## GCN TV, Which Lets Your Soul Prosper!

Christian TV for Viewers in Over 170 Countries

On the day when GCN TV opened, a brilliant cross appeared in the sky over the Empire State Building where GCN's transmitters are housed.

At present, people live in the ultra high-speed multimedia age with satellites, cable broadcasters, public networks, IP TV, and mobile broadcasting via smart phones. The media is so varied and the number of programs is constantly increasing, so it's not easy for viewers to find and choose a program that is high-quality and instructive.

A producer brings to people salvation, divine healing, transformation, and works of blessing in the allotted broadcast time period. As a Christian channel it is GCN TV that spreads God's love and power. GCN TV (Board Chairman: Dr. Jaerock Lee, Website: [www.gcntv.org](http://www.gcntv.org)) is the Christian broadcasting network that was established only for the glory of God the Trinity and to spread the gospel to all people of all nations.

GCN TV sheds the light of the truth on those in the world who are suffering from diseases and many other kinds of problems. Also, it proclaims countless powerful works that confirm the living God and Jesus Christ our Savior.

GCN provides viewing audiences with a wide variety of diverse programs: Dr. Jaerock Lee's 'Word of Life' and the documentaries that attest to the authenticity of the Bible through vivid testimonies of viewers such as 'The Secret of Power' and 'Original Voice'. There is also Pastor Soojin Lee's GCN TV Sermon Series 'I Will Do It', and 'Praise & Worship' that show heavenly beauty through high-quality cultural arts performances.

Moreover, GCN TV is equipped with a multi-lingual translation system that broadcasts in Korean,

English, Spanish, Russian, French, and Urdu languages. Multiple language live-broadcasting enables viewers in other countries to watch the programs without any problem in understanding.

The best of its best programs is Dr. Jaerock Lee's 'Word of Life'. His main sermons such as 'The Message of the Cross', 'The Measure of Faith', 'Heaven', 'Hell', 'Nine Fruits of the Spirit', and 'The Love Chapter' have been produced and aired world-wide.

In preparation for digital television transition that was implemented on January 1, 2013, GCN TV had started to produce sermon programs with HD (high-definition) technology. Its HD programs have been well-reviewed by viewers, and through Dr. Lee's sermons, in particular, and the 'Prayer for the Sick' that is broadcast three times a day, many people have

accepted Jesus Christ, converted to Christianity, and experienced God's power transcending space and time.

Furthermore, viewers can join all kinds of Manmin Central Church's services and Daniel Prayer Meeting in real time, and its various programs are accessible via mobile web service. It is available 24 hours daily for smart phone users at [m.gcntv.org](http://m.gcntv.org).

GCN TV has also built the cooperative ties with the world distinguished broadcasters such as NRB Network, Enlace, Rodnoy TBN, and CNL. Additionally, through public TV stations, satellites, and cable TVs, its programming has been aired in approximately 170 countries. So, people can watch it anytime anywhere. We hope that many people will watch it with longing for God's answers and blessing in the New Year, 2013.

# Whole Spirit

“Let us draw near with a sincere heart in full assurance of faith, having our hearts sprinkled clean from an evil conscience and our bodies washed with pure water” (Hebrews 10:22).

The heart of whole spirit is the true heart that resembles that of Father God. The man of whole spirit is God the Father’s finest work that He acquires through human cultivation. The final goal of human cultivation that God the Father had planned, even before the ages, was to get ‘true children.’

God says, “May your spirit and soul and body be preserved complete!” in 1 Thessalonians 5:23, “Be diligent to be found by Him in peace, spotless and blameless” in 2 Peter 3:14, and “Be holy yourselves in all your behavior” in 1 Peter 1:15. In many parts of the Bible, there are earnest messages of God the Father who desires true children. Then, to achieve ‘Whole Spirit’, which is accomplishing the ultimate form of a sincere heart in full assurance of faith, what should we do?

