## Full of the Word, Power, and Hope for Heaven

### Manmin members all around the world offer up worship together via GCN and the Internet

Manmin members, including 10,000 branch and associate church members, feel God's love and experience the works of change and life through the worship services and they have also received blessings in spirit and body. Top, the main sanctuary; lower, flower arrangement on the altar; Friday All-night Service, the Performing Arts Committee, and pastors from other countries

The worship service of the church full of the works of the Holy Spirit is also full of liveliness. Worship services are to be ceremonies where people offer up worship, praise, and glory to God. They give thanks and exalt God the Creator through offering up the service. Manmin Central Church has their worship services broadcast via GCN ([www.gcntv.org](http://www.gcntv.org)) and the Internet so that people in more than 10,000 branch and associate churches can join the services. All the services and the full process of the services are offered up in spirit and truth only for God.

Many guests from in and out of Korea have visited the church and attended the services. They said they felt that it was like being in Heaven and they came to understand what a true worship service is like through Manmin's services. The first reason for this is that the church is full of the word of life that Senior Pastor Dr. Jaerock Lee has received from God through fasting and prayer. His sermons teach that only when we circumcise our hearts and our souls prosper, can we give out the fragrance of Christ. Through the sermons the members' spiritual thirst becomes satiated.

Pastor Youngran Park conducted her ministry in the United States, yet she felt limited in her ministry. She came to know about Manmin Central Church through searching the web. She stated, "I thought that it was impossible to live by the Word that says, 'You are to be perfect, as

your heavenly Father is perfect' (Matthew 5:48). But Dr. Jaerock Lee has shown to all Christians all over the world through the example of his life that it is possible to live by the Word. Whenever I listen to his messages that are full of perfect goodness and love, I repent with sobbing and tears and wash spiritual dirt off of me." Like her, countless people all around the world have become fervent while listening to his sermons and hearing about many testimonies of God's power. They also have come to increase in faith. Furthermore, many people have been healed of their diseases, received answers to their prayers, and received blessings through the prayer for the sick given after the message.

Sister Marixa Perez of Colombia Manmin Church said, "I was wondering how I was supposed to properly lead a Christian life. At about the same time I happened to listen to one of Dr. Jaerock Lee's sermons through Enlace TV, a leading broadcaster in Spanish speaking countries. I was greatly moved and registered in Colombia Manmin Church. Dr. Lee's sermons lead people to be awakened and help us to meet and experience the living God through signs, wonders, and powerful works as written in the Bible. I was healed of an allergic sinus infection and uterine myoma. My son, who had Down syndrome, became a healthy, affectionate and friendly child. My family is now happy in the Lord."

Sister Yulia from the U.K. said, "When I listened to Dr. Lee's sermon through TBN Russia, my heart was immediately attracted to the sermon without knowing why. From that time on I started to wait for his sermon programs that were aired twice a day. I also began offering up the worship services of Manmin Central Church with my family through the Internet. Due to the time difference, we had to offer up Sunday Morning Service at 3:30 A.M. and Sunday Evening Service at 7 A.M. but the sermon was like the honeycomb. We were so happy." Sister Yulia has now also resolved many problems in her life. She was thankful that she could see, hear, and experience the powerful works.

Additionally, Manmin has high quality performances that express the beauty of Heaven. The performances glorify God and add fullness of the Holy Spirit and hope for Heaven to the members. The Performing Arts Committee consists of around 1,000 church members and is chaired by Pastor Heejin Lee. They give special praises in Sunday Evening Services, Friday All-night Services and perform in the Easter, Anniversary, and Christmas performances.

John 4:24 says, "God is spirit, and those who worship Him must worship in spirit and truth." In 2016, let's offer up our lives to God as a holy sacrifice by understanding the will of God by the help of the Holy Spirit and showing our love for God with all our hearts.

Senior Pastor Dr. Jaerock Lee

“Once God has spoken; twice I have heard this: that power belongs to God”  
(Psalm 62:11).

# “The Church Accompanied with Endless Power”

as there was light when God said “Let there be light” (Genesis 1:3). Here, “the Light” is the Original Light of Creation.

He let us taste the Original Power of Creation in the Philippines Crusade in 2001. And from 2002, He began to teach me to operate that power at my discretion. Because the Original Power of Creation is the power of the Creator God, I could manifest it fully only when I had the balance of physical dimension and spiritual dimension. To go beyond the limit of human cultivation, He further explained that I had to become void of all that I had accomplished as a person of whole spirit.

