difficult to spread the gospel in Israel, so it is spiritually called the 'remotest part of the earth.' In order to awaken Israel from slumber, Dr. Jaerock Lee began his 3-year ministry in Israel in July of 2007 and closed it conducting the 2009 Israel United Crusade titled with "2009 Israel International Multicultural Festival."

After his 3-year ministry, many changes are taking place in Israel. The number of the conversion of Jews into Christianity has increased and the churches are growing fast by the fiery works of the Holy Spirit. A Israeli pastors' association was organized for the growth of churches in Israel and the unity of Israeli pastors with the name of 'The Crystal Forum' and many Israeli pastors were encouraged and are doing their ministry actively. And many believers in Jesus Christ are being provided with the gospel of sanctification and experiencing God's powerful works through TBN-Russia, RBN-Rodnoy and Dr. Jaerock Lee's books. In April of 2010, Manmin TV visited to have interviews with those who have experienced God's works. The followings are brief stories they testified to during the interviews.

Jerusalem

Irina
(Jerusalem King of Glory Church)

"As a medical doctor, I was confirming the miracle healing cases at the WCDN reception desk. The most memorable case was the healing of a 17-year-old boy. That boy came up to us with smile and testified that he didn't need the medication for epilepsy that he had taken since his birth.

In addition, many people threw away their canes, and many others said they came to walk comfortably because the pain had disappeared."

Ashdod

Irina
(The Way and the Truth Church)

"Until three days before the Festival was held, I couldn't move because of overall ache on the whole body. I eagerly prayed to attend the Festival with a longing heart and when I was at the Festival, God touched me strongly and healed me of my pain on the spine.

So, I could sing the preliminary songs on the stage during the festival as a member of the choir. I really appreciate all of you who brought great blessings on Israel."

Ashkelon

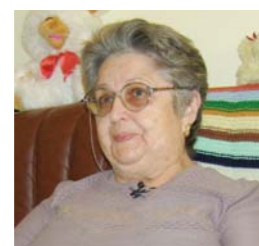

Valery
(House of Shalom Church)

"I had such a severe pain on the right knee that I couldn't bend my knee. I even felt pain while sleeping. The festival was so touching, and many people testified to their miracle healing works.

A woman on her wheelchair, after receiving the prayer, came to get up and walk around without the wheelchair. Some others threw away their crutches. After the prayer I also felt the pain had already disappeared. I could sit down and stand up freely."

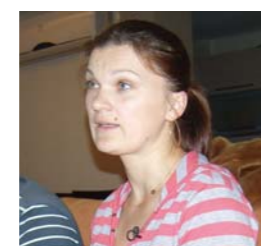

Haifa

Allah
(Haifa King of Glory Church)

"I had been a neurosurgeon for 30 years, but I was stricken with cataract. The doctor said I would lose the sight without surgical medication.

I could read the small letters of the Bible only with two pairs of thick glasses. When the Speaker Dr. Jaerock Lee prayed for the sick from the podium, I felt the pain of cutting off my eyes and I welled up tears. Afterwards I could see things well without glasses."

Mila
(Haifa Water of Life Church)

"My second daughter Alice was diagnosed with meningitis 16 days after she was born. The doctor said my daughter would die if the things would worsen.

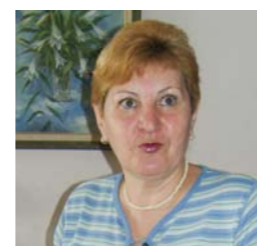

My husband and I prayed for her, and laid the handkerchief of God's power under her head while her sleeping (Acts 19:11-12). Next day the doctor said, 'I can't understand what has happened, but germs have disappeared, and all the results are found good.' Now Alice is growing well."

Anna
(Haifa Water of Life Church)

"In January of 2009, I was diagnosed with womb cancer and the doctor said I would not be able to survive even after the surgery.

One day I chanced to watch on TBN-Russia and listen to the message of Dr. Jaerock Lee. After his preaching, I received his prayer for the sick, and fell to sleep. Next day I went to the hospital and the evaluation showed there was no symptom anymore and I didn't need to take any medication at all. I was completely healed of womb cancer by Dr. Jaerock Lee's prayer."

Larisa
(Haifa Water of Life Church)

"Because of severe depression, I couldn't breathe or walk properly. I even screamed out due to severe pain on my whole body.

At the festival I unconsciously put my hand on my eyes and suddenly bright and warm lights flashed upon me. At that moment I felt a sharp pain and the lights increasingly dimmed away.

It felt like somebody took out that pain from my body. And everything was restored."

