NO. 553 AUGUST 6, 2017

## Handkerchief Healing Meetings in Abu Dhabi, Dubai, and Egypt Brought Spiritual Renewal to the Middle East

Manmin Central Church has been devoted to spreading the holiness gospel with the manifestation of the Holy Spirit's power at every corner of the world. Even in the Middle East where approximately 90% of the population is Muslim, the gospel is actively being spread. The broadcast ministry of Isaac TV, that covers Asia and Middle East, and constant visits and hosting of meetings have encouraged Pakistani pastors in Middle East. In July 2017, Pastor Taesik Gil (Daejeon Manmin Church) led three handkerchief healing meetings in the area.

On July 7, 2017, the first meeting was held in Living Water Church (Pastor Yonas Tsegaye Gebrewold) in Abu Dhabi, the capital city of United Arab Emirates, and it was attended by approximately 600 people (Photos 1 and 4). In 2015, Pastor Gebrewold visited Manmin Central Church to celebrate the church's 33rd anniversary, and he was much blessed in meeting with Dr. Lee. In 2016, he invited Pastor Gil to his church and conducted the handkerchief healing meeting, where many healing works happened.

In this meeting of 2017, Pastor Gil delivered the message "The Mystery Hidden before the Ages" (1 Corinthians 2:6-9). When he prayed for the sick with the handkerchief on which Dr. Lee had prayed (Acts 19:11-12), a person who hadn't seen well without eye glasses for seven years came to see well without them, and another was healed of chronic gastritis. And still another member came to hear with her ear that she had not been able to hear with (Photo 7).

In the evening, the next meeting was held in King's Revival Church (Pastor Manzur Barkat) in Dubai which is the largest city in the United Arab Emirates with 300 people in attendance (Photo 3). Pastor Gil preached the message "Keys to Receiving Answers" (John 5:8-9). When he prayed for the sick with the handkerchief many people were healed of their diseases. Pastor Manzur Barkat had learned about Manmin's ministry through Dr. Lee's Pakistan United Crusade 2000 and he longed to work together with Manmin.

The third meeting was held in Cairo, Egypt on July 9. The Shubra

Pentecostal Church (Pastor Sameh Hanna) had Sunday Service and the handkerchief healing meeting with Pastor Gil as the speaker, and around 200 people attended. He preached the message "Why Is Jesus Our Only Savior?" based on Romans 5:8 and prayed for the sick with the handkerchief of power (Photos 2 and 5).

A man, who had to rely on a cane for six months, came to walk well and threw it away. He gave glory to God walking around the sanctuary. Another man was healed of difficulty in hearing. Still another person who suffered from the paralysis of his right arm and leg was healed. Previously he could not hold things with hands for 10 years, but he joyfully testified to his healing while tightly holding a microphone (Photos 6 and 8).

Pastor Melad Youssef of Pentecostal Church delivered happy news, saying, "In 2014, a woman suffering from infertility attended Pastor Gil's seminar and received the handkerchief prayer. Through the prayer, she conceived a baby and delivered a girl. Her child is now growing well."

Rev. Atef Fouad, President of the Pentecostal Assembly of Churches, Egypt, asked Pastor Gil to visit again and said, "I witnessed the powerful works. Many people of this church were renewed and healed of diseases." Pastor Ibrahim Hanna, Vice President, said with a thankful heart, "I felt the presence of God and I was blessed through the message of life anointed by the Holy Spirit. I was renewed!"

On July 10, Pastor Gil met pastors who belong to the Pentecostal Church, Egypt, and on July 12 he met with pastors of Manmin Foundation in Cairo (Photos 9 and 10). The organization (Founder: Pastor Azez Morgan) was founded on assurance that the holiness gospel is the only key to renewing Egypt. They provide people there with Dr. Lee's sermons, books and other media of Manmin, hoping for the word of life and the powerful works to be spread all over Egypt.

Let's give all thanks and glory to God who has brought a great spiritual flow of renewal to pastors and believers in the Middle East through the holiness gospel and the manifestation of signs.

Senior Pastor Dr. Jaerock Lee

# God the Healer (1)

friends had faith in which he would be healed once he got to Jesus.

As seen in the cases above, to receive answers from God, you should surely prepare a vessel of 'faith'. As long as you have faith, nothing is impossible for God; He is the Almighty (Jeremiah 32:27).

