God's Overflowing Love and Power in Manmin

"Manmin Central Church boldly spreads the gospel with the power of God!"

Today many churches hesitate to spread the gospel out of apprehension. However, Manmin Central Church is a special church whose members boldly proclaim the power of God the Creator and the name of Jesus Christ all over the world. Senior Pastor Dr. Jaerock Lee's vision for the world and his spiritual leadership let the gospel of the Lord be spread all over the world. GCN, the church's TV station, is one of the foremost stations among the members of National Religious Broadcasters. The programs are high-quality and creative. It has set a great example for other Christian TV stations.

"I praise the power of God who terminated Ebola!"

I have been blessed to get promoted several times during my public service although I used to have no political support to take advantage of. I would suffer from other people's slanders and misunderstanding. But when I sent prayer requests to Senior Pastor Dr. Jaerock Lee, he prayed for me and all problems were settled. When I served as the governor of Equateur State, there was an Ebola virus epidemic. I sent a prayer request to him again and he prayed for the epidemic. From the day he prayed, not a single new case was reported. I praise the power of God who removed Ebola from the state.

- Elder Sebastien Impeto Pengo, Politician of DR Congo

"The church is biblical and the best church!"

On my visit to Manmin Central Church, I felt fullness of the Holy Spirit and warmth I had never felt in European churches. The church members love each other and devote their hearts to worship services and church ministries. Everything of the church is based on the Bible. I believe all of that was made possible by Dr. Jaerock Lee's teaching. When I heard many testimonies of God's works and the miracles that happened by Dr. Lee's prayer, I was deeply touched. The WCDN's ministry made me more eager in my faith and refresh my vision for spreading the works of God's power as a Christian doctor.

- Dr. Lyubka Tancheva, neurobiologist of Bulgaria Science Academy

"We the Knesset of Israel give thanks to you!"

The power manifested by Dr. Jaerock Lee in Israel United Crusade 2009 was truly amazing. At that time, our country had been suffering from a severe drought for several years. Dr. Lee prayed for it to end and God answered his prayer. It poured heavily in Jerusalem and other areas of Israel almost immediately after his prayer. When I first met him, I was a member of Jerusalem City Council but now I am a member of the Knesset and its Deputy Speaker. I am truly thankful for his prayer. Thanks to his love and prayer for Israel, we have been leading healthy and prosperous lives. I extend thanks to him on behalf of the Knesset.

- Mr. Yehiel Hilik Bar, Deputy Speaker of the Knesset, Israel

"The messages show the way to meet God and the Lord!"

I preach the holiness gospel of Dr. Jaerock Lee in many areas of my country and many other countries. A number of people there had already listened to his sermons and known well about Manmin Central Church. His messages clearly present the way to meet God and the Lord. In September 2017, Hurricane Irma was approaching where I live. Many residents around my house and in Florida evacuated, but we did not leave the area and stayed without fear after we asked for Dr. Lee's prayer. After his prayer, the course of Irma changed and ended up dissipating. We were kept safe.

