“Hope for the Crystal-clear Beauty of Heaven Makes Us Happy!”

In the history of Manmin there has been overflowing love and blessings given by God. Countless people have met the living God amid abundant words of life and amazing powerful works. Now they are still experiencing the works of the Holy Spirit and waiting for the Lord who will come again.

In May in particular, we cannot but think of the grace of God who called Senior Pastor Dr. Jaerock Lee as His servant.

Deacon Jaerock Lee had been praying to become an elder who was to help the poor and support the mission works. In May 1978, God called him as a pastor. From that time on he armed himself with the Word and he offered up innumerable periods of fasting to receive the power of God. In 1982, when he was a senior in seminary, he opened Manmin Church.

He prayed to spread the gospel to the ends of the earth as a witness of the Lord. In May 1984, God urged him to fast and pray celebrating his birthday. Accepting his prayers and fasting, God started to explain about

Heaven in detail. Based on these explanations, he wrote two-part series *Heaven*. The first volume was published in 27 languages and the second in 14 languages. The book has led many souls to the way of salvation (Photo 7).

In May 1986, he was ordained as a pastor and led many revival meetings in many places throughout Korea to achieve the national evangelism. He also strived to lead many souls in the world to salvation through the publication and broadcasting ministries.

From May 1993, he held Special Revival Meeting for two weeks annually. Many members both in and outside of Korea have been able to experience the power of God. As recorded in the Bible, the dead came back to life, the blind came to see, the deaf to hear, the mute to speak, and the lame to walk and jump. Dozens of couples who suffered from infertility received the blessing of conception and many people who had serious diseases such as cancer and AIDS were also healed. It led to great revival like the Early Church

experienced.

In May 1998, God blessed the church members to see the rainbow that surrounds the sun on Dr. Jaerock Lee's birthday. Since then many kinds of rainbows including three and four fold, circular rainbows; linear, symmetric, and asymmetric rainbows; as well as K-shaped, ring-shaped, and comprehensive rainbows have appeared (Photos 1, 2, and 3; refer to page 3).

In May 2004, the last special revival meeting was held under the theme of “Thunder the Original Voice”. All people of Manmin around the world offered up the worship services through satellite broadcasting. They experienced many kinds of signs and wonders written in the four Gospels (Photo 8).

In May 2011, God blessed the church members who had longed for the spiritual world to take pictures of aurora

lights so that they could feel the original light of God. Its shapes varied including the shapes of angels, hearts, and fish and the colors also varied (Photos 4,5, and 6). Through this, the members longed all the more to achieve the heart of spirit and grow up in faith quickly (Refer to page 3).

In May 2013, God also answered the prayer of Dr. Jaerock Lee and blessed eight pastors and church workers to visit Heaven and Hell in front of the church members. When they heard their testimonies, the members were assured even more firmly of the existence of Heaven and Hell (Refer to page 3).

Since May 2014, all members who had cast off every form of evil by fighting against sins to the point of death according to the Word of God and had achieved

the heart of spirit and whole spirit have been invited to Dr. Lee's mountain prayer house where he delivered the love of the Lord to them so that they could lead happy Christian lives with longing for New Jerusalem.

In May 2016, he invited middle and high school students of Manmin to his prayer house. He planted hope for Heaven in their hearts so that they can overcome the world, run the race of faith and thereby become the spiritual warriors worthy to transform this sin-filled world (Photo 9).

In this happy month, May, Manmin members could engrave the love of God, who wants to give them the best things, deep in their hearts. Through His love, they are expected to become holy by the Word of God and prayer (1 Timothy 4:5).

Senior Pastor Dr. Jaerock Lee

“And Jesus said to him,
“If You can?” All things are
possible to him who believes.”
(Mark 9:23)

If You Can?

positive profession of faith all the time. The words of your lips are very important. Romans 10:10 says, “... for with the heart a person believes, resulting in righteousness, and with the mouth he confesses, resulting in salvation.” Of course we receive salvation and answers with faith, but it is the action that perfects faith. So, the positive confession of faith is the foundation to reach the perfect faith and it is the minimum of action.

But some believers make negative professions even while they are praying to receive an answer saying or thinking, “My family members have such hardened hearts and they don’t accept the gospel.” “I don’t have good field of heart, so I can’t even think of standing on the rock not to mention spirit.” “I can’t! Impossible! Too difficult! It’s hard! Is it possible? Can I really?”

Mark 10:27 says, “Looking at them, Jesus said, ‘With people it is impossible, but not with God; for all things are possible with God.’” God the Father also says in Jeremiah 32:27, “Behold, I am the LORD, the God of all flesh; is anything too difficult for Me?”

