The Church Proclaiming to the Whole World with Great and Amazing Power

Numerous Signs and Wonders Took Place as in the Early Church

In Manmin Central Church, many signs and wonders have taken place just like the early church, so it has experienced continuous growth. God showed the works of creation, works managing life, works transcending space and time, and those using the spiritual space. Through such works countless souls have been guided to the way of salvation. God also blessed us to have around 10,000 branch and associative churches around the world.

After the Lord's resurrection and ascension, by the power of the Holy Spirit the gospel was spread not only to Jerusalem, all Judea, and Samaria but also to Asia Minor, Greece, and even the Roman Empire that was the center of the ancient world. Numerous churches were also founded.

The apostles and believers of the early church delivered the gospel even at the risk of martyrdom. Consequently, in 313 AD, Constantine, the Roman Emperor, officially adopted Christianity. In 380 AD, Theodosius I enacted a law of establishing Christianity as the official state religion of the Roman Empire.

In 1982, God set up Manmin Central Church and told the church to 'arise, shine' as recorded in Isaiah

60:1, and then commissioned the church to evangelize the nation of Korea and the world. From that time on, He has unceasingly showed the fiery works of the Holy Spirit just like the one that came on the Day of Pentecost in Mark's upper room.

For the last 30 years, Senior Pastor Dr. Jaerock Lee and the church members have run without ceasing to awaken souls who are in spiritual slumber and revive dying souls at this end time.

As a result, the church grew to become a mega-sized church that has around 10,000 branch and associative churches all around the world as well as 56 domestic branch churches.

What is the major driving force that made the church achieve such a rapid revival in just 30 years?

Church revival can never happen with just human ability.

When Peter preached, 3,000 people repented and sick people with various diseases were healed. Through the apostle Paul the gospel was spread to Asia and Europe. All these things could happen by the blasting power of the Holy Spirit.

Dr. Jaerock Lee preaches the message based entirely on the Bible and testifies to the living God by showing signs, wonders, and powerful works that confirm his messages (Mark 16:20; Acts 2:22; Hebrews 2:4).

He also brings change and life to innumerable souls through his books, now distributed in 44 languages, *Manmin News* published in 25 languages, GCN TV aired in

approximately 170 countries, WCDN (World Christian Doctors Network) that proves God's power grounded on medical data, MIS (Manmin International Seminary), MMTC (Manmin Missionary Training Center), and Pastors' Seminars and Handkerchief Crusades held all over the world (Acts 19:11-12).

The reason that we could bear such great fruits is that God the Trinity Himself established Manmin, has guided us, and has blessed us with answers whenever we showed faith.

Manmin Central Church will never stop this march of faith to accomplish God's providence in the explosively powerful works of the Holy Spirit so that more than seven billion souls of the world will be able to have true faith.

Love Is Not Arrogant

“Love is patient, love is kind and is not jealous; love does not brag and is not arrogant.” (1 Corinthians 13:4)

Faith and hope are temporarily needed to reach Heaven, but love is eternal. That’s why, of faith, hope, and love; love is the greatest. Among the 15 characteristics of spiritual love presented in the 13th chapter of 1 Corinthians, the fifth one is ‘not arrogant.’ The Bible tells us that one of the evil attributes that God especially hates is arrogance.

1. The characteristics of an arrogant man

Here, ‘arrogance’ is not to regard others as more important than us but to ignore them and consider us better than them in every aspect.’ Arrogant people feel superior to others. They tend to look down on others and direct and instruct them all the time. They usually act arrogantly to people who seem less important than themselves, but sometimes they even ignore their superiors.

When you have a talk with these people, it often leads to speculations and quarrels. What’s worse is that they may burst out in anger, insisting they are right. And it then becomes a fight. Proverbs 13:10 reads, “Through insolence comes nothing but strife, but wisdom is with those who receive counsel.” 2 Timothy 2:23 says, “But refuse foolish and ignorant speculations, knowing that they produce quarrels.”

