“I became assured of the almighty God and the Lord’s second coming!”

More than 500 pastors and believers from 22 countries join in the Manmin Summer Retreat

Signs and wonders overflowed in 2013 Manmin Summer Retreat. The pastors and church members from overseas came to have a higher level of faith by experiencing the power of the Spirit and made precious memories of the love shared with the members in Korea. **Day 2**, 2013 Manmin Field Day (6) **Day 3**, Camp Fire Worship Event in Jumping Park in Deogyusan Resort in Muju, Jeonbuk Province (1-5) **Day 4**, Muan Sweet Water Site (7)

With its approximately 1,000 branch and associative churches, Manmin Central Church has endeavored to bear witness to the Lord all around the world. The church members in overseas countries desire to have firsthand experience of the works of healing and answers by meeting Senior Pastor Dr. Jaerock Lee who manifests signs, wonders, and powerful works.

The 2013 Manmin Summer Retreat was conducted with Dr. Lee seven years after he had preached in the 2006 Summer Retreat. Approximately 500 pastors and church members came all the way from 22 countries to participate. They attended the opening day Seminar and joined the Field Day and the final day’s Camp Fire Worship & Praise at the Deogyusan Resort in Muju, Jeonbuk Province from August 5 to 7. On August 8, they paid a visit to the Muan Sweet Water Site, where the salty saline sea water had been changed into sweet drinkable water (Ref: Exodus 15:25) and dipped themselves in a pool of the water.

The Seminar featured Dr. Lee’s sermon on “Whole Spirit” from Hebrews 10:22 (Read Page 2) and it was simultaneously interpreted into eight languages: English, Chinese, Russian, Japanese, French, German, Spanish, and Mongolian. They came to understand the love and providence of God towards Manmin members who have come forth as the fruit of the shepherd’s tears.

Many attendees grew up in faith and especially so when they saw an amazing wonder, that is, heavy rain stopping by Dr. Lee’s prayer before he delivered the message in the Seminar (more on Page 3). Mr. Gulbahar Shindler from Switzerland stated, “I came

with my family expecting to see special signs and wonders since this retreat was to be held with Dr. Lee. I did witness an amazing wonder of the stopping of the rain that was pouring from the first day.”

In addition, many people were healed of their diseases through Dr. Lee’s prayer offered for the sick after his message. Pastor Robinson Victor Selvan from India said, “I was completely healed of knee pain caused by uric acid after receiving Dr. Lee’s prayer.”

The following day the foreign guests and members belonging to the Branch Churches’ Team joined the 2013 Manmin Field Day, which was made up of branch church members from inside and outside of Korea. The team even won the overall championship in the event. They also offered up God-pleasing aroma of praise in the Camp Fire Worship & Praise and received answers to their prayers on the last day.

Sister Esther Liu from Singapore Manmin Church said, “I had had pain because the blood vessel of the heart often got blocked due to diabetes, but the pain was gone after Dr. Lee’s prayer for the sick. Assurance that I had been healed came to my heart so I praised God jumping and dancing during Camp Fire Event.”

Pastors from foreign countries had time with Pastor Heejin Lee after the Field Day Event and they joyfully said that they came to believe all things are possible with faith. Pastor Heesun Lee (Manmin World Guidance Pastor) preached for them, too. They stated that in the seminar they engraved on their hearts once again the profound love of the shepherd who is leading them to New Jerusalem in Heaven.

“Dr. Jaerock Lee’s Campfire Worship & Praise was so amazing!”

Sister Anastasia Kolessova
(Fountain of the Truth Church, Estonia)

“From the first day of 2013 Manmin Summer Retreat, God showed us an amazing work. By the time Dr. Lee started his message, it was pouring rain. Then, he prayed to God. After a short while, the thick black clouds were cleared away and it stopped raining. The bright night sky and stars came to my eyes. I was feeling amazement seeing the almightiness of God.

The Manmin Field Day was also awesome. Even pastors and believers from branch churches in and out of Korea were united as one on a team that competed with the three teams of the central church. It was good to see them doing everything in obedience with one heart to glorify God.

The Campfire Worship & Praise which Dr. Lee led was amazing of itself. His praise and words were all filled with deep love and strong desire to lead us to New Jerusalem the most beautiful place in Heaven.

I give all thanks and glory to God the Father and the Lord of love who gave great grace and happiness in 2013 Manmin Summer Retreat.”

Whole Spirit

“Let us draw near with a sincere heart in full assurance of faith, having our hearts sprinkled clean from an evil conscience and our bodies washed with pure water” (Hebrews 10:22).

