### The Way I Have Walked in Faith

The Father alone knows my walk of faith  
It's only for the Father's church  
and for the souls of the Father

Victory in each day is won  
By the power that is in Your love.  
Fill me with Your power.

Let Your providence be fulfilled by me.

Great glory, great love  
Manifest love of the Father and give glory to the Lord!

Manmin Central Church celebrated its 29th Anniversary in the fall when the fruits and grains become ripe. A celebration event was held on Friday, October 7th, the eve of the anniversary and the 29th Anniversary Service and Celebration Performance were held on Sunday, October 9th. The church held its Founding Service on October 10, 1982 with the church slogan "Arise, shine" and has been accomplishing national evangelization and the world mission for the past 29 years. The church members gave all thanks and glory to Father God who has led them by His hand and blessed them so they could accomplish all those things.

Senior Pastor Dr. Jaerock Lee has been doing his ministry only with faith. The church now has around 9,000 branch and associative churches all around the world that are leading innumerable souls to the way of salvation through the fiery works of the Holy Spirit. Before he met God, he had suffered

from various diseases for seven years. But he was healed of all his diseases through meeting the living God. Since then, he has loved God more than anything else, opened the church with faith, and achieved great growth and revival. Now the church he started has become a mega church and he is also carrying out healing and charity works. Through his unceasing fasting and prayer he has received from God the meanings of Bible verses by the inspiration of the Holy Spirit. With them, he has delivered the messages that have enabled him to lead many souls to the way of perfect salvation. The signs and wonders that he has manifested through the power of the Holy Spirit have increased his church members' faith. They keep watching and praying fervently to live by the word. They enjoy gathering together in the church and they have fullness of hope for the heavenly kingdom just like the Early Church members. (Related Articles: Page 2-3)

In 1993, Manmin Central Church was selected as one of the 'World's Top 50 Churches' by the *Christian World* magazine (US). Since 2000, the church has spearheaded the world mission conducting the International United Crusades. Even in countries where Islam, Hinduism, and Judaism dominate, the church has preached the gospel of Jesus Christ and proven that God the Creator is alive by showing the works of the Holy Spirit. In such crusades, countless souls have been converted to Christianity. Also, the works of power: the blind coming to see, the deaf to hear, and the lame to jump and walk and the dead being revived, they have all taken place endlessly. (Related Articles: page 4-5) In particular, many people gave great glory to God testifying to their healing of poor eyesight in the Special Divine Healing Meeting held in June 2011. (Related Article: Page 8)

In May 1998, God manifested a circular rainbow surrounding

the sun and over the church as the sign that 'God walks with Manmin.' After the church passed through three tests that God had allowed only by faith and goodness, He changed the salty sea water into sweet water in Muan Manmin Church in March 5, 2000. Beginning with the sign, the power of creation and the explosive power of the Holy Spirit have continued. People in about 220 countries can attend the church services simultaneously through Manmin TV's broadcasting and internet streaming and by GCN (Global Christian Network). Also the power of God has been attested through scientific medical data in the International Christian Medical Conference that WCDN (World Christian Doctors Network) has hosted every year. Urin Books has distributed Dr. Jaerock Lee's books in multiple languages all over the world. MIS (Manmin International Seminary) has spread the holiness gospel to pastors and church leaders in the world.

In the midst of this the church held the 29th Anniversary Eve Performance on October 7. At 9:30 P.M. and again at 10 P.M. on the day, the 3D video that describes the beauty of Heaven was presented for 22 minutes in the outdoor event hall. In the second half of Friday All-night Service, Nissi Orchestra, Shalom Choir, and the Performing Art Committee teams expressed the beauty of Heaven with their performances.

On October 9, the church had the 29th Anniversary Celebration Service with the title of 'Heaven.' The Celebration Performance was under the title of "New Jerusalem, the Castle of the Shepherd." Around 400 people, including the Performing Arts Committee members and staff, devoted themselves to the performance. They gave glory to God with the breathtaking views of New Jerusalem, the best dwelling place in Heaven, which were expressed in their beautiful praise and dancing.