In this church, you have heard, seen, and experienced many powerful works of healing. Even incurable diseases such as AIDS, leukemia, and various cancers were healed. All kinds of diseases including lung diseases and herniated disks were cured. One person's leg, which was shorter than the other due to polio, was lengthened, and fractured bones and torn ligaments were restored. Many who came on wheelchairs stood up and walked and jumped. The blind came to see, and the mute to speak. People who had no hope for recovery due to carbon monoxide gas-poisoning, and others with their lives at stake were soon healed and recovered when they received prayer by faith.

In this same way, in the overseas crusades, countless people were healed all at once when I prayed for the sick from the stage after the message.

## 2. The Causes of Diseases

### 1) Diseases Are Caused by Sin

When God created heavens, the earth, and all things in them, there was no disease, no pain, no disaster, and no death. But after the first man Adam committed a sin, infectious agents such as germs and virus came to exist. That is, Adam's sin is the initial cause of all diseases.

Exodus 15:26 implies that the cause of diseases is sin. "...the diseases on you which I have put on the Egyptians" in the verse refer to all diseases on the earth.

It is to note that the case of the blind man recorded in John 9 is an exceptional one. He was born blind that the works of God would be displayed in him. In most cases, however, the original cause of diseases or infirmities lies in sin.

Thus, if you want to have the problem of your diseases or

infirmities solved, you should first solve the problem of sin. In Mark 2, when the paralytic came to Jesus, He saw his faith and said, "Son, your sins are forgiven." After that He told him to get up and pick up his stretcher and go home. Immediately, he got up and walked.

In other words, you should first repent of your sin of not having lived by the word of God, and then receive forgiveness. You can then be healed of all kinds of diseases.

### 2) Diseases Occur When You Break the Law of the Physical Law

Some people keep unhealthy habits without caring for their body. They may overwork, eat irregularly or too much. They sometimes do not eat nutritionally balanced meals. This is breaking the laws of the flesh that God set. For this reason, such people cannot be protected.

Some even may harm their own body by drinking alcohol or smoking. They are unable to control themselves and hold fast to the desire for alcohol or cigarettes. They must repent that they had not lived by the Word. They should not abuse the body given to them by God anymore and try to keep it holy.

### 3) Nervous or Mental Problems Cause Some Diseases

Some diseases occur when people continue to be subjected to stress due to worries and anxieties, or when they suppress extreme anger, hatred, or sorrow. They may develop problems in their nervous system or mental problems such as neurosis, depression, and anxiety attacks, and this in turn causes problems in other parts of the body. In some cases, some who are mentally weak surrender their minds and thoughts to the flesh, so that they are captured by the forces of darkness.

However, such diseases cannot come to you if you live by the Word of God. God says, "Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God." He also tells you to rejoice always, give thanks in everything, love your enemies, and not to hate. But you cannot forgive but

begrudge and hate because you still have hatred, a hot temper, and ill feelings. You can neither give thanks, nor rejoice, but hold worries within. It shows that you do not have trust in God, which is an act of unrighteousness before God. Therefore, you should repent of it.

### 4) Some Diseases Are Brought by the Enemy Devil

It is the case of being captured by Satan, or possessed by demons. There are also physical disabilities or diseases that the enemy devil and Satan bring. They usually appear in a family where idol-worshiping is severe. It's because idol-worshiping is a sin that God detests most.

Exodus 20:5 says, "You shall not worship them or serve them; for I, the LORD your God, am a jealous God, visiting the iniquity of the fathers on the children, on the third and the fourth generations of those who hate Me."

When people stand against God by idol-worship, its aftermath reaches their third or fourth generations. Serious problems such as disease, disability, mental disorder, alcohol addiction, depression, and suicide keep occurring in these families. Even such a family, however, can be protected if they accept the Lord, and live by the Word of God.

In addition, either your ancestors or you did seriously evil things; you may get captured by Satan, or be possessed by demons. It is the case when they did serious evil which goes beyond the human limit even though they profess their faith. By the way, if the patient has a mental disorder so that he cannot listen to and understand the Word, he/she should not come to the temple of God. But the family should repent on his/her behalf in love, and come to receive prayer by faith on his/her behalf.

