And gives me hope for Heaven and eternity with Him.

I want to give my heart to Him,  
Full of the hope He has given me.  
I want to give to Him all the joy He's given me.

## “I Started to Hear Sounds Just after Receiving the Handkerchief Prayer”

### Pastor Sooyeol Cho led the handkerchief healing meetings in the Manmin Deaf Churches in Thailand and Malaysia

Pastor Sooyeol Cho, Guidance Teacher of the Hearing-impaired Mission preached the message for the hearing-impaired in Hat Yai Manmin Deaf Church during its 2nd anniversary service. He also led handkerchief healing meetings at Manmin's five branch churches for the hearing-impaired founded in Thailand and Malaysia.

On May 1st, Pastor Cho delivered the message under the title of “God Is the One True Living God” taken from Romans 1:20 in the first meeting held in Phuket Manmin Deaf Church. Then, he prayed for the sick with the handkerchief of power (Acts 19:11-12).

Namcltai lost her sense of smell, but it was restored. Niko couldn't walk well, but she came to walk well. Among several other members who received healing were two female members Saiv Tin, who recovered better eyesight

and Caddama Wchimbud, who was healed of atopic dermatitis. Many people gave glory to God with their healing testimonies.

On May 2nd, a handkerchief healing meeting was conducted in Surat Thani Manmin Deaf Church. After the video presentation entitled “The Power of God,” Pastor Cho preached the message with the title of “Let's Become a Christian who Bears Fruit” based on Matthew 7:15-17. Then, he prayed for the sick with the handkerchief.

Manthani, a female member who had been deaf since her birth testified as follows: ‘After the prayer of the handkerchief, I received the fire of the Holy Spirit and my body became hot. Then, I came to hear sound.’ So the whole church was in a festive mood. Additionally, a male member, Charlo Ampol, had his tunnel vision was broadened and Jirisuni,

a female member, was healed of her labored breathing and thyroid disease.

On May 6, Hat Yai Manmin Deaf Church had its 2nd anniversary service and a handkerchief healing meeting. The church members had prepared for the celebration performance by personally making the performance attire with all their hearts. Their performance added to joy of the anniversary!

Pastor Cho preached the message entitled “Why is Jesus Our Only Savior?” based on Acts 4:12 and prayed for the sick with the handkerchief. Chansunee Pornhuna testified she came to hear sounds that she couldn't hear before. Viyanach Kongnai recovered her eyesight after receiving the fire of the Spirit. Sukhon Sunsuwan testified that hard lumps on her breast

disappeared. In addition to these testimonies, many healing testimonies followed.

In Trang Manmin Deaf Church on May 7, Pastor Cho delivered the message with the title of “God Works through Works of the Holy Spirit” based on Hebrews 13:8 and he prayed for the sick. Many people were healed of pain in head, eyes, shoulders, legs, arms and of prostate gland problems, pains caused by blood-flow disorders, and respiratory disorder.

On May 8, he went to Penang in Malaysia. He led handkerchief healing meetings and visited a few of the members' homes. It was the end of his mission trip. Giving glory to God, Pastor Cho said, “Different from any other churches for the hearing-impaired, Manmin branch churches give services in peace with all facilities equipped thanks to Senior Pastor

Dr. Jaerock Lee's financial support. Because the members had prepared for the meetings with longing for God's power, Father God worked greatly.”

These branch churches are ministered by Pastor Junghoon Chi, Vice Guidance Teacher of Hearing-impaired Mission in Manmin Central Church. After people received grace through Dr. Jaerock Lee's messages that Pastor Chi had spread online, Penang Manmin Deaf Church was founded in Malaysia for the first time in December, 2008.

Now the Manmin Deaf Churches have been established in Hat Yai, Trang, Surat Thani, and Phuket in Thailand; and Penang and Melaka in Malaysia. Other branch churches are to be founded in Kuala Lumpur, Atol, Ipoh, and Taiping in Malaysia and other countries neighboring Thailand like Vietnam.

When Pastor Sooyeol Cho prayed for the sick with the handkerchief of power, the deaf came to hear, the blind to see, and many people were healed of various diseases by the fiery works of the Holy Spirit.

# Do Not Let the King Sin

“Then Jonathan spoke well of David to Saul his father and said to him, ‘Do not let the king sin against his servant David, since he has not sinned against you, and since his deeds have been very beneficial to you.’” (1 Samuel 19:4)

Suppose you have a friend and share true love with him. And it is someone you love as you love yourself. Let's say your father's company in the danger of bankruptcy, and with your friend's help, it recovered. It would be natural for your father and you to want to repay his grace all your lives. But your heart would be broken if your father forgets the grace and tries to harm your friend.