## 1. We should be able to obey, saying only ‘Yes’ and ‘Amen’, no matter the will of God

2 Corinthians 1:19 says, “For the Son of God, Christ Jesus, who was preached among you by us... was not yes and no, but is yes in Him.” As said, even the Lord said only ‘Yes’ to the Word of God the Father. He completely understood the will of God, and in obedience He accomplished God’s providences.

In addition, you can find that the people of faith followed only the orders of God and did it with “Yes” and “Amen”. What was the situation like when the prophet Moses stretched out his staff toward the Red Sea? It was a time of nervous confusion; the Red Sea was blocking in front, and Egyptian soldiers were chasing them from behind. Then, the Israelites cried out in anger and resentment against Moses and Aaron. If you were put into the same situation as this, could you show your faith and obey just as Moses did?

So many chances are still given to people who fail to obey even the simplest of tasks when they are actually put into the reality of the situation. As they are caught up in their own knowledge and thought, which is in fleshly thought, they cannot depend on God. For example, I’ve told you to read at least one chapter of the Bible and memorize one Bible verse a day. You can check yourself by seeing if you obeyed it.

By the way, there is a common thing that is shared by those who entered spirit in a short period of time. They immediately showed only obedience to the Word of God. When God said, “Cast it off,” they quickly made up their mind and cast it off. When God said, “Keep it,” they kept and did the will of God without compromise.

Of course, all of you wish to obey. But why is it that you can’t do it well? The fleshly thought is interfering and keeping you from obeying the Word of God as recorded in Romans 8:7. Joshua commanded the Israelites, “Step into the Jordan River, and it will stop flowing,” and “Walk around the city of Jericho, and it will collapse.” What would have happened if they had not believed and had not followed his word? Just like the 1st generation of the Exodus, they could not have entered the land of Canaan; instead they would have wandered in the wilderness, and died miserably there.

As I said, the fleshly thought becomes a great obstacle as you go into spirit and whole spirit. It also becomes a

Senior Pastor Dr. Jaerock Lee

great stumbling block from accomplishing the kingdom of God and His righteousness. Therefore, you should never doubt the Word of God as a result of fleshly thought. And so, you must demolish the fleshly thought.

Only then, without the fleshly thought, will you be able to focus only on God the Father and obey Him whenever the Words from God are spoken. The evidence that you believe in God the Father is your obedience to the Word of God. Likewise, to obey the word of the shepherd is the evidence that you love, believe, and trust the shepherd. Eventually this trust and love will become the great base that backs you up for your accomplishing spirit and whole spirit. Following and practicing the word because of your trust, you will eventually accomplish perfect obedience. When you have this trust and this love in your heart, God will lead you into the ‘sincere heart in full assurance of faith’ as written in Hebrews 10:22.

There is one thing that you should spiritually understand. That is, only those who possess this true faith can surely see the ‘assurance of things hoped for,’ and have the ‘conviction of things not seen.’ (Hebrews 11:1)

The huge and amazing things that God the Father has planned are certainly waiting for you and me. Until you face them directly, you may have to show your faith to God the Father that goes beyond the limits of this world—as if you were stepping into the Jordan River!

Each of you will be given the tests of faith until you come into spirit and whole spirit. You must not sway to the right or to the left, but stand more firmly on the faith. I hope that all of you will believe in your heart the power of God and have only the spiritual thought to become the spiritual warriors of the sincere heart in full assurance of faith.

## 2. You must completely achieve the heart of the Lord who is Himself ‘goodness, love, and truth’

Our Lord said in Matthew 5:48, “Therefore you are to be perfect, as your heavenly Father is perfect.” As said, you should fully fill your heart with goodness, love, and truth to bear the fruit of whole spirit. Once you cast off every form of evil and become a man of spirit, the most important thing in achieving whole spirit is ‘how much

goodness, love, and truth you have filled your heart with.’

