

Many people testified to their healing on the altar after Dr. Jaerock Lee prayer for the sick.

The Warm and Powerful Touch of God at the Monthly Divine Healing Meetings

The Friday all-night service of Manmin Central Church is held from 11:00 PM until 4:00 AM the next morning. The first part of the service consists of a weekly news video presentation called 'Manmin Magazine'. It is followed by Dr. Jaerock Lee's Lectures on Genesis and special songs performed by the Performing Arts Committee. After a thirty minute break, the second part of the service begins and church members sing praises to God and pray for the kingdom and righteousness of God. On the last Friday every month, the second part of the Friday all-night service is offered as the Monthly Divine Healing Meeting with Dr. Jaerock Lee. Many people experience God's love and power during this divine healing meeting and they give glory to God.

Dr. Jaerock Lee had suffered from many incurable diseases for 7 years. He was nicknamed 'Diseases' Department Store.' When he met the living God he was healed of all his diseases and later was called as a servant of God. Because of this experience, he has a special love for the sick and holds this monthly divine healing meeting for those who are suffering from various problems of life. By his powerful prayer many people have gained the way to healing and blessing.

We are going to take a look at some of the testimonies of those who received healing and experienced God's love at the divine healing meeting held on November 26, 2010.

Healed of cellulitis (Deaconess Hyunhee Kim, Seoul)

Healed of goitrous tumor (Deaconess Kwangja Ji, Masan)

Healed of urolith (Brother Woonjae Baik, Seoul)

Healed of asthma (Sister Hyunsoon Park, Kwangju)

Healed of lung tuberculosis (Senior Deaconess Soonhyang Kim, Seoul)

Healed of ruptured cervical disc (Deaconess Keumsook Maeng, Seoul)

"My Mother Was at the Doorstep of Death but Was Revived through Prayer Transcending Time and Space"

Deaconess Youngsook Jang (Chinese Parish 1)

"On November 24, I received the phone call telling me that my mother was at the doorstep of death. She had been tormented with paralysis of the lower body for the last 10 years. This time she was almost out of breath and lost consciousness. She couldn't recognize family members. I repented on her behalf and received Dr. Jaerock Lee's prayer

recorded on the telephonic ARS (Automated Response System) on her behalf. That night a missionary in China prayed for her with the handkerchief and she passed the crisis of death. I fasted a day and prepared to receive Dr. Lee's prayer. On November 26, I went to him with my mother's picture and asked him to pray for her. He prayed for her laying his hand on

her picture. Later when I called our family in China, they said she had regained consciousness. She was a lot better, and could eat porridge."

"By the Healing of Shingles I Felt God's Love and Power through My Skin!"

Deaconess Young-yi Cheong (Parish 23, 3-4 Women's Mission)

"On November 8, while at the company where I work, I felt severe pain on my left chest and experienced difficulty of breathing. I left a little early and took a rest at home. The next day I suffered severely from a skin-piercing pain. A couple of reddish cysts developed on the left side of my chest and the cysts radiated to the armpit and the back. A medical evaluation diagnosed it as a case of shingles. My whole body ached with

smarting pains, and I endured the pains by spraying Muan sweet water on the sores and laying the handkerchief on them. And I repented I had not fulfilled the duty of a cell leader and broke my words and changed my mind in my daily life.

On November 12, when Senior Pastor prayed for me, the pain disappeared. With the passing of time, blisters formed on the affected areas and they became blackish. When I attended the November divine healing meeting and received Senior Pastor's prayer from the podium the smarting pains that I had were completely gone."

"God Healed Me of My Fracture of Hip Joint and of Deformed Legs!"

Deaconess Hanaja Choi (Parish 30, 4-2 Women's Mission)

"In June 22, I fell down while taking care of a baby and my left hip joint was fractured. At first I relied on a wheelchair and went to the Ansan local sanctuary to attend the worship service. On July 18, after receiving the prayer from Senior Pastor, I was able to get rid of the wheelchair and began to walk leaning on crutches. In October, it got much better and I came to kneel down on the ground and prayed.

I was more thankful because God healed the deformity of my legs. Until then there was an opening between my two legs and it was a fist wide. But after receiving his prayer, the two were drawn closer together. Hallelujah!

