When the Holiness Gospel Was Proclaimed, Miraculous Signs Were Accompanied in Ukraine and Latvia

Since Senior Pastor Dr. Jaerock Lee's three-year ministry in Israel, the holiness gospel and his powerful works have been spread in many places of the world by Crystal Forum (Israeli Pastors' Association). As the fruit, in June 2017, Handkerchief Healing Meetings were held in six churches in Ukraine and Latvia with Rev. Dr. Soojin Lee, President of Pastors' Association as the speaker (Acts 19:11-12).

On June 9, the first meeting was held in Skydoor Church in Dnepropetrovsk, Ukraine with about 900 people in attendance (Photo 2).

Pastor Yuri Konovalov had prayed to meet a true spiritual leader and came to hear about Dr. Jaerock Lee and Manmin's ministry from Crystal Forum. In November 2016, he attended Israeli Pastors' Seminar, and he was blessed in Rev. Soojin Lee's message and invited her to his church.

Rev. Lee preached the message "Faith" and prayed for the sick with the handkerchief. Many people were healed of a variety of diseases. Some recovered better eyesight, and others were set free from hemiplegia or serious arthritis and came to walk without their crutches. Sister Lera testified to her daughter's healing with tears; she was born premature and she could not see but after the prayer she opened her eyes and came to be able to focus. Brother Timothy was healed of heart disease, Sister Larisa of spinal fracture, and Brother Aleksander of

walking difficulty (Photo 1). Others were also healed of their diseases including aftereffects

of lymphoma surgery, thyroid diseases, and arthritis.

On June 10, over 700

people gathered in Kingdom of God Church located in Kiev, the capital city, and there

were many pastors from 15 cities of Ukraine who work together as union with the church (Photo 3).

Bishop Pastor Stanislav presided over the meeting, and Rev. Lee delivered the message "Blessed Are Those Who Walk in the Light". Then, she prayed for the sick with the handkerchief. Through the prayer, many people were set free from many diseases such as poor eyesight, arthritis in knees, kidney diseases, and herniated lumbar disc. Many who suffered from hepatitis as an aftereffect of drug addiction were healed of it. The pastors in attendance agreed that it was such a great meeting. They said they realized how important it is for pastors to become sanctified and receive God's power.

On June 11, Rev. Lee led a meeting in Victory Church which has more than 200 branch churches in Ukraine. She proclaimed the message, "Why Is Jesus Christ Our Only Savior?" to approximately 2,000 people in attendance (Photo 4). She prayed for them with the handkerchief, and many of them testified that they received the fire of the Holy Spirit and were freed from pains and many diseases including herniated lumbar disc, walking difficulty, and asthma.

Senior Pastor Henry Madava said, "When I led overseas meetings, the Holy Spirit's works would occur. But I felt much more powerful works of the Holy Spirit in her meeting" (More on Page 3).

God-pleasing Faith

“By faith we understand that the worlds were prepared by the word of God, so that what is seen was not made out of things which are visible” (Hebrews 11:3).

● ● ●

If we truly believe in God the Creator and Jesus Christ, we can receive answers in the name of Jesus Christ even for impossible things. But even though we all say we believe, the size of each one's faith is different from person to person. As in 1 John 2:12-14, there is faith of little children, faith of young men, and also mature faith of fathers.

What kinds of faith does God want His loving children to have?

First, God Wants You to Have Unchanging Faith.

God wants us to have unchanging faith. It is spiritual faith that never changes in any kind of situations. If your faith changes according to situations, it is not the spiritual faith God wants of you.

You confess you believe in the almighty God, but when you face troubles, do you not rely on men rather than relying on God? You ardently prayed for a desire of your heart, but when the answer is not given in the way you wanted, have you not complained that God is not giving it to you and haven't you let all your prayers count for nothing?

Some of you may say you believe the Word of God, but you interpret it the way you see fit for your personal gain. Because you change God's words just as Eve

changed God's word “You will surely die,” into “You will die,” your trust with God is broken, and you might face tests and trials.