Dear brothers and sisters in Christ, if you prepare a vessel of faith that God wants and solve the problem of sin, everything will be possible. I pray in the name of the Lord that you will receive healing by faith, solve all kinds of life problems, and enjoy good health both in spirit and body.

"And He said, 'If you will give earnest heed to the voice of the LORD your God, and do what is right in His sight, and give ear to His commandments, and keep all His statutes, I will put none of the diseases on you which I have put on the Egyptians; for I, the LORD, am your healer'"  
(Exodus 15:26).

God wants His loving children to stay healthy without any diseases. Every disease has its cause. Now we are going to delve into what to prepare to meet God who is our Healer and the causes of diseases.

## 1. To Meet God, We Should Prepare the Vessel of 'Faith'

In the Bible, you can find that amazingly powerful works took place. The blind came to see, the deaf to hear, and the crippled came to walk and jump. Various diseases including leprosy were healed, and even the dead came to life. When many people witnessed the power, however, some received answers through the power but others did not. This difference was made depending on whether they had faith or not.

In Matthew 9, there is a record of a woman who had a hemorrhage for twelve years. She believed she would get well if she just touched Jesus' garment. Just as she believed, she was completely healed when she touched His garment. Mark 2 records the healing of a paralytic. He was unable to come close to Jesus because there were so many people around Him. So, his friends went up on the roof and let him down through the tiles with his stretcher in front of Jesus. The paralytic and his

## The Confession of Faith

1. Manmin Central Church believes that the Bible is God-breathed Word that is perfect and flawless.
2. Manmin Central Church believes in the unity and the work of God the Trinity: God the Holy Father, God the Holy Son, and God the Holy Spirit.
3. Manmin Central Church believes that we are forgiven of our sins only by the redeeming blood of Jesus Christ.
4. Manmin Central Church believes in the resurrection and ascension of Jesus Christ, His Second Advent, the Millennium, and the eternal heaven.
5. Members of Manmin Central Church confess their faith through "The Apostles' Creed" each time they come together and believe in its content verbatim.

"[God] Himself gives to all people life and breath and all things." (Acts 17:25)

"And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved." (Acts 4:12)

# “I Experienced the Power of Re-creation!”

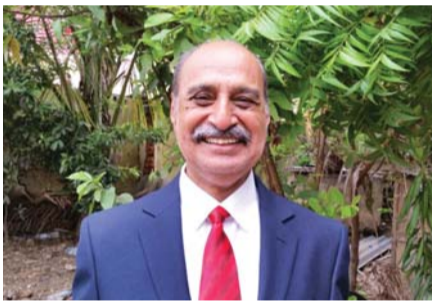

Manmin Summer Retreat 2016

At the Manmin Summer Retreat held at the beginning of August every year, many people are healed of many kinds of diseases including AIDS, depression, heart attack, brain hemorrhage, dementia, and blindness. Let’s now hear from those who testified to their healing.

## “I Was Set Free from Depression and Came Back to Life from Coma!”

Brother Jaswant Singh, age 69, Chennai Manmin Church, India

I was suffering from depression and had difficulty breathing after my wife passed away a few years ago. I also took medicine for 15 years due to aftereffects of heart surgery, and on August 2, 2016, the symptoms became worse and I entered hospital.

The next day I was moved to the intensive care unit because I was in a serious state. I asked my daughter

to call Pastor Joseph Han who was at the Manmin Summer Retreat in Korea and told her to ask him to receive Dr. Jaerock Lee’s prayer for me. Since Senior Pastor was in the prayer house, however, Pastor Han could not receive his prayer.

In the early morning on Sunday August 7, I ended up having a heart attack and fell into unconsciousness. Around that time, Pastor Han shook hands with Dr. Lee with my name written on his palm, and I woke up from coma!

I was moved to a general ward and left hospital the following day. I was completely healed of insomnia as well as depression. Hallelujah!

In January 2017, my grandson Shawn, age 11, had a rare disease that caused his nasal bone to keep growing, but he was healed of it through Senior Pastor’s prayer. With a thankful heart, I am preparing myself happily for Manmin Summer Retreat 2017.

## “I Received Healing of Blindness in my Left Eye and Recovered Vision!”

Brother Sangyeong Park, age 52, Parish 4, Manmin Central Church

In July 1990, I had a car accident. It caused great damage to my brain and I had major surgery. I was diagnosed with brain lesions stage IV and my left eye went completely blind. I could not see even light with the eye. I often bumped into people, and had several car accidents because I could not see the left rear-view mirror.