My legs had been deformed since my birth. When I was young I couldn't wear skirts. When I gave birth to my daughter I was afraid she would be like me. So, sometimes I tied her two knees together with a plastic cord. On November 29, I found my deformed legs were healed by the delicate touch and power of God, and was so happy and delighted that I wept out loud."

I wanted to receive complete healing and attended the daily prayer meeting held in Manmin Prayer Center. I thoroughly repented of my sins at the prayer

Extraordinary Miracles Were Manifested in Handkerchief Healing Meetings that Took Place in Thailand and Myanmar, Two Countries of Indochina

At the healing meeting, Speaker Pastor 'Rainbow' Sungchil Lee delivered the message 'Why Is Jesus Our Only Savior?' and prayed for the sick with the handkerchief on which Dr. Jaerock Lee had prayed. He conducted 5 meetings in Thailand and Myanmar, many more people attended than expected, and fiery works of the Holy Spirit took place.

In a strict sense the Indochinese peninsula, refers only to former colonial French Indochina: Cambodia, Laos, and Vietnam. In a broader sense, it may be better described as Mainland Southeast Asia and also includes Peninsular Malaysia, Myanmar, Singapore, and Thailand.

Myanmar and Thailand, and in the afternoon of that same day he conducted a third meeting at a church in Tachilek of Myanmar.

Myanmar is officially called the 'Republic of the Union of Myanmar.' There is persecution toward Christianity in Myanmar and it was not easy to hold Christian meetings because of social and political commotion that was caused by the 2010 general election of Myanmar. But, Pastor Jin, member of the Tachilek Pastors' Association, received permission from the government and the third healing meeting could be held.

The Third Healing Meeting in Tachilek Was Attended by 1,200 People

This healing meeting was held because many churches in Tachilek united and many young men helped prepare the meeting. Local participation surpassed the expected number reaching 1,200 attendees. As soon as the healing meeting was kicked off, local choirs sang and the performances of the Sound of Light Chorus followed. When 'The Power of God' DVD was played, the audience saw many powerful works of God taking place in the name of Jesus Christ and they were both touched and surprised.

Speaker Pastor Rainbow Lee delivered the message titled "Why Is Jesus our only Savior" and when he prayed for the sick with the handkerchief on which Dr. Jaerock Lee had prayed, many people were healed and glorified God. A man who had not been able to see for a long time regained sight, a woman who was deaf came to hear, and another woman who had to sit in a wheelchair stood up from it and walked. There was also a man who couldn't walk without a cane. He threw his cane away and began walking without it.

A woman brought the picture of her husband who had fallen into a persistent vegetative state. While laying the handkerchief on the picture, Pastor Rainbow Lee prayed

for him. Just a few minutes later, her family called her and said that her husband had been immediately restored to consciousness and began moving his eyeballs and fingers. This healing news surprised everyone there.

Decades of Branch and Associate Churches Amidst Amazing Healing Works

After witnessing the healing meeting held in Tachilek, a Burmese pastor said, "In my 40-year ministry I have never seen a multitude of people like this at a Christian meeting and I've never seen such great miracles manifested. Through this healing meeting, many churches have been united and strengthened." Many pastors who came from other areas were deeply touched and asked if Pastor Lee would hold a healing meeting. They also joined in the ministry of Manmin as branch or associative churches.

The fourth healing meeting was held in Bangkok, the capital city of Thailand. At this meeting a woman regained her eyesight after 19 years and she was also healed of arthritis. Many other healing miracles took place. Through this meeting ten churches in the city joined in the ministry of Manmin. The last and fifth healing meeting was held in the Bangkok Manmin Church on November 24th.

These five healing meetings with Pastor 'Rainbow' Sungchil Lee were held as a result of the continual invitations from local pastors in Thailand and Myanmar who have been blessed with the holiness gospel and manifestations of God's power through Missionary Jaewon Lee and his wife Soonok Lee who have actively been performing their ministry in Thailand and its neighboring countries.

At these healing meetings miracles and signs were manifested more greatly and with more explosively powerful works of the Holy Spirit than before, and the gates of the gospel are not only opened to Thailand but also to a few of her neighboring communist bloc countries.