But there was a man of goodness who performed his responsibilities as a dutiful son until the end even though his father had been forsaken by God due to his evilness. It was Jonathan. He was the son of Saul who was the first king of Israel. When Jonathan's father committed sins his son didn't hesitate to admonish him. Jonathan didn't even spare his own life to keep his father from sinning. What if you were in his situation?

## 1. Jonathan tried to stop his father from sinning with spiritual love.

As the first son of Saul, Jonathan was a successor to the king Saul. He gained love and trust from the people because he was a great soldier and a respected leader.

About this same time, David suddenly appeared before Jonathan. He defeated Goliath, the champion of the Philistine army, in the name of the LORD and led a difficult battle to victory. Without David, the Israelites would have lost the battle against the Philistines. When Jonathan saw David, he could see David was a man of God and he came to love David as he loved himself.

Since David made a significant contribution to the battle, King Saul made him a military commander. He secured his position more and more as a hero of the nation by achieving every battle. But there was an incident that agitated King Saul. When David was returning from a victory over the Philistines, the women sang “Saul has slain his thousands, and David his ten thousands.”

Saul looked at David with suspicion from that day on. He thought, “Now what more can he have but the kingdom?” Saul even hurled a spear at David while he was playing the harp. It was Jonathan who was the most broken-hearted seeing Saul's terrifying enmity towards David. He continually pleaded with Saul to have mercy on David, but it was of no use.

Jonathan spoke well of David to his father, Saul. In 1 Samuel 19:4-5 it is recorded he said, “Do not let the king sin against his servant David, since he has not sinned against you, and since his deeds have been very beneficial to you. For he took his life in his hand and struck the Philistine, and the LORD brought about a great deliverance for all Israel; you saw it and rejoiced. Why then will you sin against innocent blood by putting David to death without a cause?”

What would you do if you were in Jonathan's

Senior Pastor Dr. Jaerock Lee

position? An old saying says that authority and power are not the things that even parents, children, and siblings can share. Jonathan was the person who was to succeed Saul if David had not existed. On the contrary, his family would fall apart if David became the king.

But Jonathan didn't give way to fleshly affection nor choose evil. He could discern between what is right and wrong. Jonathan couldn't just stand by and watch his father go the way of destruction. That's why he could admonish his father with spiritual love not to commit sins.

## 2. Jonathan fulfilled his duty to his father with goodness until the end.

As David's reputation had been enhanced over time, Saul officially commanded his men to kill David. Jonathan helped David escape and petitioned for Saul to save him. In 1 Samuel chapter 20, seeing David's place was empty, Saul asked why David hadn't come to the meal on the second day of the new moon. In order to see how Saul would respond, Jonathan said, “David earnestly asked leave of me to go to Bethlehem, since his family has a sacrifice in the city.” If Saul hadn't intended to kill David, he would have taken it lightly.

But when Saul heard this, his anger was burning and said, “You son of a perverse, rebellious woman! Do I not know that you are choosing the son of Jesse to your own shame and to the shame of your mother's nakedness? For as long as the son of Jesse lives on the earth, neither you nor your kingdom will be established. Therefore now, send and bring him to me, for he must surely die” (1 Samuel 20:30-31).

Jonathan answered Saul saying “Why should he be put to death? What has he done?” and tried to prove David's innocence. Then Saul hurled his spear even at his son to strike him down out of anger. Jonathan was grieved because he realized his

father's dishonor of David was so serious.

In this way, Jonathan protected David, man of God putting his life at risk and admonished Saul with love so that he could turn away from his sins. The reason why Jonathan's goodness was more beautiful is that he didn't just try to prevent his father from sinning but also he fulfilled his duty as a son. In addition, men of goodness are heart-broken when they see others reveal evil, but if the person who reveals evil is one of their beloved family members, it's more painful for them.

Jonathan knew that God had already forsaken his father. He anticipated what would happen to him when he was with the evil one and abandoned by God, but he never left his father. In the end, he drew his last breath with his father when they were engaged in a battle against the Philistines. He didn't leave his father until he died.

## 3. True goodness stops people from sinning and leads them to the truth.

When the Bible relates a story about a person who commits sins, it also records how his whole family feels pain and his neighbors suffer from damage as well. There are a few people whose sins cause pains for all the people of their nation. If a leader of a group commits sins, the harm to leader's following is more serious.

Sins are our dangerous enemy that destroys not only ourselves but also others around us. But when your beloved one takes the wrong way, if you don't give advice to him fearing that you might hurt his feeling and break peace, it's not love and goodness. It's just fleshly affection.

Eli the priest had such fleshly affection in 1 Samuel 2:12. His two sons committed sins greatly before God, but he didn't punish them but told them not to commit sins. His sons didn't turn away from their sins. As a result Eli and his two sons died and his family faced disaster. True goodness leads with truth and advice to stop people from sinning.