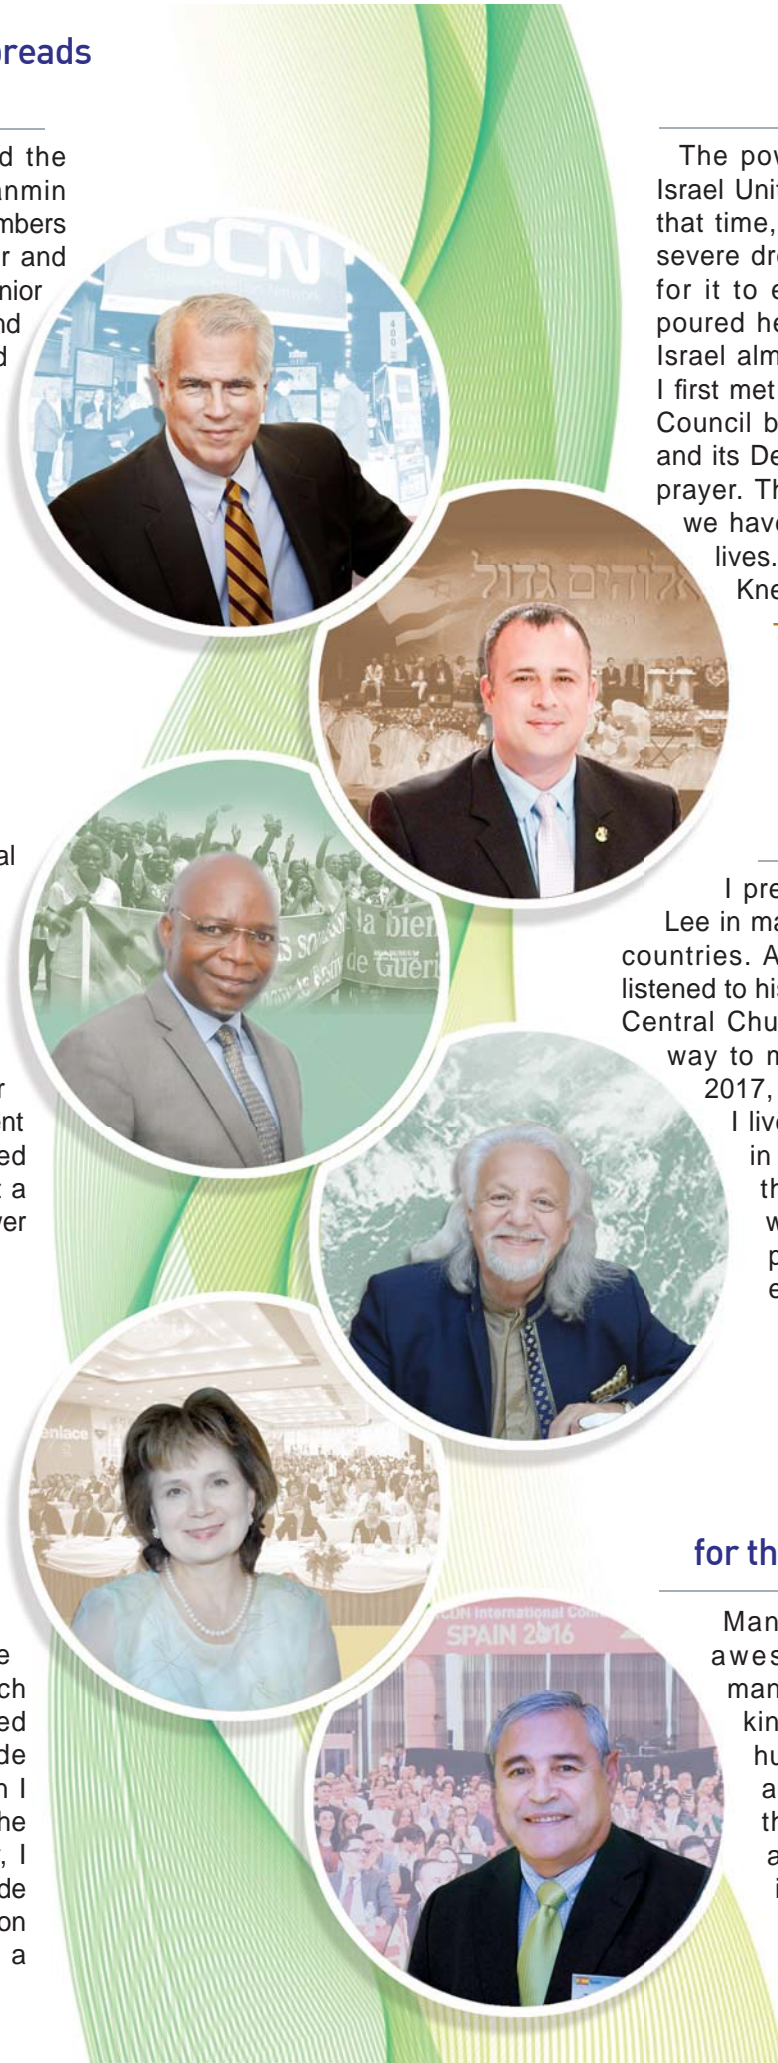

- Dr. Mikhail Morgulis, President of Spiritual Diplomacy, USA

"The church is God's plan for the whole world at the end time!"