People have different consciences and knowledge because each individual has seen, heard, learned, and experienced different things. What the arrogant have learned, in fact, is fraught with errors. If the erroneous knowledge becomes hardened over a long period of time, it forms self-righteousness and self-frameworks.

Here, ‘self-righteousness’ is claiming you are right, which solidifies into a self-framework over time. Your personality or your knowledge can harden into such self-frameworks. It forms your ‘self.’ Because it is like a sturdy structure, it is hard to destroy a self-framework once it is established.

Let’s suppose one has a sense of inferiority. He sees a rich man adjust his tie. Then, he thinks the rich man is just showing off his clothing. Or when someone uses a difficult expression around him, he feels it was used in disregard for him.

An arrogant man doesn’t admit his mistake and he insists on his ideas, which usually leads to speculations. On the contrary, a humble man doesn’t make quarrels even if he is really right and others are wrong. Even if he personally has 100% assurance of his idea, he still feels that he might be wrong. This is because he doesn’t have any desire to dominate others.

If you have a humble heart, it means you have spiritual love that regards others as more important than you. You consider them better

Senior Pastor Dr. Jaerock Lee

than yourself from your heart though they may be poor, less educated, and weak. You are considerate of even little children. This is because you think that souls are all precious as God’s children who were saved by the price of Jesus’ blood.

2. Fleshly arrogance and spiritual arrogance

We can easily find outward arrogant actions like bragging or neglecting others in us. These attributes are ‘fleshly arrogance.’ Most of Christians try to get rid of them as soon as they accept Jesus Christ and come to know the truth. Spiritual arrogance, on the other hand, is not easy to find and to cast off.

Then, what is ‘spiritual arrogance’? If you have been a Christian for long, you may have a lot of knowledge of the Bible. You are given titles and duties and become a leader. In the meantime, some of you mistakenly think you have cultivated your heart with the Word of God though it just remains as knowledge. And you might think you just discern between right and wrong by the truth even though you are actually pointing out others’ faults and passing judgment and condemnation on them.

Some people ignore certain orders they should abide by for their own benefits. They evidently break the rule, but they think, “I am an exception because I am in this high position.” This kind of lofty heart is considered ‘spiritual arrogance.’ If you ignore the law and order of God with such a lofty heart, it can’t be true that you love God. If you pass judgment or condemnation, you can’t be said to have true love.

Everybody has this attribute of arrogance to some extent before he/she becomes sanctified. Thus, it’s really important for us to pull out its root. If you don’t pull it out completely through

the fire-like prayer, you get conceited without knowing it. It’s like a weed sprouts again even after we have cut it if we haven’t pulled its roots out. In other words, if we don’t pull out the sinful nature completely, pride comes to our hearts again throughout our Christian lives.

Therefore, we should always humble ourselves before the Lord like children, regard one another as important as ourselves, and unchangingly run until we achieve the best love that serves with our lives.

3. Arrogant men who trust themselves

Nebuchadnezzar, the king of the Babylonian Empire, opened up the golden era of the empire. In his time, the Hanging Gardens of Babylon that is one of the Seven Wonders of the Ancient World was constructed. He thought it was himself who built such a great kingdom and he was credited with all the contributions. He even made people worship him as a god. God finally let arrogant king recognize that God is the Ruler over the realm of mankind (Daniel 4:30-32).

The king ended up being driven away from his palace. He ate grass like cattle, and his hair had grown like eagles’ feathers for seven years. After this, his sanity was restored. He realized his arrogance and recognized God (Daniel 4:33-37).

Many unbelievers as well as king Nebuchadnezzar say they trust only themselves. But they run into many problems that can’t be resolved by human ability in their lives. Although science and medicine have been remarkably developed, there is no way to stop natural disasters like typhoons and earthquakes, or newly-discovered diseases.

What’s worse is that even some believers still rely on themselves or take the worldly measures. God wants to help them, but He can’t do so unless men humble themselves. Then, they can’t be protected by Him from the enemy devil and Satan and they can’t be guided to prosperous ways.