In the past, even though others didn't recognize you, you did many kinds of hard work in the church. You took delight in giving to God and helping the needy. But you have second thoughts from a certain point in time. “Nobody knows me because I only do the things behind the scenes, but they do the duties that are easily seen, and they are recognized by people much more than me.” “I work harder than them, but their faith grows much faster than mine.” Now, your faith is shaken thinking, “Does God remember me? Am I no longer loved by God?”

Galatians 6:9 says, “Let us not lose heart in doing good, for in due time we will reap if we do not grow weary.” As said, you should unchangingly practice the truth with your trust in the faithful God so that you will reap the fruits of blessings. Only when you unchangingly believe in God's promise written in the Bible, obey His words, and work faithfully with love for God, can you be loved and recognized by God and then you will be able to receive whatever you ask for.

The Second Is the Faith in the Invisible Spiritual Realm.

To the unbelievers, this visible, physical world is everything. They try to take and enjoy even just one more thing in this world. They mostly talk about which food is best, which restaurant is good, what the current trends are and what business they can invest in to make more money.

If they hear there are Heaven and Hell, they say they can't accept it and they will find out when they die. They say they can't believe in the invisible God and that Jesus Christ rose again from the dead.

But John 20:29 latter part says, “Blessed are they who did not see, and yet believed.” It is what the

Lord said after He was crucified without sins to save mankind and rose again on the third day. He explained about spiritual faith to Thomas who had said he would believe His resurrection only if he himself saw in His hands and feet the imprint of the nails.

Just by looking at the things of the nature, you can believe in the existence of the Creator (Romans 1:20). Moreover, if you witnessed the power of God, you can certainly believe in the almighty God. You can believe all the 66 books of the Bible, and you can believe there are Heaven and Hell as given. For this reason you do not have any desire for this momentary earth but you put your hope in Heaven (Mark 10:29-30).

The patriarchs of faith wanted to follow God's will even if it meant suffering and trials rather than enjoying the momentary pleasure of sin on this earth. If you really believe the invisible spiritual realm and the eternal heavenly kingdom, you will not seek wealth and fame of this earth but try to store up in Heaven. You will invest your time and effort in spiritual things rather than physical. You will take delight in giving for the souls and for God's kingdom by saving your own time and money.

After Apostle Paul dedicated his life for the Lord, what was he left with? In a physical sense, he was a convict sentenced to death who was just waiting for his execution in the cold underground prison, without a scrap of thick clothing to cover him. But in a spiritual sense, he had the honor of being an apostle of the Lord with the great power of God, and with countless souls who were saved through him.

He had the crown of righteousness and the glory of New Jerusalem, and the Lord was waiting to embrace him with His arms wide open. I hope you will also believe the invisible spiritual world, die daily just as Apostle Paul did, and thereby get recognition in Heaven.

The Third Is the Faith in the Power of God Who Changes You and Makes You Perfect.

I have been asking for greater power from the opening of this church until this day, and I have been able to endure this past seven years because of this faith. It is to see the day when you will come forth as true children of God. But is there anybody who says or thinks: “Can I really do it? My heart-field and inner heart are not good, and it's not going to work no matter how much I try. I am way behind those who are going ahead. I am so embarrassed before God that I don't even have strength to pray.”

The God you and I believe in has nothing that is impossible for Him. He parted the Red Sea; sent down fire from heaven; and made a dead stick bud, bloom, and even produce a fruit. He can make dry bones come to life and stand on their feet, a great army, and He can even raise up children to Abraham from stones. If you truly believe in this God, you should not have the word ‘disheartened’ in your vocabulary.

God has given this church the holiness gospel and such great and amazing power! You should encourage yourself thinking, “I am so thankful that God is leading me to New Jerusalem although I lack so much! How thankful it is that the shepherd did 99% and is telling me to do only 1%!” 2 Corinthians 11:30 says, “If I have to boast, I will boast of what pertains to my weakness.” As Paul confessed, the weaker you are, the more you should boast of and believe the power of God.