Manmin Central Church is amazing and awesome. Though he is a pastor who manifests the power of God to extend His kingdom greatly, Dr. Jaerock Lee is very humble and gracious. Manmin is spiritual and powerful in all aspects. Moreover, the church shows the signs, wonders, and powerful works that this end time is in such desperate need of experiencing. I believe this church is set up in God's amazing and glorious plan for the world at the end time.

Power of Re-creation

and there was light”

During the Creation, God said, ‘Let there be light’; and there was light. It was done with His voice, which is the original voice. The power of re-creation is also the power of the original voice.

When one freely manages the original voice in the order of the Creation God set, and as something is held in his heart, it will be accomplished upon giving out this voice. Now let’s look into this ‘power of re-creation’.

1. What is the power of ‘re-creation’?

The work of re-creation is not the work of creating something that didn’t previously exist. It is the work of renewing the things that do exist. Metaphorically, it is not the work of creating a flower that does not yet exist, but it is the work of reviving the flower that is dead. When things that were beautifully created by God are destroyed or damaged, by the power of re-creation they can be recovered. Even the dead can be revived. It is the power that can renew the earth, the sky, and everything in them.

Now, what is it that is in the first priority to be renewed by the ‘power of re-creation’? It is ‘people.’ Men were created in the image of God (Genesis 1:27). After Adam committed sin, however, people lost the image of God. Fortunately, when they accept Jesus Christ and receive the Holy Spirit, their dead spirits are revived. At the end time, however, sin and evil are so prevalent that it is not easy for men to have even the faith sufficient enough to receive salvation. Unrighteousness and lawlessness are rampant in the world. It is almost the same even in the Christian community.

In this end time, God doesn’t give up and abandon such people. He not only wants to heal their wounded hearts, but He desires to wash their polluted hearts. He wants to manifest the power of re-creation to help them recover their lost image of God. It is the desire to give another chance to those for whom receiving salvation seems impossible by any means. This is the original love of God.

The power of re-creation started from this original love. To receive the power of re-creation, one has to present the love that could conform to the original love of God. To save a soul who can hardly be saved by justice, a corresponding price must be paid.

According to justice, the wages of sin is death (Romans 6:23). To save this soul from death, someone must make sacrifice for him by paying for the price of justice. Jesus was hung on the wooden cross to receive the curse of the law on our behalf. To redeem sinners from their sin, sinless Jesus shed His precious blood. As a result, a new justice was made: ‘Whoever believes in Jesus Christ is forgiven of sin, and becomes a child of God.’

To have the justice that can lead souls who are unable to receive salvation to salvation, the proper sacrifice has to be made. Then, those who could not expect to receive salvation according to the law of justice would be able to get a chance to receive salvation. Many from the Christian community and the world will come into this greater boundary of justice. The justice that gives the chance of salvation even to those of this perverse generation and the justice that changes the hearts of rebellious people and causes them to kneel down before God will be completed.

And the power that makes all this possible is the power of re-creation. When the power of re-creation is manifested, people who do not truly believe in God but fear Him will be able to feel His love, their hearts will melt, and they will believe in God by their own free will.

2. The power of re-creation that removes the heart of stone and renews it

Ezekiel 36:26-27 says, “Moreover, I will give you a new heart and put a new spirit within you; and I will remove the heart of stone from your flesh and give you a heart of flesh. I will put My Spirit within you and cause you to walk in My statutes, and you will be careful to observe My ordinances.”

It is the prophecy regarding the recovery of Israel. And, at the same time it is also the prophecy regarding the works of the power of re-creation that will take place in the end time. It says that even the hearts that are hardened with evil can be changed by the power of re-creation. This renewed heart is referred to as ‘a heart of flesh.’ Once people have this ‘renewed heart’ they can walk by the word of God.

In Chapter 37 of Ezekiel is the vision that Ezekiel saw of the dry bones that came alive and became an army. As Ezekiel saw, there were very many bones on the surface of the valley; and they were very dry. Then, God had Ezekiel prophesy over those dry bones, and there was a noise of rattling, and the bones came together, bone to its bone. And then, sinews attached to them, flesh grew and skin covered them.