# Early Church

Senior Pastor Dr. Jaerock Lee

Acts 2:43-47

For around 2,000 years since the Lord ascended into Heaven, countless churches have been established. Among the churches, a church did the ministry that was the most appropriate in the will of the Lord. It was the early church that disciples and apostles who were taught directly by Jesus founded. The works that proved the Lord was with the church took place, so it experienced explosive growth and revival even under severe persecutions. Moreover, it laid a foundation of evangelizing the whole world. Even today if there are churches that resemble the early church, the Lord will live with them and show them His great works. Let's take a look at the characteristics of the early church.

### 1. First of all, many wonders and miraculous signs took place through the Apostles.

Acts 2:43 says, "Everyone kept feeling a sense of awe; and many wonders and signs were taking place through the apostles." 'Signs' are phenomena that cannot be performed with human abilities but can take place only by the power of the Almighty God. 'Wonders' refer to the power of God that controls weather.

'Wonders' include the works of power that make it rain in a long-lasting drought, change the course of typhoons and hurricanes, and even causes them to disappear. The healing works that cannot be performed with human ability like reviving the dead, allowing for the blind to see and the deaf to hear, and causing the lame to walk fall under the category of 'signs.'

Only through signs and wonders the Almighty God alone can perform can we prove that God is alive. Seeing and experiencing them, non-believers and those who have weak faith can believe in God and increase their faith.

Why, then, did many signs and wonders take place in the times of the early church? At the time, believers always lived lives filled with the Holy Spirit. They tried their best to follow the Lord's teachings taught by the apostles so that the great works of the Holy Spirit could occur.

Here 'the apostles' refer to those who have no will of their own, but serve and obey the Master with all their hearts. So, the apostles of the Lord cast off all forms of evil, became completely sanctified, accomplished the heart of the Lord, and fully performed the will of God like the Lord. They gained the recognition and love of God. They received the power from above and performed miraculous works.

If pastors were qualified like these apostles, amazing works would accompany them. As written in John 4:48, in this end time especially when knowledge has grown and sin and evil are so rampant, signs and wonders are much more necessary than any other times.

Astounding signs and wonders have taken place every day in Manmin Central Church since the founding of the church. The lame came to walk, the blind to see, the mute to speak, and the deaf to hear. Many people were healed of cancer, lung diseases, leukemia, AIDS, and other incurable diseases. Even one leg shorter than the other became lengthened and broken bones were set together and mended. Innumerable works of power have unceasingly unfolded in this church.

Since the early church also experienced such works, the

faith of the members could grow up day by day. And they widely spread the news of the resurrection of the Lord and the works of the Holy Spirit. As a result, the church kept growing and members who have true faith gave glory to God. There were even members who performed the power of God, like Deacons Stephen and Philip.

### 2. The early church had all things in common and shared all properties and possessions amongst themselves.

The following verses 44-45 say, "And all those who had believed were together and had all things in common; and they began selling their property and possessions and were sharing them with all, as anyone might have need." This verse proves how abundant spiritual love was in early church. Because they were all brothers and sisters in the blood of Christ they didn't say, "This is mine! That's yours!" They practiced the love of the Lord in deeds and in truth. Their hearts were burning only with the hope for Heaven. They had no greed to store up properties on earth. They sold their possessions, shared them with the poor, and had all things in common.

Today materialism and selfishness are rampant in the world. It is not easy to find such believers as lived in early church days. But Manmin Central Church has taken after the early church. If you have true brotherhood in faith and throw away greed for properties, you can do it. Through the deeds of loving your neighbors as yourselves, you can spread the fragrance and light of the Christ. Through seeing your deeds, many souls can return to the Lord.

"Sharing properties and possessions with one another and having all things in common" doesn't mean only in finances. They also shared their hearts with each other. In the same way, you should not insist on your opinions but respect those of others. If they keep peace in all aspects, share all things with each other, and take care of others with loving care, then they can make their church beautiful in the sight of God.

### 3. The early church gathered in the temple of God with one mind every day.

Verse 46 says, "Day by day continuing with one mind in the temple, and breaking bread from house to house, they were taking their meals together with gladness and sincerity of heart." "Breaking bread" doesn't mean they gathered to eat bread for food. It spiritually means that they gathered, and heard, learned and made the word of God their spiritual bread.