Dear brothers and sisters in Christ, do you believe God who has endured for a long time to save all people and unceasingly poured down love and grace upon us? If you believe, you should possess spiritual faith that God wants of you and change yourself in His power that makes you perfect. I pray in the name of the Lord that by doing so you will dwell in the eternal glory in the beautiful Heaven.

Are You Being Blessed as Promised?

In the Bible, the faithful God gives promises of blessings to His children. But some of them receive the blessing, while others don't. Some receive much whereas others receive little. Now let's delve into how to reap abundant fruit in the following three steps.

Step 1

You Should Have Faith

“And without faith it is impossible to please Him, for he who comes to God must believe that He is and that He is a rewarder of those who seek Him” (Hebrews 11:6).

The kind of faith pleasing to God causes us to believe every word in all the 66 books of the Bible. Even if some biblical works seem impossible to happen, you should absolutely believe it. This kind of faith is spiritual faith that pleases God.

As said in Jeremiah 32:27 reads, “Behold, I am the LORD, the God of all flesh; is anything too difficult for Me?” God created everything with His Word, and has controlled human history and their life, death, fortune, and misfortune.

If you truly believe it, you can completely believe His Word no matter what it is. It might sound impossible to happen in reality, but when God says, “I will do it,” it will be done.

When you keep His Word in your heart and absolutely believe it, the faith you have will lead you to the blessings. Only through this God-pleasing faith can you experience His works and enjoy the blessings that He promised to give us.

If you yourself even witnessed and experienced His powerful works, you must completely believe His Word written in the Bible. You should believe His providence and hope that you will be a partaker in the fulfillment of His will.

Just as 1 Thessalonians 5:24 reads, “Faithful is He who calls you, and He also will bring it to pass,” although you cannot do it with your own strength, God Himself will work for you when you rely on Him with faith. When you depend on God in everything with faith, you can bear abundant fruit.

Step 2

You Should Show Faith in Your Deeds

“You see that faith was working with his works, and as a result of the works, faith was perfected” (James 2:22).

Abraham immediately obeyed when God told him to give his only son Isaac as a burnt offering. He did not give any excuse. He just believed in the good will of God. He had no misunderstanding or discomfort against Him. Moreover, he believed that God would be able to raise his son from the dead (Hebrews 11:17-19). He rather felt thankful to God for giving him such a command because it showed that He recognized his love for and faith in Him.

God watched Abraham and waited until the last moment when he took the knife to slay Isaac. Through the test on perfect obedience and faith, Abraham became the forefather of faith and completely received the blessings God had promised (Genesis 22).

If the Israelites had not crossed the sea, although Moses parted the Red Sea by prayer, they would have been seized by the Egyptian troop (Exodus 14). Even though the priests stepped in the flowing water of Jordan River and it stopped, if the Israelites had not crossed over the river following them, they could not have entered Canaan (Joshua 3).

It shows that even if you say you believe God's promise, only when you show the faith in works can you receive the blessing God promised (1 John 3:21-22). If you truly believe God-given vision and His promise, you should pray until His Word is accomplished (Ezekiel 36:37). God will accept your prayer, and as the answer He will show the way to achieve it and let you bear abundant fruit.

Step 3

You Should Wait Patiently and Unchangingly

“Let us not lose heart in doing good, for in due time we will reap if we do not grow weary” (Galatians 6:9).

When the Israelites conquered the city of Jericho, God told them to circle it for seven days. If they had followed fleshly thoughts, they might have thought it was so dangerous to do so with no weapon. However, no one complained. They obeyed and circled it. And when they shouted, the city was destroyed. Without the deed of faith of all the Israelites, the city might not have been destroyed. To see the faith, God watched them until the last moment (James 1:6-7).