## 2. Until the Original Power of Creation was achieved

In 2004, He began to teach me about the specifics as to how I could have the balance of spiritual and physical dimensions. Namely, He taught me about the spaces, which are spaces of 1st dimension through 4th dimension, and the spiritual training began. And when I had almost finished the 4th level spiritual training, in June 2008, I began to recover the original heart of God. By January 2009, I recovered 50% of it. As a result I reached a level where I could manifest the consolidated works of power. The greatest fruit borne through the consolidated works of power was the ministry in Israel. It was the fulfillment of the prophecy in the Bible that the gospel would return to Israel.

In 2010, God gave us the prayer title of ‘Unceasing Power’, and this meant that the scope of power would be expanded to church associations and the whole world. This means that the measure of justice that I had to fulfill became bigger. For this reason my body got into the situation where it could not endure it any longer.

In 2011, God let us know how the powerful works would be manifested in the future. He said it was going to be explosive power. Explosive power is the power which anybody can recognize as the power of God and not that of any man. In order to manifest this explosive power at the end time, God let me fill up the measure of justice continually. And

all the life-force in my body became almost zero. Eventually, I could be filled with the spiritual energy only when my physical energy was drained out. When spiritual energy is filled 100%, I can possess the 4th dimensional space as I learned in the 4th level spiritual training. I will be able to show the power without being restrained by any space.

In 2012, God gave us the prayer title, ‘Great and Amazing Power’. Great and amazing power is the power to change the hearts of men. The kind of power to be able to change a man’s heart is a must when we go out to the church associations and for world evangelization.

The following year, in 2013, with the prayer title ‘Power’, God let us know that the power to change the heart of men is the power to break even the freewill of men. Through this power, those who hear and see the works of power of this church will be able to catch the chance of salvation with their freewill.

At this end time, the world is full of sins and the people’s hearts are also deeply stained by evil. So, even if the evidence of the living God is shown before their eyes and somebody walks on water on live-broadcast, not everyone will believe it. There will be those who will not believe it, and who will try to deny and question such things. What a shame if I show the Most High Power of Creation and only a few people believe! But at the same time, God does not want anybody to believe out of fear just because the power is so great.

God wants men to be touched in their hearts when they see amazing signs and wonders and choose faith with their own freewill. For this reason the Most High Power of Creation must contain the power to break the freewill of men. It is the love of God who wants to fulfill the genuine work of salvation.

In 2014, God gave us the prayer title of ‘The Works of Re-creation’. Works of re-creation are works that change or renew what has been already created. In the works of re-creation, the highest level is to revive the dead spirit. It is the work of God’s love for even those who could not have been saved at all to receive

salvation. This power lets them seize the chance of salvation. And the power that manifests such works is the Power of Re-creation, which was the prayer title of 2015.

## 3. The Power of Re-creation that contains the great love of God

The Power of Re-creation is the power that works with the original voice just as light came into existence when God commanded, ‘Let there be light’. This definition is the same as that of the Original Power of Creation given in 2000. The definition of the power is the same, but the one who is performing it is different.

God shows the Original Power of Creation, and I work with the Power of Re-creation. When we began the first Genesis Lectures in late 2000, I could show the Power of Creation because God covered me with the original light of creation. But for the past 15 years, I underwent spiritual studies and spiritual training so I could operate the original light myself. I also had time to fill up the measure of justice.

For the New Year 2016, God gave us the prayer title, ‘The Church Accompanied with Endless Power’. Just as the power of God is endless as I explained, the works of power of this church are also endless. This is about the ministry that will be unfolded in the third phase of take-off with the perfected power of re-creation.

Our church has been laying all the foundations very firmly and sufficiently for the last 33 years, since the opening. In this third phase our church will lead countless souls to salvation in various ways and through diverse methods, being worthy of the name Manmin which means ‘all peoples’. We will spread the endless power until the glory of God fills the earth as the waters cover the sea.

Dear brothers and sisters in Christ, our church will reveal the glory of God greatly with the endless works of power until the Lord comes back. I pray in the name of the Lord that you will also stand before the throne of God as glorious members ‘Manmin’ later in Heaven.

Jesus said in John 14:12, “Truly, truly, I say to you, he who believes in Me, the works that I do, he will do also; and greater works than these he will do; because I go to the Father.” Those who pray fervently for souls’ salvation with the heart of the Lord can receive the power of God, testify to the living God, and spread the gospel to the ends of the earth. What kind of endless powerful works can be manifested by this church set up by God for the salvation of all peoples of all nations at this end time?