Then God commanded Ezekiel to prophesy to the breath. And the breath came from the four winds and came into them. They came to life and stood on their feet, an exceedingly great army. This is the work of re-creation.

The ‘dry bones’ here refer to those with no possibility of restoration. There are many people who are like these dry bones. There are so many souls who have no possibility of life being renewed. Their hearts are aged, evil, deteriorated, and deformed. Even the souls in this state can be recovered, renewed, purified, and changed by the power of re-creation.

The God of love wants people who are living in this sin-filled generation to believe the living God and the authenticity of the Bible by seeing this power of re-creation and receive salvation and to enter heaven. This is His providence for the end time.

3. The power of re-creation that renews the perverted generation

1) Those who stand against a man of God, just as Korah and his people did

In Chapter 16 of Numbers is the scene that Korah, Dathan, and others took action and stood against Moses. Korah was of the tribe of Levi, and had a duty of serving in the temple. But he had a desire to go further to become a priest. And Dathan, Abiram, and their followers rose up against Moses, and they said that Moses made them suffer in the wilderness.

The acts were very evil in the sight of God. Hence, the earth opened its mouth and swallowed them up, and their households, and all the men who belonged to Korah with

“And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved.” (Acts 4:12)

their possessions. So they and all that belonged to them went down alive to Sheol; and the earth closed over them (Numbers 16:32-33). You can see how grave their evil was in the sight of God.

The sin of ‘standing against God’ in the Old Testament can also be found in the New Testament. That is ‘blaspheming, opposing, and speaking against the Holy Spirit.’ Jesus said in Mark 3:29, “But whoever blasphemes against the Holy Spirit never has forgiveness, but is guilty of an eternal sin.”

Today however, there are many who blaspheme, oppose, and speak against the Holy Spirit even among those who say they believe God. There are unbelieving people who are blinded by their own evil although they see the evidences of God. They rather judge and condemn a man of God with evil words, and slander him. It is the same as slandering God, and it cannot be forgiven.

However, God wishes that even such people can repent and get another chance of salvation. And thus, God allowed for this power of re-creation.

2) Those who deceived the Holy Spirit and betrayed the Lord just like Ananias and Sapphira, and Judas Iscariot

Judas Iscariot sought personal benefit and selfish greed in following Jesus. He intended to receive benefits by standing beside Jesus when Jesus came into a worldly position of power. He was in charge of the money box, and he used to pilfer what was in that money box.

But Jesus went in a direction that was different from what he expected. Eventually Judas Iscariot sold Jesus for 30 silver coins. Regarding Judas Iscariot’s death, Acts 1:18 says, “Now this man acquired a field with the price of his wickedness, and falling headlong, he burst open in the middle and all his intestines gushed out.” How miserable is the result of betraying the Lord out of greed!

Ananias and Sapphira experienced the fiery works of the Holy Spirit and grace in the early church as written in Acts 5. They said they would sell their property and give all that they received. Once they got the money in their hands, however, they kept some of it for themselves. Then, in the clear work of the Holy Spirit, Peter the apostle of the power rebuked Ananias and Sapphira. And they died immediately.

When one deceives the Holy Spirit even though he experienced grace, it is too a grave sin. Since Apostle Peter manifested the power by the Holy Spirit, deceiving him was the same with deceiving the Holy Spirit.

Moreover, if you take a vow before the LORD your God and do not keep it, it is to deceive Him. Thus, you must not carelessly take a vow before God because it is not related to salvation. If you do have enough faith to make a vow and keep it, it will become great blessing to you.

The fact is, however, that there are so many in the Christian community of today who do even more terrible evil than Ananias and Sapphira or Judas Iscariot. But God doesn’t want to forsake even those people. He shows His love to them through the power of re-creation and wants them to hold onto the chance of repentance and salvation.

3) Those who stand against the Holy Spirit due to their frameworks of knowledge like Pharisees and the scribes

The Pharisees and the scribes in the days of Jesus were those who could even recite the laws of the Old Testament and yet they didn’t understand the true will of God who gave it to them.

In John 5:39, Jesus said, “It is these (the Scriptures) that testify about Me.” If the Pharisees and the scribes had studied the Bible in the inspiration of the Holy Spirit, they could have realized that Jesus is the Messiah who was prophesied many times in the Old

Testament.