The members of the early church diligently heard and learned the word of God according to the teachings of the apostles. They dedicated themselves to praying in one mind to practice the word taught. That's why they gathered in the temple of God day by day. From its founding, Manmin Central Church has dedicated themselves to gathering in the temple of God. They've offered Sunday Morning Services, Sunday Evening Services, Wednesday Services, and Friday All-night Services to God. They also attend Daniel Night Prayer Meeting every night. Each mission also has service and prayer meetings. Since they dedicate themselves to gathering and praying in the church like this, they can receive the power from above and they can live by the

word of God.

Today, many churches do not gather in the temple. Some churches even do not have sunrise services. Hebrews 10:24-25 reads, "and let us consider how to stimulate one another to love and good deeds, not forsaking our own assembling together, as is the habit of some, but encouraging one another and all the more as you see the day drawing near." Churches have to devote themselves to gathering in the temple and praying with one mind. When churches continue to gather and pray, they can become churches filled with grace and truth in the powerful works of the Holy Spirit.

### 4. The early church praised God and had favor with all the people, and so the Lord added to their number day by day those who were being saved.

Acts 2:47 says, "praising God and having favor with all the people. And the Lord was adding to their number day by day those who were being saved." They praised God because they rejoiced always and gave thanks in everything. When you rejoice always, give thanks in everything, and spread the fragrance and the light of the Christ, you can have the favor from many people around you. Then, God also sends many souls to your church.

When you give out the fragrance of Christ, people will confess, "Oh! That person is a real Christian. I want to go to church and believe like he does!" It will be glory to God and He will lead many souls to your church. In the same way, when your church completely follows and does the will of God, He will be pleased, provide blessings and bring great revival.

Dear brothers and sisters, whoever accepts the Lord, repents, and receives forgiveness will receive the Holy Spirit and become God's children. When he lives by the word, he will also be set free from diseases and problems. He will eventually enter into Heaven. You say you believe in the Lord with your lips, but if you are still going through trials and having troubles it means that you do not live by the word. Instead, even after repentance, you still live in sins. This is because the enemy devil and Satan bring tests, hardship, and calamity to those who live in sins and darkness. But if they turn back from the sins and keep the word of God, all problems will be solved.

The early church members believed in the Lord and loved God more than anything. As written in 1 John 5:3, "For this is the love of God, that we keep His commandments; and His commandments are not burdensome," we have to keep His commandments if we love God. If we keep them, God also will love us. In churches loved by God, signs and wonders take place like in the early church. The churches also can lead many souls to the way of salvation. The church members will also receive spiritual blessings, blessings of good health, financial blessings, and marital and family blessings. They will receive answers to whatever they pray and blessings will overflow.

I pray in the name of the Lord that you will possess such true faith, give glory to God, save many souls, and spread the gospel to the end of the earth by following the example of the early church that was established by the power of the Holy Spirit.

## ‘The Book of Life’ Documenting the Names of Those who Have Received Salvation ‘The Book of Remembrance’ Recording the Works that Revealed God’s Glory

There are many kinds of books in the world such as novels, books of poetry, and collections of essays. It is the same with the heavenly kingdom. In Heaven are many books in addition to the Book of Life which is the list of the names of those who have been saved and the Book of Remembrance which describes the works that glorified God greatly. There are books that sort and record the categories of the historical events of human cultivation, books about men used by God in the different times, books about the lifetime works of Jesus while on earth, and books about the Abraham’s life story to mention a few.

The Book of Life and the Book of Remembrance are mostly about the history of the human cultivation. The Book of Life can be said to be the list of fruits that are borne throughout human history. The Book of Remembrance is a written record about the lives of the best of the fruit during human cultivation. By delving into these books, I hope you will feel the happiness that you will enjoy in the heavenly kingdom in the future.

The Book of Life is bluish-white in color. In the book are the names of those who have received salvation since the time of Creation without exception. It records which year, which month, which day, and which hour the individual accepted Jesus Christ, was born again by the Holy Spirit, and became a child of God. It will be material of the proofs and evidences at the Great White Throne Judgment.

Revelation 20:15 says, “And if anyone’s name was not found written in the book of life, he was thrown into the lake of fire.” Psalms 69:28 reads, “May they be blotted out of the book of life and may they not be recorded with the righteous.” Revelation 3:5 writes, “He who overcomes will thus be clothed in white garments; and I will not erase his name from the book of life, and I will confess his name before My Father and before His angels.”