How to Receive the Blessing of 'The LORD Will Provide'

"He said, 'Do not stretch out your hand against the lad, and do nothing to him; for now I know that you fear God, since you have not withheld your son, your only son, from Me.' Then Abraham raised his eyes and looked, and behold, behind him a ram caught in the thicket by his horns; and Abraham went and took the ram and offered him up for a burnt offering in the place of his son. Abraham called the name of that place The LORD Will Provide, as it is said to this day, 'In the mount of the LORD it will be provided.'" (Genesis 22:12-14)

In 22nd chapter of the book of Genesis is a scene where Abraham was going to offer his son Isaac as a burnt offering and God returned him to Abraham. Abraham received the blessing of 'The LORD Will Provide', which means 'God will provide something necessary in advance.'

By pleasing God by faith, Abraham not only met and experienced the God who provides for us in advance but was called the 'father of faith' and the 'friend of God.' What should we do to receive the blessing of 'the LORD Will Provide' like Abraham?

1. You should count the Word of God as the first.

Abraham loved God first of all, and counted His Word as the first, so that he obeyed the command of God and immediately departed from his house. In Genesis 12, when God commanded him to "Go forth from your country, and from your relatives and from your father's house, to the land which I will show you," Abraham immediately obeyed. Though he didn't know where to go and what to do, he believed that God would walk with him and provide everything necessary, and counted His Word as the first of all. In the same way, when we count the Word of God as the first of all, and obey whatever will of God He tells us, we can experience powerful works of God who provides for us in advance and causes everything to work for the good for us.

2. We should say only "Amen"

Hebrews 11:17-19 reads, "By faith Abraham, when he was tested, offered up Isaac, and he who had received the promises was offering up his only begotten son it was he to whom it was said, 'In Isaac your descendants shall be called.' He considered that God is able to raise people even from the dead, from which he also received him back as a type."

Since Abraham possessed perfect faith through fiery trials of faith,

Senior Pastor Dr. Jaerock Lee

when he was given the test to offer his son Isaac as a burnt offering, he obeyed without any hesitation or getting involved in any fleshly thought. As he completely believed God would be able to raise his son again from the dead, he could obey the Word of God, saying "Amen."

God prepared a ram for Abraham whose faith was to obey any command of God, and let him offer it as a burnt offering instead of Isaac. Abraham called the land 'The LORD Will Provide.' By the same token, when we have obedient faith and a heart after God, the blessing God has prepared will come upon us.

3. We should seek peace and holiness.

Abraham's blessing increased and his possessions abounded until he couldn't dwell with his nephew Lot any longer. Though he was senior to Lot, he gave the first choice to his nephew to seek peace with him (Genesis 13:8-12). The reason that Abraham sacrificed himself and gave the good choice to the other was because he possessed spiritual love and never sought his own benefits.

When Lot was taken away by the ally of a few kings, Abraham brought 318 strong men trained at his house, and rescued Lot and restored all the things that had been taken away. After the fight ended, Abraham didn't take any of the loots and let the kings take

them, and offered God the things that belonged to God.

Just as written in Hebrews 12:14, "Pursue peace with all men, and the sanctification without which no one will see the Lord," when we live at peace with everyone in sanctification, we can receive the blessing of 'The LORD Will Provide.'

4. We should believe in the power of God the Creator.

God has limitless power, so when we show the deed of obedience to please God, He prepares in advance for whatever we need and pays back us with blessings. To receive the blessing of God's preparation, we should believe in the power of God the Creator with whom there is nothing impossible. When he was told to offer his son Isaac as a burnt offering, he obeyed with faith because he believed God would be able to raise him from the dead.

What would you do if God commands you to offer your only son as a burnt offering? If you really believe there is nothing impossible with God, you can obey even whatever doesn't agree with your thoughts.

As written in 2 Corinthians 10:5, we have to destroy speculations and every lofty thing raised up against the knowledge of God, and take every thought captive to the obedience of Christ. The Word of God is different from our thoughts. If you demolish those fleshly thoughts and believe that God creates something out of nothingness, you can obey and keep the Word of God and receive the blessing of 'God Will Provide.'

Dear brothers and sisters in Christ, May you possess the heart to obey every Word of God only with 'Amen' like Abraham, seek to be at peace with everyone in sanctification and believe in the almighty power of God that makes everything possible so that you can receive the blessing of 'The LORD Will Provide', in the name of our Lord Jesus Christ I pray!

"Our Family Have Become United in the Lord, and now We're in Need of Nothing"

Elder Candidate Kyosung Jin (12-1st Parish, 3-2nd Men's Mission)

I had been thirsty for the Word of life, and when I heard many people from the whole country were attending the Friday All-night Service of the church, I harbored a desire to go there. When I attended the church's Friday All-night Service with my wife and my 3-year-old son, it was an unforgettable moment.