For example, even if you cast off all the attributes of untruth, called ‘hatred,’ as long as you don’t completely fill your heart with the attribute of truth, that is ‘love,’ you can’t touch others’ hearts. As you see the Lord Jesus, He is full of perfect goodness, love, and truth. Among all the people around Him, Jesus sowed in peace and reaped the fruit of righteousness. He believed and endured others till the end, and He understood and embraced them even when they had many faults.

In future, countless souls will come to us and fill the Canaan Sanctuary and the Grand Sanctuary. At first, every week a great number of people will come, and many of them will be registering in this church regularly. If you do the work of God the Father with the heart of the Lord, what a beautiful and amazing church you will be able to make!

Love, as explained in 1 Corinthians chapter 13, is fully achieved by the people of whole spirit. Let’s suppose they express love to others. They don’t just stop at not being jealous, but humbleness and service naturally follow. As you reach the level of whole spirit, you can be at peace with all men and accomplish the work of God the Father together with them.

The providence for the end time that God gave to this church cannot be accomplished by an individual or by just a few people of whole spirit. All of you should help me, and take care of the souls who will rush into this church, and guide them to Heaven. You have your own role of planting faith, hope, and love in the souls around you. As your heart of spirit is filled 100%, you can accomplish the works of God the Father together.

Dear brothers and sisters. Those who enjoy climbing high mountains climb to the top of a mountain with all their strength. It is because the pleasure and the sense of accomplishment of standing on its peak give them indescribable satisfaction. To accomplish whole spirit is very similar to this mountain-climbing.

Before, New Jerusalem looked like the summit of a high mountain. But now, all of you are looking up at the top, at New Jerusalem, and you are running toward it all the more strongly and quickly. At the top, you will see how high the mountain you climb is and how deep its forests are.

Likewise, if you accomplish whole spirit and stand on its very peak, you can understand the depth and height of God the Father’s love all the better. As you come closer to whole spirit step by step, you will feel and understand His heart. Whenever it happens, your heart will be filled with ecstasy. If you step into the level of whole spirit, in your heart you can feel even the depth of God. You will encounter amazing things that can help you deeply experience the vast realm of spirit. The blessing that you will receive on the earth will overflow. The reward and glory in Heaven will superbly shine, and you will be filled with the ultimate happiness and joy.

May you quickly come into whole spirit and actively manifest countless works and power of God as much as you please, in the name of the Lord, Jesus Christ, I pray!

# Strengthening the Spiritual Foundation

For a person who has just made the first step as a Christian, a piece of advice from other Christians is of great help. A new book that will be your guidance in your Christian life has been published. It is Dr. Jaerock Lee's *Fundamentals of Christianity*. It is multi-colored and as small as a handbook. The book helps us learn about the fundamental things Christians should know and practice. It is full of spiritual key knowledge for Christians. In the book are the difference between the meanings of 'Jesus' and the 'Christ'; the difference between faith with which we will be saved and the faith with which we have been saved; how to offer up God-pleasing prayer; keys to blessings; and the definition of heresy grounded on the Bible. Above all, this book deals with knowledge necessary for a person who has accepted Jesus Christ to grow up as a mature Christian. It is of great benefit also to those who want to strengthen basics of their Christian life.

## CONTENTS

### Part 1 Difference between the Name of 'Jesus' and 'Christ'

Jesus, who is one with God the Origin, came to the earth to save mankind who became sinners due to the sin of the first man, Adam. After performing His three-year public ministry, Jesus was crucified to redeem mankind from sins and became the Savior by overcoming death

and being resurrected. This book lets you know and understand how Jesus, who is the Son of God, became the Christ. It explains why Jesus is our only Savior and also explains what the difference between the meaning of the names, 'Jesus' and 'Christ'.

- Mystery of the Origin
- Jesus, Coming to the Earth as the Savior
- Crucifixion, Resurrection, and Ascension of Jesus
- Supplement Why should we pray in the name of Jesus Christ?