Senior Pastor Dr. Jaerock Lee

You Should Pray Always and Don't Lose Heart

"Now [Jesus] was telling them a parable to show that at all times they ought to pray and not to lose heart, saying, 'In a certain city there was a judge who did not fear God and did not respect man. There was a widow in that city, and she kept coming to him, saying, 'Give me legal protection from my opponent.' For a while he was unwilling; but afterward he said to himself, 'Even though I do not fear God nor respect man, yet because this widow bothers me, I will give her legal protection, otherwise by continually coming she will wear me out.' And the Lord said, 'Hear what the unrighteous judge said; now, will not God bring about justice for His elect who cry to Him day and night, and will He delay long over them?' I tell you that He will bring about justice for them quickly. However, when the Son of Man comes, will He find faith on the earth?" (Luke 18:1-8)

Jesus told us to pray always but not to lose heart in order to receive answers to our prayers. Some prayers are answered immediately, while some others take much more time than expected. Even if it takes much time for you to receive answers, if you patiently and unceasingly pray without losing heart or abandoning prayer in the middle, you can expect to receive answers.

1. A Widow's Persistent Petition and an Unrighteous Judge

The 18th chapter of the Gospel of Luke tells us that when a widow kept coming before an unrighteous judge and persistently asked him to give her legal protection from her opponent, the wicked judge finally answered.

In a city there was an unrighteous judge who did not fear God and neglected the people. One day a widow came to him and petitioned to him and asked him to give her legal protection from her opponent. He welcomed rich people who asked for his help with a large sum of money, but he didn't have any concerns over a poor widow's petition. He first thought the widow would ask a few more times and then she'd finally give up. But she kept coming to him and persistently petitioned before him. In the end, the unrighteous judge listened to her petition.

How much more concern does the God of love show to His children? He listens to our prayer we are offering day and night. Verse 7 says, "Will not God bring about justice for His elect

who cry to Him day and night, and will He delay long over them?"

God promise us that He will answer when we cry out day and night. But why do many believers fail to receive answers? Out good God surely gives us answers to our prayers when we ask by faith (Matthew 7:7-8).

But if we have barriers of sin against God, we cannot receive His answers. It is so important for us to discover the barriers of sin and destroy them. After destroying the barriers of sins, we have to pray continually by faith without losing heart. Then, the Holy Spirit gives us the grace and spirit of repentance and God answers us. When we have not filled the amount of payer worthy for God's answer and the time of answer has not come, we should not give up in the middle, but we must pray continually by faith until we receive answers. Then, we can gain what we have desired.

2. The Reason Why We Should Always Pray

We cannot receive the help of the Holy Spirit without praying. If we cease praying, we will eventually lose the fullness and become disconnected from God, and then the Holy Spirit will be taken away from us. Just as we die if we do not breathe, we die spiritually if we don't pray. Prayer is that crucially important.

Through continual prayer, we can have communication with God and understanding of the will of God. When we live by His will, we can gain salvation and eternal life. Also, when

we pray continually we can stand against and defeat the enemy devil. Our struggles are not against flesh and blood, but against the rulers of this world, namely, against the forces of darkness and spiritual forces of evil in the heavenly places, so we have to pray always (Ephesians 6:12). We can receive spiritual power from God through prayer and win at spiritual warfare.

God tells us to pray unceasingly and it is the will of God toward us in Jesus Christ (1 Thessalonians 5:17-18). To pray is the will and command of God, and Prophet Samuel said "Moreover, as for me, far be it from me that I should sin against the LORD by ceasing to pray for you" (1 Samuel 12:23).

When we cease praying, fleshly thoughts enter our minds and we go the wrong way. When we get off track we meet with difficulty, have problems and we are not prosperous in all ways. In that situation, some believers fall into temptations, groan against God and even leave Him. That's why we should not pray only when we meet with problems, but we also have to always pray on a regular basis so that we can prosper in everything (1 Peter 5:8-9).

3. In Due Time We Will Reap

Just as Galatians 6:9 reads, "Let us not lose heart in doing good, for in due time we will reap if we do not grow weary," it takes time and our patience for us to receive answers to our prayers.