Dear brothers and sisters in Christ,

God says an arrogant man is foolish. All mankind is just mere creatures before God who is great. Even if you have a lot of things to boast of, the life on the earth is temporary and there will be the Judgment for sure.

We will be exalted more in Heaven to the extent that we humble ourselves in the presence of God and serve Him. This is because the Lord will exalt you as recorded in James 4:10, “Humble yourselves in the presence of the Lord, and He will exalt you.” Therefore, humble yourselves. I pray in the name of the Lord that by doing so you will be a great and precious man before God.

The Third Stage of Take-off: Since 2010

In the Rapid Spiritual Flow, Manmin Achieves God's Providence

In October, 1982, Manmin Central Church offered the Founding Service under the motto of "Arise, Shine." During the first stage of take-off, we of Manmin experienced continuous revival in the explosive power of the Holy Spirit just like the early church did. The *Christian World* magazine of the U.S. selected our church as one of the 'World Top 50 Churches' in 1993. Since then, we have dedicated ourselves to national evangelism and the world mission all the more.

In March, 2000, the work of creation took place: salty seawater in Muan, Korea was changed into sweet drinkable water. From then, the second stage of take-off started in full swing. Beginning with the 2000 Uganda Holy Gospel Crusade reported by CNN, we proclaimed God the Creator and Jesus Christ in many countries including Pakistan, India, and even Israel where it is hard to preach the gospel. By doing so, we have guided numerous souls to the way of salvation.

In January, 2010, God declared that 2010 was the beginning of the third stage of take-off and the year of blessing. He began, in earnest, leading us our church members to the way of true blessing that made our souls prosper. We had asked God's will and accumulated deeds of faith with prayer, offerings, and missionary works in the guidance of the Holy Spirit, and God allowed the rapid spiritual flow so that we could make proper vessels of faith for receiving answers according to the law of justice. But until the spiritual flow was given to us, Senior Pastor Dr. Jaerock Lee's sacrifice and devotion were required.

From August, 2010, a Mini Crusade was held after Sunday Evening Service. Dr. Lee urged our members to live sanctified lives as children of God who is Light though they are living in this sinful world. His earnest plea brought them to repentance. They determined to live only for the Lord and to come into spirit. With the College Mission's lead, the spiritual recovery campaign called "New Jerusalem Campaign" started.

We engraved the love of the Lord—who took the suffering on the cross on sinners' behalf—and made up our minds to become God's true children who never commit sins again. We came to fight against sins to the point of shedding blood, get rid of every form of evil, and diligently march towards the most beautiful place in Heaven, New Jerusalem.

In October, 2010, Estonia Miracle Healing Crusade was conducted, which attracted the greatest number of people in the Estonian Christian history. They accepted the Lord and gave glory to God with their healing testimonies. We also could see the antichrist had expanded its influence over the world as recorded in the Bible and feel keenly the necessity of the greater power to achieve God's providence in this end time.

In January, 2011, *In Victory*, the leading Christian Internet ministry for Russian-speaking people and *Christian Telegraph*, the Christian portal site for English-speaking people, selected Dr. Jaerock Lee as one of the 'Top 10 Most Influential Christian Leaders' for two years in a row and reported about him. God increased the power manifested in the church. From May, 2011, He blessed us to see various kinds of beautiful aurora lights that come out from the spiritual space, which make us feel God the Origin. (Ref: Ezekiel 1:27-28, Revelation 4:3). In June, 2011, the Special Divine Healing Meeting was held three times and many people recovered and improved eyesight and received healing. The works of power greatly unfolded.

In July, 2011, the Leadership Seminar helped our pastors and believers to learn the nine attributes that hinder them from standing on the rock of faith and run towards the level of spirit and whole spirit. By voluntarily offering a New Year's Service with our hearts, our church was recognized by God.

On January 1, 2012, during New Year's Service, God told us to make spiritual growth "quickly, more quickly, and even more quickly" so that we can achieve God's providence at this end time. God instructed Dr. Lee to pray on the mountain for a long time. It was His providence to make Manmin win the battle against the antichrist in this sin-filled world and lead more than seven billion souls in the world to the way of salvation and blessing.