The name of one who has received the Holy Spirit by believing in Jesus Christ will be written in the Book of Life. It means that he has

received salvation and can enter the heavenly kingdom. However, if he doesn’t live by the will of God, although he says ‘Lord, Lord’, his name will be blotted out from the book. Just to go to church isn’t what leads you to the way of salvation. To receive salvation as written in Matthew 7:21, you have to live by the will of the Father which is the word of God. You have to work out your salvation with fear and trembling as recorded in Philippians 2:12.

God is alive and repays us for our deeds. The dwelling place and rewards that you will receive in the heavenly kingdom will be different according to how much you resemble the Lord and work faithfully for the kingdom of God while you live on earth. Those who lead a Christian life as they see fit will narrowly receive salvation and just go to Paradise, but those who become sanctified resembling the Lord and work faithfully in all God’s household can reach the best dwelling place in Heaven, New Jerusalem. Manmin members have been running fervently to achieve the glory of New Jerusalem.

2002 India United Crusade with Dr. Jaerock Lee was held at Marina beach, Chennai, Tamil Nadu in India, in October, 2002. A total of over three million people attended even though the ‘Statute Banning Forcible Conversion’ had been put into effect. Many attendees experienced the amazing healing works of God the Creator and many of them converted to Christianity. God was greatly glorified!

“And I saw the great and the standing before the and books were and another bo opened, which is of Life; and the d judged from the th were written in tl according to thei (Revelation 3

“Then those wh the LORD spok attention and h and a Book of Ren was written bef for those who fear and who esteem F (Malachi 3

Even in this world, we set up some monuments for long term commemoration of meaningful events or outstanding persons. In this same way, in the Book of Remembrance is recorded the things that glorified God greatly and thus they will be forever commemorated. When people do the things that are impossible with men's ability by relying on God the Father and glorify God's name greatly, these things will be recorded.

When it's done by an individual, it will be recorded under his name, and when it's done as a group, it will be recorded under the name of the group's leader. Also, some important parts will have video records as well. Because the Book of Remembrance records each event in minute detail, it is very thick. When seen with spiritual eyes, it gives out a golden color and it has some royal patterns on the cover. We can see that it's a very precious book just by seeing the cover.

The basic qualification for something to be recorded in the Book of Remembrance is that we have to fear the LORD. Malachi 3:16 says, "Then those who feared the LORD spoke to one another, and the LORD gave attention and heard it, and a book of remembrance was written before Him for those who fear the LORD and who esteem His name." 'To fear the LORD' here refers to keeping away from every form of evil and becoming sanctified. It means we have to be at least in the fourth level of faith, where we don't have any evil. Then, we can acquire the basic qualification to be written in the Book of Remembrance. (Ref: *The Measure of Faith*)

When those who fear the LORD this way give glory to God greatly, these events will be recorded in the Book of Remembrance in detail. Historically significant events in the flow of the human history are recorded in the book such as Abraham's deed of offering Isaac, Elijah's bringing down fire from Heaven when he confronted the 850 priests of the gentile gods, and Daniel and his three friends' revealing God's glory greatly by overcoming difficult situations with faith. In Manmin Central Church, there are many amazing works that can be recorded in the Book of Remembrance that have taken place.

Since the founding of the church, God has shown Manmin members countless signs and wonders as recorded in John 4:48 and demonstrated the power as in Psalm 62:11. Among the signs and wonders manifested is the case of Muan Sweet Water which is such an event to be memorialized.

In March 5, 2000, the extremely salty seawater at Muan Manmin Church was changed into sweet fresh water through the prayer of Dr. Jaerock Lee. God the Father has changed briny saltwater into sweet water to supply water for Muan Manmin Church members who had a problem with shortage of fresh water. However, God even allowed for those who drink and apply the Muan Sweet Water with faith to be healed of various diseases.

Numerous people not only were healed of poor eyesight and various kinds of disease when they drank and applied the Muan Sweet Water with faith, but many also experienced astounding works like broken machinery being fixed through its application and many also received answers through the water. In addition, when they gave the Muan Sweet Water to plants or animals, the plants grew better or bore much more fruit.

A sample of Muan Sweet Water was sent to the FDA (Food and Drug Administration), U.S. Department of Health and Human Services for analytical testing. The organization confirmed it to be good quality water abounding in minerals. The water is three times higher in calcium than other world-famous waters from France and Germany. As a result there has been a markedly large number of people who have visited Muan Sweet Water Site and experienced the power of God.