But most of them read the Bible locked in the frame of their knowledge. They couldn’t recognize Jesus who stood before them as the Word that had become flesh. They were like blind fools. That’s why they played the leading role in crucifying Jesus.

There are such people as these in today’s Christian community. They say, “I studied Theology for long years;” “I’ve done my ministry for many years, and many long years I have given to God;” or “I have a Ph. D in Theology, and I am more learned in the Bible than any of the others.” They are proud of themselves, but there are not many of them who actually receive the work of the Holy Spirit. Their knowledge becomes their pride and they commit the sin of judging and condemning. God wants to break their hardened frameworks by the power of re-creation. He also wants them to receive the work of the Holy Spirit and receive a chance of salvation.

One should interpret the Bible in the inspiration of the Holy Spirit, and to do so, he should toil to penetrate through the spiritual realm with countless times of fasting and prayers. The most important thing to do is to communicate with God, read His heart, and understand His will. But most of those who proudly say they know the Bible do not make such efforts to penetrate through the spiritual realm. Since I took care of the portion that they are supposed to do on their behalf, they will be able to break such hard frameworks of knowledge and receive the work of the Holy Spirit.

Dear brothers and sisters in Christ, truly, we will be strong enough to be prime movers in the duty of leading all the peoples of the world to salvation. It is love that revives and renews people. I pray in the name of the Lord that you will quickly change into apostles of love and accomplish the providence for the end time together.

I was infertile but received the blessing of conception!

Brother Promod Kumar in Delhi, India had no baby because his wife’s fallopian tubes were blocked. But after Dr. Jaerock Lee’s prayer, she was healed and came to have a daughter. Senior Deaconess Yunyoung Choi in Yamagata, Japan was too weak to have a baby but by Dr. Lee’s prayer she came to have two sons and a daughter. Deaconess Kyunghye Jang gained her first daughter after 12 years of marriage through the prayer and guided her parents-in-law to the church through this. Deaconess Pawari Ingkong in Chiang Mai, Thailand delivered a healthy son after four years of marriage (photos 1 to 4).

A daughter to a son, a son into a daughter in the womb!

Brother Eucharia Izundu in New Jersey, USA received Dr. Lee’s prayer on behalf of his brother. The couple wanted a son at the 9th month pregnancy though the hospital said it was a daughter. After Dr. Lee prayed for their desire, they had a son. Senior Deaconess Eunsuk Kim also wanted a son although she was told she was going to have a daughter, so she received the prayer and delivered a son. Deaconess Miyong Chae in Seoul and Sister Sophie Atieng in Nairobi, Kenya wanted daughters at their fifth and ninth months of pregnancy respectively. They received the prayer and both delivered daughters (photos 1 to 4).

I was at high risk of having a baby with Down syndrome but delivered a healthy one by the prayer!

A normal person has 23 pairs of chromosomes but people with Down syndrome has trisomy 21. For them to become normal, the chromosomes in billions of cells would be made whole. Deaconess Minkyung Lee’s fetus was suspected of Down syndrome and other genetic disorders because nuchal translucency testing showed 4.12mm at the 11th week of pregnancy. But after she received Dr. Lee’s

prayer, it became 2mm, which is normal. Pastor Suhee Yim at her fourth month, Deaconess Sungjin Yun at her fifth month, and Senior Deaconess Hyesuk Kim at her 16th week heard that chances were high that their babies had Down syndrome in Quad test, but they all delivered healthy children by Dr. Lee’s prayer (photos 1 to 4).

“My Lord never forsook me though I was absent for 23 years!”

Brother Deokhee Yeon, age 50, Parish 14, Manmin Central Church

In 1996, I was guided to Manmin Central Church by my wife, but I told her I was busy and did not go to church. My wife Deaconess Sunyoung Lee began attending the church because of my son Kyujin's serious asthma. We were just told that it would not heal completely even with medical treatment. He usually breathed hard as if he had run for a long time. But when he was a fourth grader, he was completely healed of it by the grace of God after he received Senior Pastor Dr. Jaerock Lee's prayer. Now he is a healthy man whose major is Taekwondo in

college.