We have to hold on to the word and say, “God can do everything. We believe in this God, and we can also do everything too.” If we at least know with our knowledge that God is almighty, we have to say it with our lips so that faith can begin to grow in our heart.

Whether the problem is big or small, to God who created everything with His word, it is all nothing. If you make the almighty God an incapable God with your negative words, then it is disappointing to God. Doing so will allow for you to be caught in the snares of Satan. Therefore, even though you can’t really make a profession of faith from the depth of your heart, I hope you will still make positive confessions of faith. The positive professions of faith become the seed and eventually they will bear the fruit of perfect faith.

2. We have to receive the faith to believe from the heart.

After the father in the reading passage said, “I believe,” he said, “Help my unbelief.” He just said, “I

believe,” and why did he immediately say, “Help my unbelief?”

Before the authority in the word of Jesus, with a desperate heart this father said that he believed. But now he confessed that he did not have the spiritual faith to be able to receive the answer. He had realized that for the power of Jesus to heal his son, he had to show the kind of faith to believe from his heart. He realized, however, the faith he had was too little.

Suppose you were looking everywhere for medicine that could cure your son’s disease and finally found it. And when you went to buy the medicine, the money you prepared was not enough. You can’t help begging the person who has the medicine to help you so you could cure your son.

Jesus had already read the mind of this father. He had read how desperate he was when he came to solve the problem of his son and how much he tried. Jesus knew his characters, his efforts, earnestness, truthfulness, and humbleness. So, Jesus’ heart was finally moved, and He drove out the demon from the son.

Here, we can understand what we have to do in order to possess faith to believe from heart. Like the father in the reading passage, we have to show our effort that can reach God. Of course, first of all we must not have any wall of sin. Having no wall of sin, if we show the kinds of effort that can move God and actions that can please God, we can receive the faith to believe from the heart.

The faith to believe from heart, namely spiritual faith, cannot be possessed just because we desire to have it. Only God can give it to us. If we have the faith to believe from heart, we will have the assurance about the answer. Eventually, it will be done as we have believed it would.

3. We have to cry out in prayer until we receive the answer.

As written in Mark 9:24, the father also cried out to Jesus. His crying out tells us how desperate he was in his heart. This kind of action is a must for us to have faith with which all things are possible.

Jeremiah 33:3 also says, “Call to Me and I will answer you, and I will

tell you great and mighty things, which you do not know.” Ezekiel 36:36 latter part-37 says, “I, the LORD, have spoken and will do it. Thus says the LORD God, ‘This also I will let the house of Israel ask Me to do for them: I will increase their men like a flock.’”

In the Bible, we see the patriarchs cried out before God. Even the Son of God, Jesus, cried out in prayer. When He prayed at Gethsemane, He prayed with all His strength such that His sweat became like drops of blood. When He was hung on the cross, He cried out with a loud voice saying, “Into Your hands I commit My spirit.”

We also have to cry out in prayer until the answer is given. If you began with faith, you have to pray until the end without giving up. If you want to receive an answer for something impossible, you should fill up the measure of justice through your effort and perseverance. As you keep on crying out in prayer, you will have prepared the vessel to receive the answer. If you cry out in prayer, you will be filled with the Holy Spirit, and you will hear His voice or receive His guidance telling you that you have to repent of something or you have to show a certain action.

As a child of God keeps on crying out in prayer, the Holy Spirit teaches him the way to receive the answer. If you obey the voice and guidance of the Holy Spirit, God gives you the faith to believe from heart. On the contrary, if you do not obey the urging of the Holy Spirit, the vessel for the answer will not be prepared no matter how much you cry out in prayer. Thus, you can’t receive the faith to believe from heart. I urge you to receive answers and blessings by crying out in prayer and preparing your vessels well.

Dear brothers and sisters in Christ, as this father in the reading passage, if we profess our faith and cry out until we receive the faith to believe from heart, we can receive any kind of answer. I pray in the name of the Lord that you will receive whatever you want by faith in God the Creator for whom nothing is impossible and glorify God.

In Mark 9:22, the father came before Jesus with his son’s problem. His son couldn’t see and speak and had seizures since childhood due to demon-possession. Once he had seizures, he fell into fire or water. His life was threatened many times. When he met Jesus, however, the problem was solved right away.

Whether it is a disease, business problem, family problem, or something that can’t be solved by men, it can be solved with faith. Let’s now delve into the ways to receive answers from God.

1. We have to make a profession of faith.

Mark 9:22 shows us how the man who had a demon-possessed son received the answer. He just asked Jesus, “If you can, help us.” Concerning his statement, Jesus planted faith in him saying, “If You can?” All things are possible to him who believes.”