The 2013 Manmin summer retreat was carried out like a practical extension of the 2013 Leadership Conference that had been held under the theme of “Whole Spirit” from July 1 to 3 in 2013. The first proof of whole spirit is becoming one with God the Father. It is about how much we have become united as one with God in hearts and will and how well we have understood His heart and followed what His heart wants. The second one is the goodness of God. It is not goodness that is considered good by men, but it is goodness in God’s point of view. The third and last evidence of whole spirit is faithfulness, that is, spiritual faithfulness. It does not refer to working faithfully in one’s own will or way but to faithfulness God wants.

By reflecting upon ourselves in the three proofs that people of whole spirit show, we can measure several aspects of our faith: whether we have come closer to whole spirit; how much more deeply we have entered into spirit; if we have come closer to spirit; and how closely we have come to the level of standing on the rock of faith. So, let’s look into what God wants us to do for achieving the heart of whole spirit.

Firstly, God wants us to remember the grace that has been given through the shepherd

What I had to do was to give another opportunity of life to those who could receive no more opportunities in light of justice. I just did things I had to do as the shepherd, but indeed they were not the things that anybody can do. They could not have been done by anybody else but me. It required the prayer of a righteous man just as that of Abraham’s petition caused Lot and his daughters to be saved from the judgment that came upon Sodom as a result of it (James 5:16).

But the qualification as a righteous man was not enough according to justice, so it needed love going beyond justice. In other words, I had to do it with offering my life as security. It was not done at once but I had to overcome pains like death almost every day for the last several years. My heart was scarred with innumerable deep wounds seeing souls going the way of death. Such wounds and pains were revealed in my body physically, so I had to suffer from extreme cramping. I lost all strength and energy and was inflicted by stomach disorders and other pains. But I still paid the price of justice again and again.

So, how could I feel easy and have a rest for a day, for an hour, and even for a minute? I had to harbor so many souls all the time because they were like children who play around deep water. I needed to care for and encourage them. This is because I cannot feel relieved before they stand on the rock of faith and enter spirit.

In the meantime, I had to receive spiritual training to issue forth the original voice completely. It is for countless souls who will come to me, for achieving

Senior Pastor Dr. Jaerock Lee

God’s providence impeccably, and above all for changing and leading every one of my flock to New Jerusalem the best dwelling place in Heaven (Revelation chapter 21 and 22).

For me, all of you are the flock as precious as my life and I have to lead you to New Jerusalem. I paid the price of justice not just for those who were going to death. But also I always harbor all of you even though you are newcomers or beginners in faith, even if I do not personally touch or have contact with you.

I have stayed alone in the mountain prayer house, had spiritual training, and paid the price of justice, which is for all of you. Through this, the grace and benefits are given to you. But all of this turns into more complete blessing for those who realize that through the shepherd’s sacrifice and love they could receive all the grace and benefits and who feel thankful for this from the bottom of their hearts.

Secondly, God wants us to understand His providence of making the power of the shepherd widely known

The power of God manifested through Moses during Exodus was tremendously awesome. The news was spread far and wide so even the Gentile peoples trembled out of fear. The Israelites kept achieving victory after victory because God was with them while they were conquering the land of Canaan with Joshua, the successor to Moses. Aside from the examples of Moses and Joshua, we can see God’s works accompany men of God as the evidence that God is with them. The typical type of God’s work is manifestation of the power of God (Psalm 62:11).

Even kings and persons in power lowered their heads before God’s chosen people in the manifestations of God’s power. The Gentile people trembled with fear and they did not dare attack them. God wants to show such works even today. He wants us to make His existence and almightiness be widely known. He wants to let people know that the Bible is authentic, the Judgment will be surely

held, and Heaven and Hell surely do exist.

Thus, God has prepared a vessel that can spread the power of God to the whole earth at this end time. That is, God planned to achieve His providence through Manmin. Manmin summer retreat especially has been always full of God’s power and God-given happiness and emotion. Moving stars, appearing and disappearing of clouds, circular rainbows, extraordinary rainbows, and dragonflies! Those are all God’s astoundingly powerful works that anybody who participates in Manmin summer retreat has experienced without exception. This news has been spread to the whole earth and now Manmin summer retreat becomes an international event.

It is just the start. After the financial blessing has come, we will publicize Manmin as much as we want. Then, our Manmin summer retreat will be a global festivity in which the whole world will pay intense interest. Through this, countless non-Christians will recognize the living God and return to the Lord’s arms. Manmin summer retreat has no equal in any grand sports event or other international event. It is the festival of power that is held before the LORD our God.

Thirdly, God wants to receive the fragrance of you who have come forth as the fruit of the shepherd’s tears

Even before this summer retreat, God allowed some tests for you so that you could check your hearts. I urge you to take the time to look back on your lives for the past several years. Now compare it with your current lives. You are now dwelling in the Light after being set free from sin and evil and escaping from darkness. You have been given hope for New Jerusalem in Heaven. You now can feel the grace and love of the shepherd deeply and you are now moving forward unceasingly to achieve true heart and perfect faith.