One of our church members doesn't keep quiet when his family members spoke negative words or used words that disappoint God. He admonished them encouraging them to speak the truth with love because he knows what goodness is. He knows what pleases God and what perfect goodness is. In such goodness, he loves his family, so he leads his family to practice God's Word and not to commit even small sins. In this way he leads them to the truth.

Dear brothers and sisters in Christ, because he was full of spiritual love, Jonathan could give advice out of goodness to his father until the end even though his father sinned. I pray in the name of the Lord you will love even evil people until the end and boldly point out their sins and lead them to the way of the truth.

# Three General Principles of Dialogue for Rich and Full Life

One day, two noble men went to buy meat. One of the men said to a butcher, "Hey you! Give me 600 grams of meat!" And another man also said to him, "Mr. Lee, would you please give me 600 grams of meat?" The butcher gave meat to them each, but the amount of meat was significantly different. The former man argued, "Hey, both of us ordered the same amount of meat, 600 grams! But why is his amount of meat a lot compared to mine being so small?" Then, the butcher replied, "This is because your meat was provided by 'Hey you' and his meat was provided to him by Mr. Lee."

This story shows us that our word can lead to different results. Do we speak words that consider others and cheer them up? Those who speak and do what they want can't gain trust from others. To become a Christian who gives out the light in the world, we should set a good example in our manner of speaking. Here are three principles of effective speaking.

## First, Speak with Words that Are Positive, Not Negative.

Some people around us habitually use negativisms when they speak and act and react negatively. They easily say, "I can't..." "I don't ...." and "I am not able to ...."

When others ask a favor of them, they turn them down in the negative ways. Of course, it doesn't mean you have to accept whatever others want from you.

When asked you should try your best to help others, but when you have to turn them down, you ought to respond in a gentle voice and with an agreeable manner. Think about it once again for just a moment before you reject someone's request.

Ask yourself if you really are not able to meet the request. In the case that you can help them if you put a little more effort, make a habit of answering them with positive words like "OK , let's see how I can help you with it."

If you try to figure out their problems though you don't know them, they will feel your heart and find joy and happiness in life.

### ◆ Let's use yes-but tactic.

When a person says something or asks something of you, try to think in both positive and active ways ('Yes' tactic) and explain your situation in a kind manner and do your best to help him. ('But' tactic)

It's good to make a habit of using the 'Yes-but strategy'. When you have to reject others, you have to explain the reasons in soft and understandable ways. But you should still check if they know you feel sorry.

"I need a cup of water right now."

⟨Negative word⟩  
We don't have any.

⟨Positive word⟩  
The 'Yes-but strategy':  
"Oh, you need some water? We don't have any here, but I can see if the office next to us has water or not. Please hold on a second."

## Secondly, Use Words of Suggestion, Not Words of Command.

Some people tend to order saying, "Come here" or "Take care of this right away." Although they are ordering or commanding people, they don't realize the fact that they are doing it. This is because it is a habit they developed.

The heart of men is revealed outwardly in words and deeds. No matter how much you respect others, if you ignore them or use strong words and actions, such as body language that makes them feel subservient by your commanding manner, your words and deeds will hurt their feelings.

If you love God, you have to change your smallest habits and try hard to give out the fragrance of Christ.

### ◆ Let's use interrogative language

It's good to say in a gentle manner using "Could you do something..." or "Would you mind ...". But you have to understand that this interrogative language is more effective with your consideration of the other rather than with boring repetition of the same usage.

⟨Imperative language⟩  
"Mr. Rich, come here a minute."  
"I want it done this way."

⟨Suggestion / Interrogative language⟩  
"Mr. Rich, could you come here a minute please?"  
"Would you mind doing it like this for me?"

## Thirdly, Let's Use Soft Words like Cushions.

A cushion makes things feel softer by absorbing some of the external shock. When we speak of 'cushion language' it refers to soft words that make the situation natural and soft.

Let's make a habit of using many 'cushion languages' like "I am sorry but,... excuse me,... I know you are busy but,...if you are ok with it, ..."

Then, people who talk to you can feel your consideration and love, so they feel respected by you.

"Give me a little help here, will you?"

⟨'Cushion' Language⟩  
I know you're busy, but could you please help me with this?

Such a soft and gentle word gives others happiness and even speakers become happier. In addition, if you do it from the bottom of your heart with respect and consideration, they will also be full of love.

# “Dr. Jaerock Lee’s Power Is Greatly Effective in My Land Myanmar!”

Pastor Pa Hrang Hmung (President of MCL publisher in Myanmar)

Pastor Pa Hrang Hmung in the Manmin Central Church’s Anniversary Service

I am a pastor of Rai Baptist Church located in Mandalay, the second most prominent city of Myanmar. Currently, I have performed my ministry by translating and publishing Christian books in Myanmar.