The father said, “I believe”. But in fact, this profession did not come from true faith either. It was just that he was overwhelmed by the spiritual authority of Jesus who had spoken so very firmly. Darkness went away and this father’s negative thoughts were subdued by the word of Jesus. It was possible because this father had a good heart and was able to believe the news about Jesus. At least he had faith as knowledge.

If you also have at least faith as knowledge, you should make a

“God-given Gifts Fill Our Hearts with Hope for Heaven”

This end time is full of sins and evil, so God has allowed believers to have various spiritual experiences so that they can feel heavenly beauty and happiness on the earth and thereby overcome the world with faith.

“What an Amazing Rainbow!”

“And He who was sitting was like a jasper stone and a sardius in appearance; and there was a rainbow around the throne, like an emerald in appearance” (Revelation 4:3).

Sister Serem Kim, age 29,
Muan Manmin Church

On May 15, 1998, in the sky over Manmin Central Church a circular rainbow surrounding the sun appeared! Since then rainbows have constantly appeared innumerable times during the church’s events and mission trips.

On January 19, 2011, I took a photo of an amazing rainbow by the grace of God. It was a circular one surrounding the sun. At its both sides were two symmetric

rainbows that looked like the wings of an eagle with diamonds at the center. Over the rainbow were a semi-circular rainbow and an arc-shaped rainbow. It was a comprehensive rainbow with various shapes (Photo).

On the morning of that day my father, Pastor Myeongsool Kim of Muan Manmin Church, had run into the house in amazement. He said in haste, “Something astounding happened in the sky.” I ran out and looked at the sky; I was stuck in amazement. It was my very first time to see such a rainbow. I ran to

the Muan Sweet Water Garden with my camera.

It was such a huge rainbow that I could not get it even with my fish-eye lens. I lay down on the grass and took the photos of it. At first it was a circular and symmetric rainbow. As time passed, its shape kept changing. The church members with me gave a shout of excitement and glorified God with thanks and surprise. We felt thrilled because it seemed to emit the great glory and dignity of God.

Whenever I took pictures of the evidences of the living God, the love

of God swept over me. Moreover, as I realized the existence of the spiritual world, I gained more hope for Heaven and my spiritual faith also increased.

I give all thanks and glory to God who let me know this mysterious spiritual world and even witness such evidences through the power of the shepherd.

“Gorgeous Aurora Lights Are the Source of Thanks and Joy”

“As the appearance of the rainbow in the clouds on a rainy day, so was the appearance of the surrounding radiance. Such was the appearance of the likeness of the glory of the LORD. And when I saw it, I fell on my face and heard a voice speaking” (Ezekiel 1:28).

Senior Deaconess Okju Kim, age 55,
Parish 11, Manmin Central Church

My husband worked in another country so we had to live separately. I could endure it since I lived with my son who was nice and considerate. But after he went for the army, I felt sad

being alone and missed them so much. I shed a lot of tears and lost the strength

to pray. As I tried to pray, I could deal with it to some extent but still I felt empty.

On May 20, 2011, God allowed Manmin members to feel His original lights emanated from the spiritual space.

It was aurora light and we could take pictures of various shapes of aurora lights. There were so many shapes such as fish-like, fruit-like, and flower-like aurora lights, which reminded us of Heaven.

I also took pictures of angel and apple-like aurora lights by the grace of God. One night I took the picture of the cross and it emanated the aurora light of Jesus’ image (Photo).

From then I felt the grace and love of God all the more. I no longer felt empty and felt full of joy and thanks. Faith and hope increased in me. I give thanks to the Lord who comforted my heart with such mysterious and beautiful aurora lights and filled my heart with hope for Heaven. Hallelujah!

“Through the Separation of Spirit, I Became Assured of the Existence of Heaven and Hell”

“I know a man in Christ who fourteen years ago—whether in the body I do not know, or out of the body I do not know, God knows—such a man was caught up to the third heaven” (2 Corinthians 12:2).

Deacon Hwansang Kim, age 57,
Parish 9, Manmin Central Church

During the second half of Friday All-night Service on May 25, 2013, I had an amazing experience. On the altar were eight pastors and church workers who had become sanctified. Their spirits were separated through Dr. Jaerock Lee’s prayer and they respectively visited heavenly dwelling places, the Upper Grave, the Lower Grave, and Hell. After the separation, they testified

to what they saw (Photo).

In the Bible it is written that Paul’s spirit was separated from his body and caught up to Heaven. In the same

manner, the pastors and workers spoke about what they had seen in Heaven and Hell. It convinced me of the existence of Heaven and

Hell.

What was even more amazing, while I was listening, in front of my eyes was a spacious and magnificent heavenly flowerbed spreading out. Although I saw only this flowerbed, I felt so peaceful and fascinated. Then God allowed me to see people who were suffering in the Lake of Fire with only their necks and heads out of the lake. They were so miserable and desperate.