### Part 2 The Faith with which We'll Be Saved and the Faith that We've Been Saved

Although we attend church, if we haven't received the Holy Spirit, we can't have full assurance of salvation. The Holy Spirit comes into our hearts when we accept Jesus Christ and repent of our sins. Only when we receive the Spirit can we destroy old habits and live by the Word of God. This book presents the way to

receiving the Holy Spirit as a sign of salvation; the process of reaching perfect salvation; and the standard that discerns between the faith with which 'we will be saved' and the faith with which 'we have been saved.'

- The Holy Spirit, the Sign of Salvation
- The Faith to Be Saved
- The Faith by which We've Been Saved
- Salvation, through Being Born Again of Water and the Spirit
- Supplement What are the proofs that show that we've received the Spirit?

### Part 3 Keys to Praying

The Bible tells us, "For it is sanctified by means of the word of God and prayer" (1 Timothy 4:5). We've been leading our Christian lives to be born again as a holy child of God and reach salvation. Only when we both pray and arm ourselves with the Word of God can we lead a balanced Christian life. God's children can gain

spiritual strength and with the spiritual strength they can pray habitually. They can overcome the world and receive answers and blessings. This book shows you the way to communicate with God in prayer, the prayer that God accepts, and the right order of prayer.

- The Lord's Prayer
- Jesus, the Best Model of Prayer
- Right Order of Prayer
- Pray Always and Do Not Lose Heart
- Supplement Why can't we receive answers to our prayers?

### Part 4 Keys to Blessings

Jesus came to the earth as our Savior. He lived a poor life to redeem us from poverty. So, anyone who has accepted Him and dwells in His Word can enjoy prosperous lives as written in 2 Corinthians 8:9. We can gain true blessing when we cast off sins and practice God's commands

with joy and thanks. The fundamental commandments are 'to keep the whole Sabbath' and 'to give whole tithe'. Through them, we can enjoy good health and curb unnecessary spending and enjoy blessings day by day.

- Casting Away Sin and Evil and Loving God
- Keeping the Commandments
- Whole Sabbath
- Whole Tithe and Offerings
- Supplement God's Standard to Receive Blessings

### Part 5 The Definition of Heresy

Some people have a false sense of what heresy really is. They don't use the standard of the term that is written in the Bible, but instead they condemn other churches as heretic due to small differences in creed. At present, we have to establish the definition of heresy based on

the Bible. By suggesting the clear definition of heresy grounded in the Bible, this part of *Fundamentals of Christianity* helps keep you from judging or condemning the works of the Spirit. It will also help you discern spirit correctly.

- Heresy, Denying Jesus is the Christ
- Characteristics of Heresy
- The Spirit of the Antichrist
- Sins Leading to Death
- Supplement Early Church, the Ideal Model of Churches

In 2013, the year of blessing, we hope you will check your march of faith to see if you are running towards a goal with a new heart and practice the things that are fundamental for Christians. Through the book *Fundamentals of Christianity*, we wish for you to strengthen your basics of faith and grow up in faith greatly.

# “My Life Is Full of Blessing”

## Conceiving a Baby after 13-year Marriage and Receiving Prime Minister Award

**Elder Gwankyu Lee**

(Chuncheon Manmin Church, Assistant Professor of Landscape Architecture Department, Gangwon University)

Before coming to church, I was once very opinionated and I didn't believe the works of God without scientific evidences. But in June 2007, I registered in Chuncheon Manmin Church and came to believe that God is alive and I came to believe in Jesus Christ. By doing so, I became a blessed person. It is all because of God's grace and love.

After demolishing my ego as a scholar by the power of God...

Senior Pastor Dr. Jaerock Lee's sermons address the essence of Christianity. It was not that He told us to just believe with no evidence. He showed positive proofs of the living God and has led us to Heaven. I felt like I could touch Heaven and I was overjoyed coming to knowledge of the spiritual world. Moreover, an amazing incident happened to me, which destroyed my thoughts with the power of God.

We call a phenomenon that can't be proved through science a 'miracle'. Such miracles occurred before my eyes every week and they happened even to me myself. I couldn't help but to believe.