## 1. God wants the Original Power of Creation to be manifested

John 4:48 reads, “So Jesus said to him, ‘Unless you people see signs and wonders, you simply will not believe.’” At this time, the world is full of sins. In order to lead countless souls to salvation, the manifestation of signs and wonders is inevitable. That is why I have tried to gain the ability to perform signs and wonders by offering up immeasurable amount of fasting and prayer. And, since 1982 when this church opened, I have longed to have greater power and devote myself to the Word and prayer.

In 2000, God let us know about the Power of Creation. He then told me to perform with the Original Power of Creation and furthermore to complete the Most High Power of Creation. The Original Power of Creation of the Father is the power that created the heavens and the earth with His word and the whole power that God has. It is the power that carries out the Word of God, just

# Key to Spiritual Growth, Trust!

What does 'trust' mean? 'Trust' means 'firm belief in the integrity, ability, or character of a person or thing.' This trust is not built unilaterally, but it can be said to be perfect only when both parties trust each other. John 15:5 reads, "I am the vine, you are the branches; he who abides in Me and I in him, he bears much fruit, for apart from Me you can do nothing." As said, if we are united in the Lord, we can bear abundant fruits both in spirit and body.  
Let's check if we are united as one in the Lord in three aspects.

## First!

"To what extent do you obey the Word of God written in the Bible?"

How much we trust God the Creator depends on the extent to which we obey the Word of God. The Bible is a gift given by God for His beloved children that contains His heart and Word.

The Word of God is categorized into four types of commands, "Do, don't do, keep, and throw away". The extent to which we obey His Word, our trust in God will be different. Those who completely trust God live by the Word even when there is no one to see them.

They unchangingly obey the Word although it means that they suffer from loss and their lives are put in danger. It is because they believe that God is alive, watches them, watches over all things, and that His Word contains His good will.

Daniel and his three friends turned down the king's choice food to keep from eating food sacrificed to idols even though they were captives. Daniel also did not cease to pray to God even when he knew that he would be thrown into the lions' den. They were willing to give up their lives.

They only obeyed the will of God regardless of problems before them, and God also trusted them and protected them in the blazing fire of the furnace and in the lions' den. Moreover, He blessed them to enjoy greater honor than before.

We also should build trust with God by showing deeds of faith and thereby dwell in His love receiving His recognition and trust.

## Second!

"Do you really believe in the Lord who will come to take you?"

The extent that we trust Jesus Christ who is our Savior depends on how much we are sure about the Lord's coming to take us. If you really trust the Lord who will come again, you may naturally follow His way. That is, you may endeavor to resemble the Lord who is holy and perfect and sacrifice your life for souls like the Lord did.

As written in Acts of Apostles, the disciples were assured that the resurrected Lord is the Christ and preached the gospel boldly in the danger of life. The Lord's disciples, Apostle Paul, Deacons Philip and Stephen preached about the living God, Jesus Christ, and the existence of Heaven and Hell by showing signs.

The Lord also trusts believers who believe that the Lord was crucified, resurrected, and ascended into heaven and that He will come again to take them. And He leads them to the way of life and gives authority and strength so that they can fulfill the duty given by God. By doing so, He shows He is with them.

Therefore, as John 15:7 says, "If you abide in Me, and My words abide in you, ask whatever you wish, and it will be done for you", in order to be united with the Lord in trust, we should obey the Word of the Lord and cultivate our hearts into the truth completely. When we are united with the Lord, we can receive whatever we ask for.

## Third!

"Don't you use your fleshly thoughts when you listen to the sermons?"

There are many church denominations and many kinds of pastors. The extent that we trust the pastor in the church depends on whether we have fleshly thoughts about the Word preached.

If you think, 'Does he have to preach like that? It is different from what I have known. Where did he hear such a thing?' This is having fleshly thoughts that are hostile toward God. Thinking like this you cannot say you worship in spirit and truth during the service (Romans 8:7).

If you believe you are right while listening to the message in services, you cannot say 'Amen' to the messages. Or you may feel bad or offended because the message is different from what you think it ought to be. On the contrary, if you do not have any fleshly thoughts toward any kind of messages, it means that you believe the pastor as the shepherd whom God set and you believe he has followed the good will of God.

Above all, if the shepherd manifests the power that belongs to God (Psalm 62:11) in manifestation of signs, and wonders, we have to believe that God

is with him. If we completely trust the shepherd, we may naturally think of him in goodness. Even if what he says is different from our thoughts, we may think there must be some reason he said what he did. We may think he said what he did to teach many people and lead them to the truth and goodness.