On August 8, 2016, on the first day of Manmin Summer Retreat, something amazing happened. I arrived at Deokyusan Resort late so I could not get to Jumping Park, the seminar venue. But I received Senior Pastor’s prayer on GCN live broadcasting via my smartphone. During the prayer, I felt cooling on my eyes and it became bright in my eyes. After the prayer, I began to perceive light and a little bit later I could see people moving.

In September, my left eyesight was 0.15, and in February 2017, it was 0.2. It has been improving.

Another aftereffect of the brain surgery was insomnia. I had taken zolpidem, which is sleeping pill, for several years. It had accompanying side effects and I tried to stop taking it, but it was not easy because I was addicted to it. When I did not take it, I could not sleep or I had nightmares or I was scared or nervous.

After the Summer Retreat, however, I came to sleep well without taking zolpidem. Hallelujah!

Now I can see the rear-view mirror and drive Level 1 vehicles. As I sleep well, I no longer burst out in anger at people. I am happy and healthy. I give all thanks and glory to God.

## “I Was Healed of an Incurable Disease, Color Amblyopia!”

Brother Jeongwoo Cheon, age 13, Masan Manmin Church

In May 2016, I heard from the eye doctor that I had color amblyopia. He said I would not be able to be a sailor, a pilot, nor a doctor due to my eye problem. I was worried for a while, but soon I felt thankful because Manmin Summer Retreat was coming up where many healing works would happen. My parents, my brother and I prepared for the retreat with faith to receive the answer.

On August 8, the first day of the retreat, Senior Pastor Dr. Jaerock Lee prayed for the sick. I laid my hands on my eyes. After the prayer, I opened my eyes. Then, lights on the stage looked very bright in my eyes. I was sure about healing of my eyes. I took out my smart phone and had the test for amblyopia. I could read the numbers and letters that had been unclear to my eyes. Hallelujah!

I am now serving as President of Children’s Sunday School. I want to be an exemplary student and glorify God.

## “I Was Healed of Ileitis During the Practice for the Athletic Meet!”

Deaconess Haesook Lee, age 61, Parish 24, Manmin Central Church

In late July, 2016, I had pain in my right lower abdomen. When I received Senior Pastor’s prayer recorded on the telephone Automated Response System, the pain was relieved. At that time, the 3rd Great Grand Parish was practicing the Roll-a-Ball Game for the Athletic Meet of Manmin Summer Retreat, and I was chosen as a player. On August 2, though I was feeling heavy, I joined the practice.

On August 3, I felt severe pain in my right lower abdomen again and could not sleep. I went to hospital, and after the CT scan, I was diagnosed with ileitis.

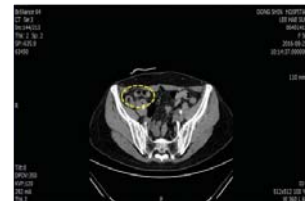

My ileum next to appendix was severely inflamed and there was pus that spread around it. It was so serious that it covered other organs. I heard that it would lead to peritonitis or septicemia and an urgent surgery was needed. The doctor scheduled my surgery the following day. I began to think about the reason why the disease had come to me. It came to my mind that I had habitually complained about everything. I repented of it thoroughly and after the repentance I felt happy. And I went practicing for the Athletic Meet and came back home. And I went to sleep after receiving Senior Pastor’s prayer.

In the morning, on August 4, I had diarrhea and it was green. Afterwards, I had no pain and felt better. My doctor said I showed no symptoms of ileitis any longer and there was no need of surgery. Hallelujah!

CT scan

Before the prayer ileum was seriously inflamed and swollen, and there was pus around it.

After the prayer inflammation was gone, and the swollen wall became normal.

**Sister Cheisusun,**  
age 35, Taiwan Manmin Church

### “My Father Was Healed of Severe Dementia!”

In February 2013, I was guided to Taiwan Manmin Church and I was given assurance in Heaven and Hell. I began to pray and renew my life. And as I diligently preached the gospel, my family was evangelized, and I also experienced several powerful works including the healing of allergic ophthalmodesmitis, an inflammation of the eye tendons.