God desires His children to achieve pure hearts and praise, worship, and glorify Him with good, beautiful, and heartfelt fragrance. Only then does God rejoice truly and give them His glory and reveal His glory in them.

Thicker and more beautiful fragrance of the heart will be offered up to God to the extent that we accomplish the heart of spirit. Faithfulness which you give united with God and with the heart full of goodness will go up as the thick fragrance that touches God’s heart. After all the process of human cultivation, He will allow His children who give out such fragrance to dwell in New Jerusalem and stay there forever and ever.

Dear brothers and sisters in Christ, God has given us grace, happiness, opportunities, and blessings that we cannot find anywhere. However, it is you who make these things yours even though God pours such evidences of God’s love upon you. I pray in the name of the Lord that you will receive the God-given grace and strength and play a key role in Manmin going forth out to the world.

God's love for souls 2013 Manmin Summer Retreat

Day 1, Seminar—torrential downpours stopped and many different kinds of diseases were cured!

During the first week of August in 2013, the heat wave reached a peak and torrential downpours struck nationwide in South Korea. Regardless of the weather, Manmin Church had its Summer Retreat at Deogyusan Resort in Muju, Jeonbuk Province. The Seminar was being prepared with the members' preliminary praises at 7 P.M. on August 5, which was the first day of the Retreat. The sky was dark with black clouds. A few drops of rain started to fall when the presider introduced the speaker after the special performances. Soon it was pouring heavily.

Speaker Dr. Jaerock Lee did not move at all in the rain and listened to the introduction until the end. The church members also remained calm without moving. They had witnessed and experienced the work that stopped rain since the opening of the church. Then, before going on to the message, Dr. Lee boldly prayed to God for it to stop raining on the members.

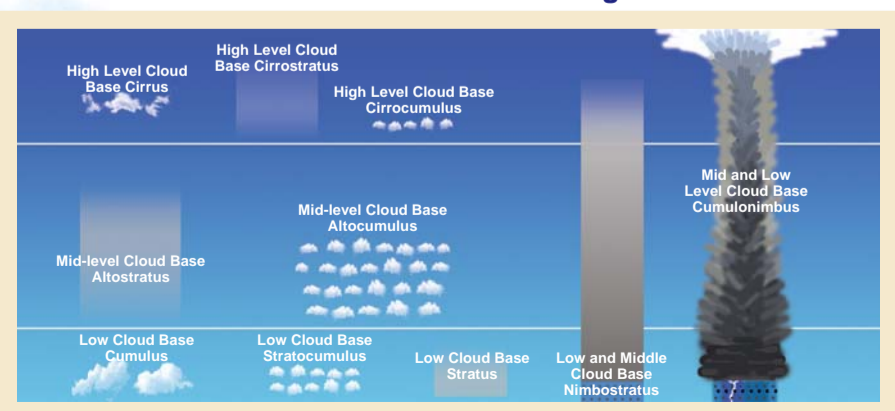

"Rain, stop! Let rain clouds scatter. Let sky and stars be made visible." Then, he started delivering the message. A short time later the rain clouds were scattered and it stopped raining, and the sky and stars came to be visible. God even allowed cool wind when it rained, which caused the temperature that was above 25 Celsius to drop to 23 Celsius and the wind dried the members' wet clothes quickly. Hallelujah!

The Bible records amazing signs and wonders but there is nothing like the work of stopping rain recorded in the Bible. The cumulonimbus clouds that produce the showery rainfall are dense towering vertical clouds (See the pictures below). It is actually impossible to scatter such thick clouds and make rain stop. It is the work that only God the Creator can do.

After the seminar, Dr. Lee prayed for the sick and a large number of people experienced the works of healing and answers. The blind came to see, the deaf to hear, and the lame to walk and jump while throwing away crutches and discarding wheelchairs. Even the powerful work caused a GCN TV viewer (www.gcntv.org) to be healed while watching the live-broadcasting of the Seminar (See the testimonies on Page 4).

Day 2, Manmin Field Day—Manmin's festivity in a sense of unity and cool wind

Day 3, Camp Fire Worship & Praise—answers and blessings were brought down in God-pleasing praises

“Truly, truly, I say to you, he who believes in Me, the works that I do, he will do also; and greater works than these he will do; because I go to the Father” (John 14:12).

All thanks and glory be to the living God!

In 2013 Manmin Summer Retreat, countless powerful works unfolded by Dr. Jaerock Lee's prayer. Here are a few of the testimonies.