When God told the Israelites to conquer Canaan, they could not enter it right after the Exodus. They had to cross the Red Sea, Jordan River, and circled and destroyed the city of Jericho with faith (Joshua 6).

In the same manner, in order to receive God's blessing, you should completely believe and unchangingly show the faith by your works. Then, you can receive the blessings God promised, and He will receive the glory through you.

The almighty God works in such a way that transcends human imagination and ability. Even if it looks like nothing is happening in reality, if you unchangingly show works of faith, God definitely works for you. And when His appointed time comes, you will receive the answer in a short while.

Therefore, until the moment you receive the answer from God, you should completely believe the faithful God and His promise, show your faith with works, and wait patiently and unchangingly. Then, you will be able to reap abundant fruit.

Handkerchief Healing Meeting in New Generation Church in Riga, Latvia

On June 13, another handkerchief healing meeting was conducted in Kuldiga Church located in Kuldiga, Latvia (Photo 5 on Page 1). Rev. Soojin Lee preached the message,

“Why Is Jesus Christ Our Only Savior?” and prayed for the sick with the handkerchief. Many people were healed of many diseases including depression and arthritis. A pastor had suffered from severe pain. It was an aftereffect of the surgery on torn ligament and damaged nerves of his arm. But after the prayer the pain disappeared and he came to move his arm freely.

On June 14, a meeting was conducted in New Generation Church in Riga, the capital city of Latvia (Photo 6 on Page 1). Rev. Dr. Soojin Lee delivered the message “Blessed Are Those Who Walk in the Light” and prayed with the handkerchief. The attendees were healed of herniated lumbar disc,

arthritis, respiratory diseases, and depression, and recovered eyesight and hearing ability. A pastor was healed of herniated lumbar disc that had troubled her for 15 years; she repented with tears in front of people that she had not walked in the Light.

Pastor Aleksey Ledyayev of the church said he had spread the news of Manmin ministry everywhere he went, and asked Rev. Soojin Lee to visit Georgia and Bulgaria.

On June 16, Rev. Lee preached the message “Faith” in Revelation Church in Valmiera (Photo 7 on Page 1). When she prayed with the handkerchief, people were healed of pains in arms, legs, and backs. They joyfully testified to their healing.

The DVD of Dr. Jaerock Lee's powerful ministry was presented before the sermons, and it planted faith in the hearts of the attendees. Power Worship Dance Team and Sister Jeongeun Kim's performances gave much grace to people and were highly praised.

Manmin members who have joined the worship services via the Internet in Ukraine and Moldova came all the way to the meetings held in Ukraine, and 10 deaf members who attend the service through sign language translation service on the Internet came to the meeting in Latvia. They recovered hearing ability, and were healed of facial paralysis and atopic dermatitis.

When I was a 9th grader in 1994, my mother had a surgery for stomach cancer in the final stage. She was recovered very quickly after she received Dr. Jaerock Lee's prayer recorded on the telephone Automated Response System. Then, I came to believe the living God (second from left in the photo).

During my college days, however, I did not live by the Word of God. After I got a job, I didn't obey the Word, either. Meantime, in New Year's Service 2003, I thought I would go to Hell if I got stuck in this way of life, and then made a resolution.

In March 2003, I came to Special Daniel Prayer Meeting. In the very first night, I was so touched in my heart and thoroughly repented of sins. And

I could distance myself from worldly pleasure. Afterwards, I began to faithfully serve as a choir member and a group leader. I was greatly blessed in taking care of souls and leading meetings.

I am a senior researcher in Samsung SDI Electronic Materials. In 2013, I began trying to live by the Word in my workplace. I spent most of my time there. At that time, I was in charge of a project and had to work with a person others avoided working with. It was hard to work with her at first, but as I prayed earnestly I came to be able to understand her. I used to feel a little upset and troubled before, but came to understand her in my heart easily. As I also tried to move her heart with consideration and love, I could finish the project successfully.

After work, I went to graduate school and

“My Life Was Renewed by the Holiness Gospel!”