When we think in goodness this way, the Holy Spirit may teach us why he said so in prayer even if we do not realize the reasons immediately. As we keep having such experiences, the trust in the shepherd becomes perfect. And the shepherd also can trust workers. No matter what kinds of words he said, they won't misunderstand him. So he can have them drawn more closely and entrust important tasks to them with trust.

Those who trust God the Creator and the Lord who will come again, will be able to accomplish the providence of God and lead many souls to salvation in this end time with the shepherd. Let's have a perfect relationship of trust and share love with God forever in the most glorious heavenly dwelling place, New Jerusalem!

## “I Was Deaf in my Right Ear for the Last 40 Years, but I Gained the Ability to Hear!”

Deaconess Jeongyeop Roh, age 63, Parish 27, South Korea

Since I started to attend Manmin Central Church in July 2004, I have received a lot of blessings. Before attending Manmin, my face had been swollen and tears would flow in the wind. I could not sleep due to pain in my neck and shoulder. For twenty years, every spring I suffered from chronic backache. But when I received the prayer for the sick, I was healed of all of it.

As I recovered good health, I was able to work more diligently and was able to get my own house. I was leading a happy Christian life in blessing like these. In the meantime, I experienced the amazing power of God the Creator once again.

When I was young, I was so shocked that my right ear became deaf. So, while working I was often asked by others if I was deaf. But I could not receive medical treatment because of my family's financial situation. In July 2012, my daughter earnestly asked me to go to hospital for it and got a special check-up. But the result was that my hearing ability of my right ear was irrecoverable so my surgery was unnecessary.

Because I had lived hearing with the other ear for almost 40 years, I plainly accepted it. In fact, I had not thought that I could be healed of it through the prayer. At that time, I felt sorry before God because I could not offer official worship services except for Sunday Services since I often had to work overtime. So I was urged to give something more to God.

From 2013, I started to listen to Senior Pastor Dr. Jaerock Lee's sermons "Lectures on Genesis", "The Seed of Life", and "The Message of the Cross". I repeatedly listened to "The Message of the Cross" and learned about the reason God placed the tree of the knowledge of good and evil, the providence of human cultivation, and the love

of God, and why Jesus Christ is our only Savior. I could lay a foundation of my faith. In spring 2015, I was listening to Senior Pastor's sermon with my cell phone on my way to work on subway. The person next to me told me that the sound was being heard by him. It was because my earphone in my left ear was not properly put in the ear and the sound was leaking out. It was strange because I thought I could hear well through the left earphone. But I soon forgot about it.

One day I suddenly came to think that even people who were born deaf came to hear after they received Dr. Lee's prayer and I might have recovered my hearing ability. And I put my earphone in my right ear and tried listening to his sermon. Then I could hear him well. Amazing! I was so thrilled.

And I realized that on subway I had not put the earphone tightly in my left ear but I could hear because I had already recovered my hearing ability in my right ear. I just did not notice it.

My hearing ability was medically irrecoverable and couldn't be treated with surgery. But God restored my hearing through the power of the Holy Spirit. And the Holy Spirit urged me to check it and see. In November 2015, I went to hospital and checked my right ear. It turned out to be normal. Hallelujah!

Additionally, I experienced another healing work in Manmin Summer Retreat 2015. My left ankle was fractured when I was 18, and my left calf was swollen and the swelling did not subside. Both of my legs were different in thickness. But on the first night of the retreat, when I received Senior Pastor's prayer for the sick, my leg became normal.

I give all thanks and glory to God who healed me of my diseases, solved the financial problem, and blesses us to live with hope for Heaven.

## “I Was Run Over by a Backing Truck but, God Protected Me and the Child in Me”

Sister Deolgur, age 25, Mongolia Manmin Church

In March, 2015, I was guided to Mongolia Manmin Church by my grandmother. It has not been long since I registered and started a Christian life here. In the meantime, I experienced the great love of the living God around at 6 P.M. on November 20.

I stood on the street to catch a taxi with my friend. Suddenly a lorry backed towards us. It bumped into me and I fell down. Without knowing it, the driver floored the truck and was about to pass over me. Later he said that he thought it was just a big stone under his wheels.

I was three month pregnant at that time. I thought I would die there and prayed to God

to save the fetus in my womb. It happened in a fleeting moment and my friend was shocked. But she handled the situation quickly and rushed me to hospital. Surprisingly, the child in me and I both had no problems at all. Hallelujah!

My friend who witnessed the accident and the doctor were stuck with surprise and said, "What a surprise! It was amazing!"

Actually I probably should have died there, but God saved me and even answered my prayer to protect my child. I felt so grateful to Him.

I felt great love of God the Father and came to have living faith. I give all thanks and glory to God who protected me in this world full of accidents.