On June 27, 2016, my father suddenly could not keep eye contact with me. The following day, he burst out in anger and did not wear clothes. He said weird words and acted strangely. On July 20, he had a check-up and was diagnosed with serious dementia. My family members offered up 21-day vowed prayer in Daniel Prayer Meeting, fasted, and received the prayer for the sick. Meantime, he

seemed to get less angry.

I visited Korea to participate in Manmin Summer Retreat 2016 and submitted my father’s photo and his disease to the church. On August 7, Senior Pastor prayed for him in the Sunday Morning Service.

God worked on my father transcending space and time. After the service, I talked to my mother on the phone. She said he started to move and eat. In fact, he had not eaten well and had fallen into sleep.

On August 8, he attended the retreat on the internet in Taiwan and received Senior Pastor’s prayer. After

the prayer, his memory recovered and all other symptoms were all gone. Hallelujah! On September 20, he had another check-up and it showed he was absolutely normal. I give all thanks and glory to God who let us experience this amazing power. I give thanks to Senior Pastor who prayed for my father.

#### Doctor’s Note

Before the prayer, diagnosed with dementia (left)  
After the prayer, no symptom of dementia with CDR score 1 (right)

### “I Was Healed of Acute Brain Hemorrhage!”

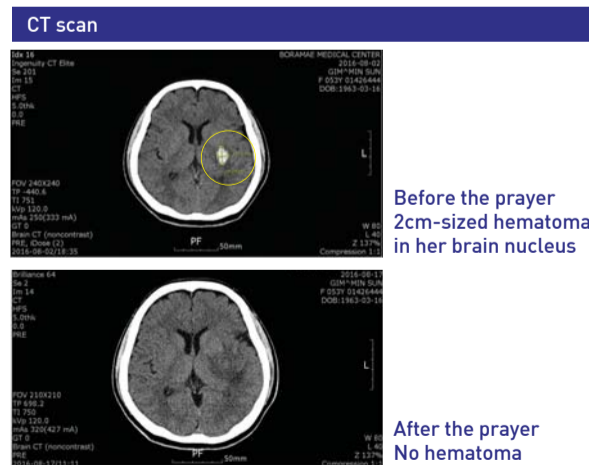

**Senior Deaconess Jinhee Kim,**  
age 55, Parish 12, Manmin Central Church

On August 4, my MRI scan still revealed a hemorrhage. But I showed none of symptoms of a brain hemorrhage. The doctor seemed to be confused.

I told him that I would sing the following day for the special praise in the church’s worship service. He was surprised and earnestly said, “No! Don’t. You can’t sing. If you sing, intracranial pressure will increase and it will cause bleeding in your brain again. You will die.” On August 5, however, I left the hospital to give my special praise with faith in my God the Healer. And I offered up my special praise by the grace of God during Friday All-night Service (Left).

On August 8, I participated in Manmin Summer Retreat. I received Senior Pastor’s prayer with faith during the seminar of the first day. On August 17, I had a CT scan done again. The doctor said blood had been soaked up, and all body functions were mysteriously normal. Hallelujah!

Before the prayer  
2cm-sized hematoma  
in her brain nucleus

After the prayer  
No hematoma

### “God Saved Me on the Threshold of Death!”

**Brother Bampa Sela Omer,**  
age 66,  
Kinshasa Manmin Church,  
DR Congo

I was diagnosed with AIDS and heard that I did not have long to live. I fell into despair and sorrow. Then, my aunt gave me Dr. Jaerock Lee’s books *Tasting Eternal Life*

*before Death, The Message of the Cross, and The Measure of Faith*, and reading them I came to have hope.

In October 2014, I began to attend Kinshasa Manmin Church and learned about Dr. Lee’s powerful works. I became assured that I would be healed if I relied on God who is with Senior Pastor. I stopped taking medicine and started to attend every worship service and Daniel Prayer Meeting. As I did so, strength was given to my body.

I wanted to be completely healed. I joined Manmin Summer Retreat 2015 via GCN and received Senior Pastor’s prayer. At the moment, the fire of the Holy Spirit came upon me and I became very hot.

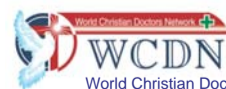

Afterwards, severe pain on my legs was gone, and I felt better. I no longer felt dizzy and came to move freely. My health condition showed marked improvements. All spots and wounds disappeared. I regained good health. Hallelujah!