In Exodus chapter 15 it says that during the Exodus of the sons of Israel from Egypt Moses prayed to God and the bitter water at Marah was changed into sweet water. Some thousands of years later, in February of 2000, Rev. Jaerock Lee of Manmin Central Church prayed for Muan Manmin Church that was having a problem because of the salinity of their water supply. He prayed for it during his first prayer session in the mountains where he was praying for the 2-Week Continuous Special Revival Meeting.

On March 5, 2000, right after Rev. Jaerock Lee finished the mountain prayer session, God showed the same kind of miracle that is in the Bible and changed this salty seawater into sweet fresh water. Since that day, divine healing and powerful works take place mightily through this water. To the glory of God many people have received healing of illnesses and infirmities and also received answers to their heart's desires." (On the Monument of Muan Sweet Water)

Since 2000, Senior Pastor Dr. Jaerock Lee has conducted crusades in Uganda, Pakistan, Kenya, the Philippines, Honduras, India, Russia, Germany, Peru, DR Congo, New York City in the U.S., Jerusalem in Israel, and Estonia. He led numerous souls to the way of salvation through the crusades. By manifesting the power of the Holy Spirit, he proved that God the Creator is alive, Jesus is our Savior, and the Bible is authentic and the true word of God.

In particular, the '2002 India United Crusade with Dr. Jaerock Lee' was remembered as the one which attracted the greatest number of people in Christian history in India. It transcended denominations, and was marked as the greatest religious rally in India. Many people were healed of diseases and many also were converted to Christianity. Because the India United Crusade was broadcast live through Indian major TV broadcasters all over India and also through the Internet all over the world, countless people received salvation.

Dr. Lee conducted the Israel United Crusade in the International Convention Center (ICC) located at the center of Jerusalem in September 2009 under the title "GOD IS GREAT." People from 36 countries as well as local people attended. It was broadcast live through Enlace, CNL, TBN Russia, Digital Congo, and GCN. It was also recorded and broadcast to around 220 countries via public TV, cable broadcaster, and satellite stations including Day Star, Miracle TV, and HEAVEN TV 7.

Israel is the birthplace of the gospel where Jesus was born and completed His appointed tasks as the Savior. But still the people there are waiting for the Messiah. In Jerusalem, in Israel where the people do not accept Jesus as their Messiah, Dr. Jaerock Lee boldly proclaimed that Jesus is the Messiah and Savior. After the message, he prayed on the stage. At that time, many people were healed of diseases and gave great glory to God.

In the meantime, Manmin Central Church has a strong desire to build the Grand Sanctuary. In 1982 when the church was opened, God showed 17 members the Grand Sanctuary in a vision during Friday All-night Service. The Grand Sanctuary isn't just a place where many people will gather and worship God, but it is also the greatest sanctuary in the world and will be built by those who love God in order to glorify God.

In the Old Testament Times, God let King Solomon construct a beautiful sanctuary to reveal His glory to all nations. The Grand Sanctuary will be built by God's wisdom and inspiration beyond human's ability as a replica of the temple in New Jerusalem. People will feel the dignity and glory of God the Creator just by seeing it. An immeasurable number of souls, who come to the Grand Sanctuary with longing hearts, from all around the world will realize the providence of the Creation and give glory and praise to God.

Above all, God Himself will work on the Grand Sanctuary that His children who resemble the Lord and become sanctified will build out of love for Him and will reveal the glory of God all over the world. In addition, it will be recorded in the Book of Remembrance as a great fruit of human cultivation. In the same manner, amazingly powerful works that are the best fruit of human cultivation will take place continuously and the precious name of God will be honored greatly in the world.

# The Works of the Holy Spirit Will Not Stop Until

## Part 1.

The Miracle Occurred for a Man  
Like a Misty Dew Instantly being Lifted from His Life,  
“God Really is Alive!”

It happened to Mr. Jaerock Lee in the March of 1968, when he had no knowledge of God. He drank too much at the housewarming party in celebration of his wedding and developed stomach cramps. Afterwards his stomach weakened day by day and various complications accompanied it. He made every kind of effort for healing for seven years, but in vain. His mother brought him whatever was said to be good for his healing and in desperation she even let him drink excremental water. But nothing worked for healing. There seemed to be no hope for recovery, and his mother eventually said to him, “You’d better die soon!”