Deaconess Miyeon Yu, age 39, Canaan Mission

attended Daniel Prayer Meeting. At home, I had to do assignments, study for tests, or write my thesis until 2 or 3 A.M. At that time, people in my workplace were sensitive due to employee performance review. I also had other things to do such as studying English and some works related to patent. I was even put in charge of the laboratory safe environment. I had to wake up at 5 A.M. and go to factories in other provinces by Korea Train eXpress (KTX). Whenever I was faced with various difficulties, I thought about quitting my job a few times a day.

But I relied on God and unceasingly prayed. I tried to learn humbly even from those who are younger than me or subordinates. As doing so, I could carry out my tasks successfully, and my lab continued to receive Excellence Award.

I was even ranked high in the performance review.

I could endure everything because I believed all these difficulties were from the love of God who wanted me to grow in spirit. I came to have a variety of experiences and learn how to deal with many kinds of problems. By the grace of God, I earned Master's degree in Yonsei University and even received Best Thesis Award. While everything came to be at peace, I became complacent in my believing life. In the meantime, in June 2016, I was transferred to a branch in Cheongju.

I had to join Daniel Prayer Meeting via GCN in my house in Cheongju. On weekends, I came to Seoul by KTX to attend worship services. Then,

I realized how thankful I should be just for being able to sit in the sanctuary. In the Manmin Summer Retreat, I felt deep love of the shepherd and became very earnest to repay his grace and tried to change into spirit. In September, I heard that I would have to stay in Cheongju for just six months, not a year. It was shortened. And I heard that I entered spirit. Hallelujah!

God also blessed my family as my soul prospers. My father Deacon Yangmok Yu received financial blessing, my mother Senior Deaconess Heejung Han performs her God-given duty diligently, and my sister Deaconess Jiyeon Yu is a member of Crystal Singers of Performing Arts Committee. I give all thanks and glory to God who blessed my family to lead a life with hope for New Jerusalem.

“I Met the Father God of Love!”

Sister Naraporn Sawaengchai, age 25, Chiang Rai Manmin Church, Thailand

I was born to a Buddhist family. When I was a sophomore in college, I was passing by Chiang Rai Manmin Church (Pastor Jaewon Lee). I saw a sign there: it said the church provided free lectures on Korean language. Since I liked a K-pop singer, I had wanted to learn Korean. So, I entered the church.

I took the lesson in the church on Tuesdays. After the lessons, the church members attended Praise and Worship Service. When I saw them praise happily, I wanted to join. In the service, I listened to Dr. Jaerock Lee's sermons and received much grace. And I began to attend the service every week.

On June 26, 2011, I participated in the church's retreat and accepted Jesus Christ as my Savior. On the

next day, I registered in the church. I read and listened to Senior Pastor's sermons on Manmin Central Church's website and YouTube. I kept the Lord's Day, prayed, and volunteered diligently. In 2015, I was elected President of Female Young Adults' Mission. I also became a teacher of Sunday School and a translator. Now I am a fulltime worker of the church.

My parents have been teachers for a long time, and I studied Thai traditional medicine in Rajabhat University. They wanted me to become a civil servant and live with them in our hometown. If I wanted, I could do so, and they asked it of me several times, but I really wanted to work for the Lord. Laying aside abundance and comfort, I have stayed in Chiang

Rai that was unfamiliar with me. But I am so happy because I live with hope for Heaven.

In early 2017, I caught a cold. I had a high fever and great pain all over my body. But I did not cease to pray and attended Special Daniel Prayer Meeting. On the night, Senior Pastor appeared in my dream and I was healed. A few days later, I was also healed of conjunctivitis by the fire of the Holy Spirit. Afterwards, I won in the Bible Quiz held in the church. As the prize, I will go to Manmin Summer Retreat held in Korea in this coming August. I give all thanks and glory to God who saved me who was on the way to Hell without knowing the truth. And I extend my thanks to Senior Pastor who is praying for Thai souls.