The service started at 11:00 PM and closed at 4:00 next morning, but we were so filled with joy that we couldn't know how fast the service progressed. I went to office after two hours' sleeping, but I didn't feel tired at all. I had not been able to quit smoking and drinking for long even if I attended another church. But after I attended that Friday All-night Service, I quit smoking and drinking completely and tried my best to live by the Word of God.

My family really overflows with joy. The main reason for that is because all of the 19 members including my parents, my three brothers and their families attend the same church.

In 1998, I was first guided to Manmin Central Church by Pastor Myoungsool Kim (ministering to Muan Manmin Church). Until then

I have three brothers. In 1994, we, all four brothers, lived in the same house with our parents,

and we were attending different churches. My wife and I prayed all the members might attend the same church and tried our best to show the examples of becoming a grain of wheat that after falling into the earth and dying, bears much fruit.

After all, in 1997, they all joined Manmin Central Church. My third brother Kyochul Jin first registered at the church, and then my second brother Kyochun Jin, and lastly my last brother Kyojun Jin did.

My wife Senior Deaconess Myungsoon Ryu used to feel very burdensome of my mother before. But when she heard of Ruth who served her mother-in-law with all her heart, my wife repented from the heart and came to serve her mother-in-law with a sincere heart. As a result, my mother also joined in Manmin Central Church. And by the guidance of my mother, my father Elder Jusup Jin also joined on December 31, 2001.

Now my parents and his four sons and all their families are attending the same church and serving the church as faithful workers. How thankful this is! I am serving as a sub-district leader and a member of Peniel Chorus.

My wife had a weak body since her birth and had a few problems in her kidneys, heart and stomach. And she was suffering from depression, so she even tried to commit suicide. But since she began attending Manmin Church, all her diseases were healed and was appointed as Vice President of Women's Cell Leaders' United Missions.

The same siblings of one mother have many things in common. They depend on each other, have many things in common, and build up affection. But if they get married and constitute their own family, their brotherhood loosens because they begin to put their children, their home and their

own lives ahead of their brothers. Sometimes they find themselves in disagreement with other brothers or have ill feelings against them in the midst of seeking their own benefits. But we can make a happy family with faith and love in the Lord.

While we four brothers were living together, various things happened. But we always made our efforts to be at peace with others, and to seek the other's benefits despite our own loss, just the way the Word of God and the teachings of Senior Pastor Dr. Jaerock Lee tell us. Whenever various problems took place, we put them into the formula of God's Word and tried to think of them in goodness.

Quarreling, disagreement in opinions, stubbornness, and self-seeking departed from us. We came to consider others' opinions in their shoes, serve and help others, and to sacrifice ourselves for others unsparingly.

Two years ago, my third brother's wife Deaconess Sung-ra Tak was diagnosed with breast cancer. All the members of our families fasted and offered God our vowed prayers. God answered the prayers of our love and faith. When she received the prayer from Senior Pastor, she was completely healed. Through this experience, we all came to become more united and have one heart in faith.

We did not stop testifying to our experiences of God's grace and power at each Korean festival and all family events. When we gathered at a house to celebrate those festivals and events, we shared happy talks with one another, and prepared for tasty foods with joy, and then spent a day or two days with joy.

Since we are serving the same church and the same shepherd in faith and filled with God's love, we are envious of nothing in the world. We want to save not only our family and relatives but also many more souls to please God.

Jaerock Lee conducted a special divine healing meeting during Friday All-night Service, and I received his prayer. I felt something cool on my whole body, and became assured of healing.

Later I got the result of ultrasonography and biopsy. It showed I was not diagnosed with breast cancer but with only breast abscess. One week later, even that breast abscess completely disappeared. Through this, my husband and his brothers strengthened their brotherhood, and we all became more united and came to serve God faithfully.

"I Was Healed of the 5-cm Breast Abscess!"

Deaconess Sung-ra Tak (30th Parish, 2-2nd Women's Mission)

I went to the hospital for the evaluation. The doctor said the result would be presented two weeks later. But a week later the doctor called me and told me to come to the hospital hurriedly. On May 25, I went to Senior Pastor and received his prayer, and next day I went to the hospital again. The doctor said

to me, "The result is showing it is breast cancer 100%. Please hurry to a big hospital for closer evaluation." That day I went to the bigger hospital and received ultrasonography and biopsy, and waited for the result.

All of the 19 family members including parents-in-law and my husband and his brothers'

family attended Daniel Prayer Meeting and offered God vowed prayer for me during that week. I also attended divine healing meeting held by Manmin Prayer Center, and repented of my sins including my ill-feelings against my husband's family listening to the messages attentively. On May 30, Dr.