In May, 2008, I was healed of a 17-year-old chronic allergic rhinitis by the prayer of Senior Pastor Dr. Jaerock Lee. Deaconess Suhee Lim, my wife, hasn't been sick since she attended Manmin. In June, 2008, we received Dr. Lee's prayer for blessing of conception. In April, 2009, my son named Seongkyul was born. It was a present of blessing given to us after a childless 13 years of marriage.

In addition, my wife and I attended many meetings where we were able to receive grace and received a lot of spiritual blessing. Our life was full of happiness because we had assurance of salvation and we could resemble the Lord with hope for New Jerusalem thanks to our true shepherd.

Blessings overflowed in my life

Elder Gwankyu Lee and his family

when I worked faithfully according to the Word of God

I often prayed, 'Father God! I want to give glory to You always. Let me extend Your kingdom.' I also wanted to help our church move to a bigger sanctuary by receiving blessings.

In March, 2007, I was appointed an assistant professor of Department of Landscape Architecture in Gangwon University. I thought leading an exemplary life in the school is the shortcut to guiding others to the Lord. So, I tried hard to live by the Word of God and managed my life in a bright and positive way. I also prayed fervently and armed myself with the Word. I worked faithfully as a president of Men's Mission and Head of Finance Department of Chuncheon Manmin Church (Pastor Donghun Kim). As a result, I received many blessings and helped the relocation of my church with finances and working with the landscaping project.

We Chuncheon Manmin Church members sometimes had a great time with Senior Pastor Dr. Lee, which made me grow up well in spirit.

By the grace of God, I could show outstanding performance in my workplace. Until now, I have conducted around 120 research projects, the 40 articles that I wrote

have been published, and gave 123 conference presentations. I also made contributions to a national policy by distributing the Guideline for Low Carbon Green City, Green Street, Ecological Restoration, Wetland Restoration, and a Wildlife Reserve. In 2012, I published the Guideline of Green-house Gas Environmental Effects Evaluation after a two-year research with my brother Deacon Junghwan Lee and spread it nationwide. It was said that the Guideline is worth approximately 256 million dollars. Thanks to this project, my brother has received a doctoral degree in Landscape Architecture not long ago.

In May, 2012, I also received the Prime Minister's Award in the Event on the Day of Bio-diversity sponsored by the government. It was because I was recognized for contribution to enhancement of the national competitiveness and reformation by preserving biological resources. In general, it is demanding to conduct even two or three projects a year. People around me said it was miracle for me to conduct so many national research projects successfully.

It is all because of God's grace and Dr. Lee who has harbored me and prayed for me.

After passing precious trials, I was blessed to prosper in spirit

In such a blessing, God blessed my soul to prosper. Through a trial of blessing, I had an opportunity to check myself thoroughly. In March, 2012, my student who had graduated from school misunderstood me and filed a civil complaint about me. An inspection was performed and the truth was distorted because inspectors were biased in favor of the student's remark. In the end, I was dismissed from the post of a professor on August 2, 2012. Many people including President of my university helped me but it wasn't easy.

But I trusted God and just gave thanks to Him. And I pondered why this kind of incident had occurred to me. I realized that I hadn't embraced other people due to my strong self-righteousness. I had thought I ran my research office walking on the right path just as Dr. Lee taught me. But I had strong self-righteousness in the process. I realized how wrong such a thing is.

Meantime, Dr. Jaerock Lee appeared in my dream and said, "Endure it well because it happened so that you can cultivate your heart." And he continued to teach me what 'to walk the right path' really means in detail. At that time, I put deep in my heart how important it is to lead a life that is spotless and blameless in the sight of God even if something is deemed a social conventional code.

In August, 2012, I filed an objection with the Teachers' Appeals Committee under the Ministry of Education. The results revealed that I had no intentionality and there was just misunderstanding. Finally, on December 11, 2012, I heard from my lawyer that I would be reinstated. Hallelujah!

I give thanks to the school faculty who helped me. I extend all thanks and glory to God the Trinity who was with me with amazing love.