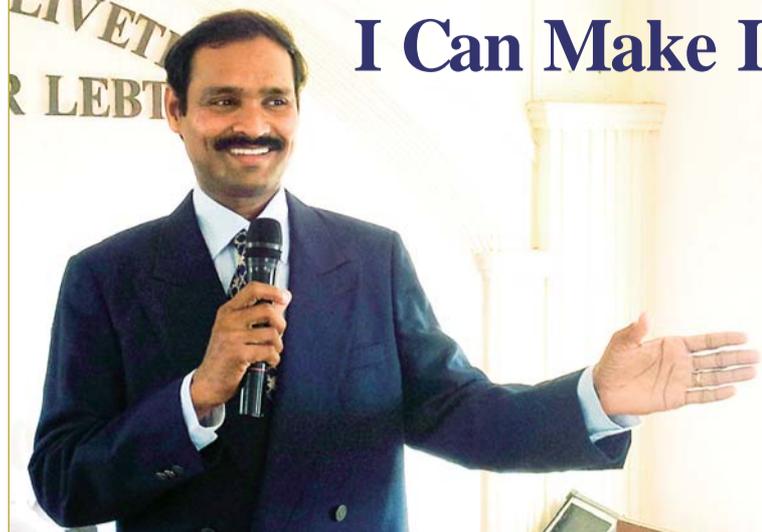

In July, 2012, God gave an explanation on the detailed stages of the level of spirit through the 2012 Leadership Seminar and let members have hope and confidence to achieve the heart of spirit and whole spirit. On the Church Opening Anniversary, God let Dr. Lee declare the new opening, the work of reversal, and the work of recreation. We have kept patient to accomplish God's providence at this end time, which became seeds to meet the justice, and eventually the patience made the launching pad to unfold the great work of God.

Manmin Central Church and Dr. Jaerock Lee will take after the Lord who performed the original power of God the Creator by using the spiritual realm without limitations that apply to the fleshly world. They will testify to God the Creator and Jesus Christ the Lord by the Holy Spirit's great and amazing power. We of Manmin will pray for and evangelize all people of all nations can go the way of true salvation and true blessing, become God's true children who love God more than anything, and enter the most beautiful dwelling place in Heaven, New Jerusalem, as the brides of the Lord.

1 Thessalonians 5:23 reads, "Now may the God of peace Himself sanctify you entirely; and may your spirit and soul and body be preserved complete, without blame at the coming of our Lord Jesus Christ." To gain true children who can share love with Him, God made the providence of human cultivation. Manmin will never stop its ministry until His providence is completely fulfilled, that is, until all people of all nations reach salvation and many of them resemble the Lord and enter New Jerusalem.

“Bible Training College that Teaches God’s True Will, I Can Make It”

Pastor Deveraj Immanuel
(Academic Dean of Maranatha Bible Training Institute & College, Chennai in India)

I was born into a Christian family and raised by a sincere Christian mother. From early childhood, I decided to devote myself to the Lord. My mother made a vow about it, but I also wanted to do it.

I was dedicated to the church ministry helping our church pastor and studied theology. I learned a lot of things by diligently attending Christian seminars and conferences.

In 1993, I opened a church. In 2003, I became an assistant pastor of Maranatha Full-gospel Church, and in 2007 I became a lecturer in Maranatha Bible Training Institute & College. God guided my way with care. While performing ministry as a lecturer on theology and a pastor, I had a thirst for God’s true will embedded in His Word. To me, God gave a definite answer and blessings.

After realizing the core of the gospel through Dr. Jaerock Lee

I can never forget Dr. Jaerock Lee’s 2002 India United Crusade conducted in Marina beach, India. The lecturers and students of Maranatha Bible Training Institute & College attended the crusade to do volunteer works. The crusade attracted a total of three million people, which was marked as a monumental moment in the Indian Christian history.