My workplace was far from my house, so I went home only on weekends. When I got home, I just wanted to take a rest doing nothing. I wanted my wife to understand this heart of mine and serve me. This expectation caused us to have frequent arguing just for nothing. Meantime, one day my wife began to serve me the way I wanted to be served. Honestly, I had felt a little bad about her being eager for the church's work and not caring me before. But she changed and served me very well. As I saw her change, I

felt sorry because of her.

In August 2016, my second son was healed of congenital paralytic strabismus during Manmin Summer Retreat. It was so amazing! He had focused on things only by glancing sideways from his early childhood. His doctor told us that surgery would be very risky and it would not even guarantee healing. But he was healed of it by Dr. Lee's prayer.

My two sons experienced such healing works through Senior Pastor and have grown up well. My wife served me well. In this blessed family, I did not take so much grace and love that was given to me seriously. I just gave thanks for a while and forgot about it.

In 2017, I was faced with an unexpected difficulty while I was helping someone out. My wife prayed for me. By the time I handled some part of the problems, she suggested offering up visitation service in my business. I could not but rely on God in the face of the problems that I myself could not deal with.

On February 24, 2018, while we were offering up the visitation service, it felt like God knew my

heart and comforted me. On March 4, I went to the church to attend Sunday Service. I shed a lot of tears throughout the service without knowing why. I felt that the Lord had never forgotten me and knew every situation of mine although I was absent for 23 years.

Afterwards, the messages of Senior Pastor started to renew my heart. I was amazed by the in-depth explanation in Dr. Lee's sermons "The Message of the Cross," "The Measure of Faith," and "Heaven." In church, I felt burdens in my heart taken away one by one. I was touched by Senior Pastor who embraces the members and leads them.

I stopped drinking alcohol and began to attend Sunday Service and even Friday All-night Service and then Wednesday Services when I had time. I also began to pray. I give thanks to God and the Lord for patiently waiting for me who had lived in pursuit of worldly pleasure.

I also extend my heartfelt thanks to my loving Senior Pastor who showed his love in his power and who has held me through his heart.

“I was deaf in my left ear but it opened, and I had poor vision but I've come to see well!”

Deaconess Okhwa Kwon, age 79, Parish 4, Manmin Central Church

I had a serious fever when I was 8 years old, and it left me deaf in my left ear. Because of it I had few friends and was often all alone and cried. I could not properly receive school education to take care of my siblings. At the age of 19, I got married and moved to Daegu City.

I could not follow what the people in Daegu spoke because they speak their own dialect. Some said I was an idiot and felt sorrowful. God showed His love to such a poor and sad person as me.

On May 1, 2016, I was guided to Manmin Central Church. When I arrived in the sanctuary, I felt like I was in a big flowerbed.

The sanctuary was bright, and the church members' faces were brightened with joy. During Sunday Service Senior Pastor Dr. Jaerock Lee stood on the altar to preach the sermon. I felt strong, peaceful and spiritual light from him.

In his sermon he said that if we sincerely believe God, we will not sin or lie, then we can enter heaven. I gained peace and rest in his messages that I had never gained in my entire life. I began to pray in Daniel Prayer Meeting via GCN and offered up my thanks in prayer for leading me to this beautiful and good church.

In early 2018, my heart felt ached when I thought of Senior Pastor who was drained of all his energy and didn't see and hear well because he had devoted

himself to leading souls to salvation. I began to ask God in prayer for him to see and hear well.

Meantime, on the 25th day of March, I experienced something amazing. During worship service, I was able to hear Senior Pastor's voice much better even when he said something quietly. I had not been able to hear well with my left ear before, so I had tried hard to focus with the right ear. But it was different on the day. I could hear so much better the conversation with others and the sermon in services. I was healed of my hearing problem! I had suffered from it in my whole life but the God of mercy healed it even though I did not ask.

Moreover, I had very bad eyesight so I needed an additional lens as well as the glasses I wear. Even with the glasses and additional lens, I could not read small letters. But now I am able to read small letters without the extra glass.

I give all thanks and glory to God who gave me true happiness and recovered my hearing ability and eyesight though I will turn 80 soon.