The flame of his life was being extinguished in the shadow of the valley of death every day. One day God stretched out His hand of love. His second eldest sister came to him. She could hardly walk because of severe arthritis, and asked him to guide her to the Hyun Shin-ae Church. It was a means of wisdom she received in answer to her prayer to evangelize her younger brother.

He couldn’t possibly refuse her earnest, repetitive plea and came out of his house leaning against a walking cane. When they arrived in the church, he was surprised to see so many people praying loudly. He soon reluctantly knelt down on the ground feeling oddly seeing them praying. At that very moment, his body became hot and he began sweating.

He had severe tympanitis and could barely hear even very loud sound before, but now he was able to clearly hear every sound. On the way back home, he found himself walking freely without the cane. The next morning he found there were no more symptoms of his diseases throughout his entire body. He who had been an atheist received the baptism of the Holy Spirit and the healing of all his diseases! Hallelujah!

The next morning as he was remembering everything that had happened to him the previous day, he came to realize an amazing miracle of God had occurred to him and God had healed him of all his diseases. At that point he could do nothing but to make the following profession saying, “God really is alive!”

## Part 2.

He Cleaned His Vessel by Looking up to Heaven  
and Cast off every Form of Evil  
until Free of Shame

After meeting the Living God, Deacon Jaerock Lee was filled with the Holy Spirit and the grace of God who had saved him when he was at the doorstep of death and then guided him to eternal life. He began attending church with joy and thanksgiving, and concentrated on reading the Bible, praying to God, and evangelizing as many neighbors and friends as he was able. He loved God first of all and obeyed whatever God had said in the Bible.

Reading the Bible, he underlined the verses that enlightened him on sins and then offered fervent prayers with fasting and vowed prayers in order to completely obey the words of God. Through fervent prayers and fasting, he not only threw away his sins revealed in action, but also struggled against and cast off his sinful natures and desires that had been unrevealed in his thoughts. At last, he found himself no longer possessing any form of evil and that he had become purified in the Lord.

His earnest plea was to exactly understand the will of God recorded in the Bible and receive spiritual interpretations of the verses that were difficult to understand. He attended as many revival meetings as he was able to learn the depth of God’s Word, but his thirst for the Spirit-anointing interpretations of the Bible was not quenched. He began struggling with God in prayer like Jacob at the Jabbok River and praying to God to give him the deeper spiritual interpretations of the Bible. God listened to his prayer and in deep prayers he was inspired by the Holy Spirit and received spiritual interpretations of the Bible from God.

In the July of 1982, Pastor Jaerock Lee founded Manmin Church in Seoul, Korea. He delivered the life-filled messages and manifested miraculous signs and wonders in the name of Jesus Christ, and by those works of the Holy Spirit, his church members improved their faith and experienced miraculous healing and spiritual change. The church had once been known as the church that was filled with the Spirit, for accomplishing sanctification through the Word and prayers, and being accompanied by signs and wonders.

In the February of 1993, in recognition of his church’s growth and revival, his church was selected as one of the World’s Top 50 Churches by the magazine ‘Christian World’. Thanks to this acknowledgement he came to conduct special seminars and crusades in USA. It was also the beginning of invitations to conduct pastors’ conferences and healing crusades in many countries including the USA, Japan, Tanzania, and Argentina.

# Until Salvation Has Been Received by All Nations

## Part 4.

### As the Waters Cover the Seas Preaching the Holy Gospel of Jesus Christ in Every Corner of the Globe!

The ultimate goal of our believing life is to gain salvation and enter Heaven. Men's sins are categorized into two groups; the original sin one is born with and willful sins one commits in their lives. Anyone whose sin is not resolved must be thrown into Hell and be tortured there forever. The Bible testifies that Heaven and Hell really exist and many people give their testimonies to spiritual encounters in Hell and Heaven. Dr. Jaerock Lee received many deep accounts of Hell and Heaven in fervent prayers, and his testimonies were compiled into *Hell* and the two-part series *Heaven I & II*.

God gave His power to Dr. Jaerock Lee because he had only obeyed His Word and borne the fruits of the Spirit. God has even performed extraordinary miracles through him just as recorded in Acts 19:11-12. When the handkerchief and aprons that were carried from the body of the apostle Paul were put on the sick, their illnesses departed from them and evil spirits were driven away. In the same way, when assistant pastors prayed for the sick with the handkerchiefs Dr. Jaerock Lee had prayed upon, many people were released from the bondage of evil spirits and the sufferings of diseases.