Countless people accepted Jesus Christ and experienced miracles through Dr. Jaerock Lee’s message and prayer. God’s powerful works that I witnessed there were truly amazing. Dr. Lee, who prayed earnestly for the people of India, deeply moved my heart. I, as a pastor like him, was impressed by his prayer. Afterwards, I started to work together with Manmin with great interest in its ministry. In the meantime, an unexpected opportunity was given.

In October, 2009, Pastor Joseph J. Han

of Chennai Manmin Church in India asked me to translate Dr. Lee’s book into the Tamil language. I received his autobiography *My Life My Faith Vol. 2*, which made me very happy. It was absolutely a great blessing to me. I came to understand God better while translating the book and the Word of God delivered by Dr. Lee caused my life to change. I was so blessed.

I came to have a new vision in Maranatha Bible Training Institute & College

I wanted to spread the gospel with emphasis on holiness in my college. In February and April, 2012, I organized the seminars with Pastor Joseph J. Han as a speaker. His lectures were the messages preached by Dr. Jaerock Lee such as ‘The Measure of Faith,’ ‘The Message of the Cross,’ and ‘The Keys to Church Growth.’ The messages gave the school faculty and students spiritual realization which was truly helpful.

With the seminar as beginning, ‘The Message of the Cross,’ ‘The Measure of Faith,’ ‘Prayer,’ and ‘Basis on Christian Life (Lectures on the Book of Leviticus and Ten Commandments)’ came to be included in the seminary curriculum officially from July, 2012. The lecturers and students expressed their thanks for letting them learn Dr. Lee’s spiritual messages and they wanted to learn more of his messages.

Currently, my school library is stocked with 24 English versions and two Tamil language versions of Dr. Lee’s books. The books have helped students realize spiritual meanings of God’s Word and, most of all, made them pray. I give all thanks and glory to God who has guided Maranatha Bible Training Institute & College to have a new vision and teach God’s true will.

“The Lord’s Loving Care Helped Me Give A Wonderful Performance”

Sister Minkyung Lee
(1-1 Canaan Mission, Marimba player of Nissi Orchestra)

“Could you make a guest appearance in a concert held in Moscow?”

In late May, 2012, I received the phone call and came to be overwhelmed with a fluttering heart because I would perform with other well-known professors. I heard that Galina, the vice director of Tchaikovsky College of Music, highly recommended me for an appearance. She had listened to my marimba playing in the ‘Invitation Concert of Promising Performers Who Will Honor Korea’ held in Moscow in 2011.

In June, 2012, it was decided that I would perform in an opening performance. I had around two months before the concert. I arranged ‘Arirang’ and a Russian folk song ‘Million Roses’ for a marimba playing.

A week before I departed, great pressure swept over me because I couldn’t focus on the practice due to my busy schedule. But Dr. Jaerock Lee appeared in my dream and encouraged me saying, “You’ve received strength, so you will do a great job.” I had only a week left, but I could then concentrate on practicing with happiness after the dream.

I arrived at Moscow four days before the concert. Galina allowed for me to personally take lessons from a lecturer of marimba three hours a day.

On August 23, 2012, it was the day of the concert. In the early morning, I breathed so fast that I couldn’t breathe properly all of a sudden and I felt dizzy. The cold sweat broke out all over me. I received Dr. Lee’s prayer for the sick saved on my MP3 player and drank Muan Sweet Water (Exodus 15:25). At the moment, my body got hot and I felt something go down in me. Then, the symptoms of dizziness and vomiting were gone. I gave prayer of thanksgiving to the Lord for His loving care.

Finally, the concert started. I played with the handkerchief of power on which Dr. Lee had prayed (Acts 19:11-12) in my clothing. There were numerous people in the audience who were watching me. The melody of ‘Arirang’ resounded in the concert hall. ‘Million Roses’ with joyful rhythm followed. Joy came out from my heart while playing note by note.

I received loud applause and went down from the stage. The lecturer who taught me kept shouting “Very good!” He praised me saying I performed boldly, knew how to play the songs, and continued to smile with wonderful stage manner. I give thanks to the Lord who opened the way to having such a great experience and guided me with care. I also extend my thanks to Dr. Jaerock Lee who prayed for me.