When he saw the future of his

nation and people in visions, Prophet Daniel vowed to pray for 3 weeks, namely 21 days with mourning and started praying. God listened to his prayer and on the first day of the 21-day prayer He sent His archangel to answer him. In the middle of coming down to convey God's answer to him, the archangel was stopped by the evil forces of the air and on the 21st day he could fulfill the duty by the help of the commander of the heavenly army (Daniel 10:12-14).

When he saw the future of his people, Daniel became worried and lost strength. But he didn't abandon prayer, but instead he prayed persistently so that he could grasp the will of God through the archangel. In the same way, if we persistently and patiently pray by faith, God sends us helpers and answers us.

From the account in Daniel 10:1-12 we know that after seeing visions, Daniel acted humbly in everything

before God to grasp the meanings of the visions. He ate no tasty foods, he ate no meat nor did he drink wine. He did not use any oils or balms at all until the entire three weeks were completed. Since he humbly vowed before God and persistently prayed, God responded to his prayer on the first day.

But we have to remember even though God sent His answer on the first day through His archangel, it took 21 days for Daniel to receive God's answer. If we lose heart because we have not received answers yet, we cannot receive answers because our faith is not confirmed as true faith. If we have true faith, we always pray by faith without looking at the reality or losing heart (James 5:7-8). I pray in the name of our Lord Jesus Christ that you may believe in the almighty God and patiently pray by faith and then lead a blessed life in the midst of God's continual answers.

The First Issue of Visayan Edition of Manmin News Has Been Printed in the Philippines

On November 28th, the first issue of the Visayan edition of *Manmin News* was printed. The Visayan languages of the Philippines, along with Tagalog and Bikol, are part of the Central Philippine language family. Most Visayan languages are spoken in the Visayas region. The Visayan language with the most speakers is Cebuano, spoken by 20 million people as a native language in Central Visayas, northern and eastern parts of Mindanao. Two other well-known Visayan languages are Hiligaynon, spoken by 7 million in western Visayas and Waray-Waray spoken by 3 million in eastern Visayas.

The 2011 Calendar Has Been Printed

Distribution of calendar designed by Manmin Central Church for 2011 began on December 5th. It is being distributed to each member's home through a parish pastor of each parish or a guidance teacher of each mission.

The calendar is 38mm long and 57mm wide and consists of 13 pictures. This calendar features Manmin's overseas ministry and major church events to help the church members commemorate the grace of God.

The Confession of Faith

Unceasing Power of God Taking Place Even Today

The power of God the Creator recorded in the Bible is unchangingly manifested yesterday, today and tomorrow in the same way. Manifestations of God's powerful works that were performed through Moses, Joshua, Elijah, Peter and Paul attested to the living God. Through such works many souls have been guided to the path of salvation.

Since the founding of Manmin Central Church, God's powerful works have been unceasingly manifested and the manifestations of His power improved day by day. We can be thankful that to His glory the biblical miracles including the works of God's creation, revival of the dead, works that transcend time and space and wonders displayed through spiritual spaces are taking place today and we can experience those miracles.

Works of God's Creation

As recorded in the Book of Genesis, in the beginning God created the heavens and the earth by His Word. This is a work of God's creation. The term 'creation' refers to a work that makes something out of nothingness. The Bible records several such works of creation. John chapter 2 records that Jesus turned water into wine. In 1 Kings 17 we find a widow facing famine in Zarephath. She had no bread and had only a handful of flour in the flour-box and a little oil in the jar, yet when she obeyed the word of Elijah, the flour-box was not exhausted nor did the jar of oil become empty. In Exodus 15:22-25 is the account of the bitter water of Marah being turned into sweet water through Moses' faith and obedience.

The same works of creation have been taking place at Manmin Central Church. Muan Manmin Church was located on an island surrounded the sea. They had to be supplied with potable water from the main land. So, Pastor Myoungsool Kim and church members prayed with faith that the same miracle of Marah's bitter water turning into sweet water might happen to them. On March 5, 2000 the same miracle actually occurred. When Senior Pastor Dr. Jaerock Lee prayed in Seoul, the salty water of Muan turned into potable sweet water. Even more amazingly, Muan sweet water has the power of God. When people drank this Muan sweet water and used it by faith, healing works and miracles happened. For this reason, Muan sweet water site has been visited by many people from around the world. The safety and excellence of Muan sweet water was confirmed by the United States FDA (Food and Drug Administration). It was proven that major minerals good for the human body abound in it. It has 3 times more calcium than world-renowned waters in Germany and France.