The year 2006 was a meaningful year for me. A theological seminary student from India gave me Dr. Jaerock Lee’s testimony book *Tasting Eternal Life before Death*.

Reading the book, I felt like the Lord was talking to me. I received great grace and became so moved that I wanted other people of Myanmar to know and meet the living God through the book.

I was keen to know about the book’s author and I had a burning heart to translate his books into Myanmar and publish them. I called Urim Books and told them that I want to translate Dr. Lee’s books into Myanmar.

### My life’s turning point

On March 12, 2007, I was accepted as a translator of Manmin by God’s grace and Dr. Jaerock Lee’s consideration. I can’t express how joyful I was. After that I was able to maintain constant contact with Manmin Central Church. Most of all, I was longing to see and meet with Dr. Lee who had written the

testimony book.

In October, 2008, I finally visited Manmin Central Church. Until this very day I haven’t forgotten what I saw there: the church members’ Christian lives being lived to resemble the heart of the Lord; the miracles that took place in Manmin Central Church; and the ministry of Dr. Lee, a man with whom God walks.

I was surprised by the Muan Sweet Water Site where salty water had been changed into sweet water and various kinds of rainbows displayed there. What I realized during Sunday Services, Friday All-night Service, and Daniel Prayer Meeting has been great help to my spiritual growth and my ministry.

I often pray to the Lord with tears day and night because I really want to lead my Christian life with Dr. Lee and Manmin Members. I am now filled with happiness and joy. This is because in God’s grace these days I am focused on translation works of Dr. Lee’s books.

I have translated his testimony book *Tasting Eternal Life before Death*, his autobiography *My Life My Faith I & II*, his representative books *The Message of the Cross* and *The Measure of Faith* into Myanmar language. How blessed I am that I can realize the deep spiritual world of God through Dr. Lee’s books!

### My life was changed by the Lord’s grace

What impressed me so much was the miracles that happened in the crusades conducted in Thailand and Myanmar in November 2010. Just as extraordinary miracles took place through the handkerchiefs carried from the apostle Paul recorded in Acts chapter 19, I witnessed numerous people who were healed when the missionary prayed with the handkerchief on which Dr. Lee had prayed.

Additionally, I was amazed by signs and great power that were performed in Dr. Lee’s India United Crusade while watching the DVD entitled “The Power of God.” I couldn’t help being touched by the fact that the signs Jesus had performed around 2,000 years ago are still taking place through Dr. Lee. Compared to his ministry, my ministry used to be like a dry desert.

But I have been totally changed by the Lord’s grace since I met Manmin Central Church. My prayers have also changed and I have kept the holiness gospel in my heart every day. I am leading a happy life resembling the Lord.

The Lord has taught me many things through Dr. Lee’s books and showed the direction that is my way to follow. Dr. Lee’s books move my heart. His life and love for the Lord are different from others’. I want to spread his love widely.

## “I Give Thanks to Father God who Wants Children with No Spot”

I was diagnosed with tuberculosis pleural inflammation, so I was shocked by it. But I believed that God was giving me an opportunity to look back upon my past Christian life. Feeling the heart of Father God who wants to have perfect children with no wall of sins, I gave prayers of thanksgiving to God.

I started to find what I was short of in my Christian life and offered prayers of repentance. I repented that I didn’t cherish all my duties as a wife, a child, a parent, and a Christian. I hadn’t worked faithfully and I prayed with excuses because of my busy schedule and for my outbursts of anger and irritation that came out.

I wanted to receive healing with faith because I trusted the love of the Lord who shed blood on the cross for me and Senior Pastor Dr. Jaerock Lee’s power that I had seen. I went to Dr. Lee and talked about my disease and asked him to pray for me. He gave an example of King David in the Old Testament Time. With a bright smile, he let me realize that it was the love of Father God who wants to lead me to New Jerusalem, the best dwelling

place in Heaven.

I was so happy feeling God’s love. Right after I received his prayer, I stopped coughing. I had coughed a lot before, but the symptom disappeared completely. I also had had no strength. I couldn’t walk fast and my vision had grown dim. All the symptoms vanished. Pain in my sides also were relieved little by little. I was a little tired sometimes, but I also believed that I had been healed of tiredness and I just continued trying to serve others while thinking of the shepherd’s love.

Since I believed God’s love and power and acted

### Her chest

A lot of chest exudation No chest exudation, clean

in faith, I felt amazingly better.

As I prayed without ceasing, endeavored to live by God’s Word, and tried my best to fulfill my God-given duties, all the symptoms were quickly cured. I had a check-up again. The result showed that I was completely healed. I give all thanks and glory to Father God and my beloved Lord. I also extend my thanks to Dr. Jaerock Lee who prayed for me with love and power. Hallelujah!