After I experienced it, I read Dr. Lee’s books *Heaven I & II* and *Hell* and came to know the details. I learned about the love of God

who gives us back according to what we have done and came to have more hope for Heaven. It was a great source for faith since I had just started my life as a Christian at that time.

Now I am now one of the leaders in 3-4 Men’s Mission and a cell leader. I am working with hope for New Jerusalem. I give all thanks and glory to God who taught me the duty of a man and gave me true hope.

The Word of Life Gave Me a True Happiness

Deacon Hyunsang Shin, age 77, Busan Manmin Church

My wife and I had been looking for a true pastor who was able to guide us for three years. Meantime we learned about Manmin Central Church. I read Dr. Jaerock Lee's book *The Message of the Cross* and knew that it was a message that the world cannot understand. The book reveals the core point of the Bible, and it completely amazed me.

This book explains about Jesus Christ in detail and it is the core of Christian faith. I think every Christian should read this book, and in particular it is a must-read for pastors and seminary students. I have given this valuable book to pastors around me and my acquaintances.

I also read *The Measure of Faith*. It presents each level of

faith so that readers can know at what level their faith is and how to increase their faith. This detailed elaboration astounded me. Senior Pastor's messages converge on how we can resemble the Lord and achieve the heart of spirit and whole spirit. Nowhere had I heard of such a message until I knew Senior Pastor.

In particular, I enjoyed GCN's program 'Creation and Science' (www.gcntv.org). This program shows and gives detailed explanations about the mystery of the human body, celestial bodies, pyramids, and the like based on Senior Pastor's lectures on Genesis. I cannot but feel astounded by the word of life interpreted through the inspiration of the Holy Spirit.

His humbleness and sacrifice remind me of the Lord. I thought that he is like Jesus' navigation system.

I succeeded in my field and have enjoyed many things, but I always felt sorry for my wife and children because I had not served them well. I was greatly moved by Senior Pastor's life and teachings. His teachings were given for my family and me. Now we are sharing true joy with each other.

These days I enjoyed the happiest moments of my whole believing life. I give thanks to Senior Pastor who devoted himself to receiving such precious messages from God through fasting and prayer. I also give thanks to God who sent us this precious shepherd at this end time.

After Nine Years of Waiting, I Gained a Beautiful Daughter

Sister Sathya, age 32, Madurai Manmin Church, India

I was born and raised in a Hindu family. After I got married in December 2006, I did not have a baby. When I saw a doctor to figure out why, polycystic ovary syndrome was found in me. Since I had oophorocystectomy for it and as a result I could no longer conceive a baby.

In October 2014, my sister guided me to Madurai Manmin Church (Pastor Persi Rajadurai). I attended the worship services of Manmin Central Church in Seoul,

Korea through GCN broadcasting. As I continued to attend, I heard many testimonies where people were healed of their diseases and received the blessing of conception and answers to their prayers by the power of God. I also started to pray to God with faith that I could have a baby.

When the church's 19th anniversary service was offered up, the Handkerchief Healing Meeting was held. Pastor Joseph J. Han of Chennai Manmin Church prayed for

me with the handkerchief on which Dr. Jaerock Lee had prayed (Acts 19:11-12). I also drank Muan Sweet Water (Exodus 15:25) that contains the power of God and sprayed it on all things I ate. I kept doing so. In July 2015, I found out that I was pregnant! Hallelujah!

My doctor said in amazement that it is a miracle itself. On February 22, 2016, nine years after marriage, I delivered a healthy daughter. I give all thanks and glory to God who gave me this pretty daughter.

I Was Healed of Hallux Valgus and High Blood Pressure

Deacon Hyunwoo Lee, age 55, Parish 11, Manmin Central Church

Two years ago, I had high blood pressure—210mmHg (normally 120/80mmHg). But I was healed of high blood pressure through the handkerchief prayer (Acts 19:11-12). Lately I experienced the amazing power of God again, which renewed my Christian life.

In July 2015, my right great toe was bent towards my second toe and later it began to overlap the second toe. It was hallux valgus. When it

was cold, I felt great pain. As I could not wear shoes, I wore comfortable shoes. Then I began to limp a little.

I wanted to be healed by God so I looked back upon my whole Christian life and repented of what I had neglected. I tried to lay a good foundation of faith, so I tried to worship in spirit and truth, attended every kind of worship services and meetings, and prayed hard.

On February 21, during Sunday

Morning Service, I received Dr. Jaerock Lee's prayer for the sick on video with my heart. Afterwards, I went here and there in the church and went to the meeting of my mission. Then I found out that I was not having any difficulty in walking. I was striding.

I give all thanks and glory to the living God who answered my prayer, healed my disease, and gave me spiritual faith.