His powerful overseas ministries were strongly known to the world and he was listed as one of the 'Most Influential Christian Leaders of the Year' in both 2009 and 2010 by the biggest Russian-speaking portal site, [www.invictory.org](http://www.invictory.org), and by the English website [www.christiantelegraph.com](http://www.christiantelegraph.com). The news agencies named him the 'Missionary of the Year' in 2010 and 'TV Evangelist of the Year' in 2009.

Just as Jesus performed many signs and wonders confirming His Word to help people believe, Dr. Jaerock Lee's ministry is mainly characterized by manifestations of healing miracles, signs and wonders to confirm the existence of God and the authenticity of the Bible. He always confesses power belongs only to God and the source of his powerful healing ministry is the presence of God with him, and everything he has done was made possible only by the name of Jesus Christ.

## Part 3.

### Through the Mighty and Rushing Power of the Holy Spirit! The Fivefold Gospel of Holiness Is Covering All Corners of the Earth

Rev. Dr. Jaerock Lee accomplished depths of spiritual love. With that love he endured with those who repaid his goodness with evil and he blessed them in prayer. It touched God's throne and God gave him amazing power.

He began conducting mega-sized overseas crusades in 2000. In dozens of countries, whenever he conducted a crusade God performed amazing miracles through him and his powerful healing ministry attracted the attention of many world-renowned broadcasters and journalists. His Uganda Holy Gospel Crusade 2000 held in the Kampala Park was featured on CNN. During his 4-day India Crusade 'Miracle Healing Prayer Festival 2002' more than 3 million people were brought together and the place was filled with conversions about the healing miracles done in the name of Jesus Christ. His Russian Crusade 2003 was an appointed event as one of the official events celebrating the 300th anniversary of the City of St. Petersburg, and '2006 New York Crusade' that he conducted in Madison Square Garden, one of the world's most famous arenas, was broadcast live to 176 nations. In 2009, he conducted the Israel United Crusade titled "God Is Great" in ICC (International Convention Center) in Jerusalem. There he proclaimed Jesus Christ is the only Savior and the Messiah. In 2010, he also gave glory to God and proclaimed that God is alive through the messages filled with life and the explosive works of power in the Estonia Miracle Healing Crusade.

Pastors and revivalists world-wide have expressed their deep regard for the Fivefold Gospel of Holiness as preached by Dr. Lee. It is because the Gospel of Holiness, characterized by Regeneration, Sanctification, Divine Healing, Resurrection and Second Advent, has the power to change and renew the spirit, the soul and the body of a man. Rev. Dr. Lee has been teaching that the believers in the Lord Jesus can purify themselves not only from the sins committed in action but also from the sins hidden deep within the hearts by God's grace and strength and the Holy Spirit's help.

It is true that every believer can cast off every form of evil, sanctify his heart and accomplish the heart of Jesus Christ when he is in the power and grace of God and filled with the Holy Spirit's guidance and help. Rev. Dr. Lee always emphasizes any believer can possess higher level of spiritual faith to the same extent that he purifies himself, and that he can enter the better place in Heaven according to his higher level of faith.

# Manmin Central Church, Full of the Biblical Works of Power

“Since the beginning of time it has never been heard that anyone opened the eyes of a person born blind. If this man were not from God, He could do nothing.” (John 9:32-33)

Manmin Central Church has led many souls to the way of salvation through signs, wonders, and works of power and has given glory to God since the founding of the church. The power, as recorded in Psalm 62:11, is a sign that the living God is with those who perform it. It is an absolute way to plant faith in the heart of people at the same time. In particular, it is only the power of God the Creator through which the blind come to see and poor eyesight is made to recover to normal.

Since Manmin Central Church was founded, there have been countless people who were healed of their poor eyesight through the prayer of Dr. Jaerock Lee both in and out of Korea. In June 2011, especially, the Special Divine Healing Meeting was held. In the meeting, many people gave glory to God with their healing testimonies of poor eyesight. By introducing just a few among the many examples of healing testimonies, we want to give all thanks and glory to Father God who has walked with us until the 29th church anniversary.