Works of the Revival of the Dead

The power of God the Creator has the authority over life and death of animals, plants and every living creature. The Bible clearly demonstrates God's power to renew life again. The rod of Aaron for the house of Levi sprouted, brought forth buds, produced blossoms, and bore ripe almonds (Numbers 17:7). When Jesus said to a long time non-bearing and fruitless fig tree, "No longer shall there ever be any fruit from you," the tree at once withered (Matthew 21:19). When Jesus cried out with a loud voice, "Lazarus, come forth," the man, who had died 4 days prior, came forth alive from the tomb (John 11).

Those who seem to have no possibility of recovery can be restored instantly. Even though nerves had become paralyzed and the tissues and cells had been dead due to accidents or disease, they can be recovered and renewed to normal by the power of God. Various disabilities can be restored. Any kind of incurable diseases, including cancers and AIDS; all viral and bacterial infectious diseases including tuberculosis, leukemia, colds and fevers can be healed by the power of God. The fire of the Holy Spirit scorches germs, viruses and bacteria and the power of creation of God revives paralyzed and dead nerves and tissues. When God's power of creation covers infertile couples, the power restores dysfunctional organs in their body and allows for them to conceive. However, the healing of diseases and infirmities by the power of God requires the fulfillment of justice of God.

The Works that Transcend Time and Space

While sunlight can circle the Earth seven and a half times in a second, the light of God's power covers not only the Earth, but also the whole universe in a flash. In Matthew 8, a Roman centurion asked Jesus to heal one of his servants of paralysis and said to Him, "Lord, I am not worthy for You to come under my roof, but just say the word, and my servant will be healed." Jesus said to the centurion, "Go; it shall be done for you as you have believed," and the servant was healed that very moment. The centurion showed such a great faith that the sick servant who was far away from Jesus could be healed immediately and completely.

Yesterday, today and tomorrow, God has performed, is performing and will continue to perform miracles for His children who have become united with Him in perfect faith. Innumerable believers are receiving healing and answers by the power of God manifested through Dr. Jaerock Lee's prayer that transcends both space and time. As in Acts 19:11,12, extraordinary miracles are taking place through the handkerchiefs on which Dr. Lee laid his hands and prayed for the power of God. Here the level of the manifestation of God's power through the handkerchiefs depends on the measure of faith and sanctification of both the person who prays with the handkerchief and the person who receives the prayer.

Wonders Displayed through Spiritual Spaces

The Bible depicts various wonders displayed through spiritual spaces. While conquering the land of Canaan, Joshua made the sun and the moon stand still in the sky (Joshua 10:12-13). When King Ahab rode away and went to Jezreel, the power of God came upon Elijah and he ran ahead of Ahab to the entrance of Jezreel (1 Kings 18:45-46). Deacon Philip was snatched away in a moment from a desert road on the way to Gaza and into the city of Azotus by the Spirit of the Lord (Acts 8:39-40). God can lengthen, shorten and stop the flow of time as He harbors it in His heart. These three works were made possible respectively through the lengthening, shortening and the stopping of the flow of time in the spiritual space.

The weather can be changed by the same principles of these spiritual spaces. For example, when an area is suffering from drought and another area from flood, God can solve both the problems by moving the clouds from the flooded area over the area of drought. When a typhoon comes, God can move it on a path through uninhabited areas. Then there is no damage to humans. In May of 2010, shortly before the 7th International Christian Medical Conference was held, Icelandic volcanic ash caused the highest level of air travel disruption since the Second World War. Many medical doctors who were supposed to attend the conference in Rome couldn't finalize their plans for air travel. The Organizing Committee of the Conference asked Dr. Jaerock Lee to pray for the problem. After he prayed, it rained much, the volcanic ash went away, and air travel was restored.

The power of God displayed through spiritual spaces can prevent or solve the problems of volcanic eruptions and earthquakes. Those problems are solved only if God covers the epicenter in the spiritual space. Of course, all these miracles and wonders can happen when it is in accordance with the justice of God.