“My deaf daughter came to hear!”

Deaconess Ginger Hazel Brand (Penang Deaf-Mute Manmin Church, Malaysia)

My husband and I are hearing-impaired. I have been leading my believing life in Penang Deaf-Mute Manmin Church in Malaysia and attending Manmin Central Church's services through the Nefsis conferencing system. I came to possess true faith by listening to the Word of God delivered by Dr. Jaerock Lee and I am currently leading a life with hope for Heaven.

The four tests taken by a hospital in April, 2013 revealed that my 12-month-old daughter was also

deaf and mute. However, I had faith that she would be healed after receiving Dr. Lee's prayer. So, I decided to take part in Manmin Summer Retreat. One night, I was attending the Daniel Prayer Meeting that is held every night. I received Dr. Lee's recorded 'end of the day' prayer. That night Pastor Junghoon Ji, who is ministering to Penang Manmin Church, laid the handkerchief of power on my daughter (ref: Acts 19:11-12). Afterwards, my daughter often picked at her ears.

I prepared myself for Manmin Summer Retreat with a longing heart. I booked air tickets to Korea during the off-season even though my financial situation was not good. I prayed in Daniel Prayer Meeting and asked God to heal my daughter.

I finally arrived in South Korea on July 29, 2013. I went to Manmin Central Church to attend Daniel Prayer Meeting. At that time my daughter, who usually is very calm, shouted uncharacteristically. She was looking around and fidgeted a lot. She even expressed herself with her fingers after receiving Dr. Lee's prayer on August 2 in 2013.

A miraculous work took place on August 5 in 2013. It happened after Dr. Lee preached and prayed for the sick on the first day. My daughter nodded when others asked my daughter something. She even looked back when someone called her, “Skyla!” I was so excited such that tears were streaming down my face and I testified to her healing on the stage. I praise the almightiness of the good God. Hallelujah!

“My right eye recovered its vision”

Brother Jungseok Park (1st Chinese Parish, South Korea)

In 2011, I had vitreous hemorrhage which is the extravasation, or leakage, of blood into the areas in and around the vitreous humor of the eye. The vitreous humor is the clear gel that fills the space between the lens and the retina of the eye. It caused impaired vision of my right eye. I had an operation for its removal, but the impaired eye was still blind. Deaconess Geumja Park, my daughter, was grieved saying that she wanted me to receive healing through 2013 Manmin Summer Retreat.

At my daughter's pleading, I joined Manmin Summer Retreat. Dr. Jaerock Lee prayed for the sick

on the first day and numerous people testified to their healing. Then, my daughter asked me if I could see. “Dad, can you see?”

But I still couldn't see. I even told her that I could not believe others' testimonies. After my words, I saw my daughter's shoulders heaving in sobs and she was praying with tears. Seeing her sob like that I felt something touch my heart and I burst into tears.

The next day, a dragonfly came to me and sat on my arm. It did not leave for a long time. I felt really amazed! It looked like God expressed His love towards me through the dragonfly.

In the following morning, an amazing work finally happened to me. My right eye that had lost eyesight, recovered its vision. Covering my left eye, my name tag came into focus of my right eye. The church members around me asked me to read their name tags, too. I read aloud their names one by one. My eye has become clearer and clearer day by day. I give all thanks and glory to the living God.

“I came to walk well without crutches”

Brother Jintaek Jeong (2-16 Parish, South Korea)

A few days before the accident, I had had a dream in which I was at the Manmin Summer Retreat but

While I was going down stairs I missed a step on my left foot. It caused a lot of pain and my foot was swollen very much. I couldn't sleep due to the pain. Then, I was reminded of my wrongdoings that I had been involved in and that had nothing to do with a proper Christian life.

relying on crutches. As the dream flashed through my mind I came to be sure that I would be healed in the Retreat.

The following day, I received the handkerchief prayer from District Leader Yunsuk Song and my pain disappeared (Ref: Acts 19:11-12). But my foot still remained swollen and I could not walk. In the afternoon, my X-ray scannings told me that the top of my foot was fractured. My Parish Pastor Woojin Chun gave me bits of advice on what kind of heart and attitude I should have for Manmin Summer Retreat and on an appropriate believing life.

I went to the Manmin Summer Retreat depending on crutches on the first day. I received a lot of grace listening to Dr. Lee's messages. When he prayed for the sick after the message, I repented that I had gone astray in the world and committed many wrongdoings. Right then, I heard a voice from my heart, saying “Stand up and go!” I became assured of healing. While I was preparing myself to go to the stage to give my testimony, I realized that I could walk without the crutches. Overjoyed, I gave great glory to God with crutches over my head as the first testimony giver. Hallelujah!
