## Comfort, Peace, and Divine Healing!

### Missionary Trip to Venezuela Added 116 Associative Churches

God has poured out grace and manifested great works of the Holy Spirit in Venezuela. The gospel of Jesus Christ was set ablaze. For 11 days beginning March 12, Pastor David Jang of Colombia Manmin Church led a total of 9 gospel meetings including pastors' conference and 'handkerchief crusade'.

#### 'Manmin Holiness Seminar'

Manmin Holiness Seminars were held 3 times: in Ciudad Guayana on March 12 with 140 attendants; in Ciudad Bolivar on the 13<sup>th</sup> with 650 attendants; and in San Felipe on the 19<sup>th</sup> with 120 attendants each.

Pastor David Jang delivered "The Message of the Cross," which was first preached by our senior pastor Rev. Jaerock Lee. It delves into the providence of salvation through Jesus Christ in detail. Pastor Jang explained why God placed the tree of knowledge and why Jesus Christ is

our only Savior.

#### Handkerchief Crusades

Pastor Jang also led 2 handkerchief crusades with the handkerchief on which Rev. Jaerock Lee had prayed (Acts 19:11-12): the first one in Barcelona, Anzoátegui State on March 16, and the other in Panamericano on the 21<sup>st</sup>. He preached about why Jesus Christ is our only Savior and then prayed with the handkerchief.

Eyesight was recovered; malaria, heart disease, asthma, herniated discs and many other diseases were healed. Josue González (Age 5) was enabled to walk for the first time.

#### United Vigil And More Preaching

Pastor Jang also led a united vigil from Friday night on March 15<sup>th</sup> until 6 AM the next day. It was attended by 650 people. Pastor Jang preached about how we should pray based on

Jesus' example in Luke 22:39-40.

He delivered a message on the Parable of 10 Minas in Victoria Church on March 14, and on 'Holiness' and 'Sell Your Cloak and Buy a Sword' in New Jerusalem Church on the 15<sup>th</sup> and the 17<sup>th</sup>. On the 20<sup>th</sup> and the 22<sup>nd</sup>, he had a pastor's meeting in the capital city Caracas. On the 12<sup>th</sup> and 21<sup>st</sup> he visited Manmin local sanctuaries in Ciudad Guayana and Panamericano.

This missionary trip in Venezuela began with Victor Giménez experiencing the power of God through Rev. Jaerock Lee's messages on the Internet. In July and September 2018, great signs were manifested when Pastor Jang delivered messages and prayed with the handkerchief in local churches, which led to his 3<sup>rd</sup> missionary trip.

116 churches registered as associative churches of Manmin.

# Love Bears, Believes, Hopes, and Endures All Things (1)

“... [love] bears all things, believes all things, hopes all things, endures all things.”  
1 Corinthians 13:4-6

Senior Pastor Rev. Jaerock Lee

1 Corinthians 13 is called ‘Love Chapter’. Verses 4-6 explain the concept of love. Verse 7 draws the conclusion by stating 4 traits of spiritual love.

It says love bears all things, believes all things, hopes all things, and endures all things. Let us delve into the meaning of each.

## 1. Love Bears All Things

When we try to live by the word of God, we need to bear many things. We have to be patient when we’re faced with rising anger or irritation. We need to control our desire to live as we like. That is why the first characteristic of love is that of patience.

Being patient is at the personal level, enduring various things to cast away untruths from heart. Bearing all things has broader and deeper meaning. After cultivating truth in our heart by being patient, we bear all the pains caused by other people. It is to bear with all things that are not of spiritual love.

Jesus did only good things on this earth, but people mocked and despised and crucified Him. Jesus bore with all those people and interceded for them (Luke 23:34). As a result of such bearing, the door of salvation was opened so that anyone who accepts Jesus as his personal Savior becomes God’s child. Anyone could be set free from death and gain eternal life by faith.

God is slow to anger because He loves us. He always bears with us and shows us mercy and compassion. He changes very hardened hearts, too. He patiently waits even for those who seem to have absolutely no chance of being saved, to be saved.

Even today He is bearing all pains. He has been patient with so many evil people for thousands of years, waiting for them to be changed with goodness. Even for those who betrayed God and worshiped idols, He bore with them with faith in them and showing them He is the true God. He guides us with endless and limitless love (Jer. 31:3).

I could understand this heart of God to some extent as I’ve been ministering this church. I always looked at the believers with the eyes of faith, even those who had weak faith and who

had unfavorable characters. I was waiting for them to change someday. I earnestly prayed for them as I taught them the holiness gospel.

I’ve witnessed that eventually many believers became good workers of God as a result of such patience. When I see those individuals I feel my patience was nothing. God counts His patience nothing even though He is patient for such a long time through unbearable moments. Let us realize His love and also love everyone (2 Pet. 3:8).

## 2. Love Believes All Things

If we truly love somebody we can trust everything about them. Married couples will trust their spouse if they truly love each other. Even if their spouses lack something, they still want to trust them. However, without love there is no trust but only passing judgment and condemnation.

Faith is one of the measures to see the volume of love. Therefore, trusting God completely can be a proof that we completely love Him. Abraham was called a friend of God. Because he trusted God completely, he obeyed without hesitation God’s command to give Him his only son Isaac as a burnt offering. God acknowledged Abraham’s faith and his love.

Love is to trust others. Those who love God will trust God and His words completely. For this reason they can bear all things.

It says ‘love bears all things’. In order to bear all things that are not of spiritual love, we must have faith. Only when we believe all the words of God can we diligently circumcise our heart and cast away all the things that are not of spiritual love.

It is not that we believe in God because we loved Him from the beginning. The fact is that God first loved us, and we just believed it, and we came to love God too. God opened the way of salvation by giving His only begotten Son for us who were sinners. At first, we love God because we believe this fact, but if we cultivate spiritual love, we will reach a level where we believe because we love.

Cultivating spiritual love signifies casting away all hearts of untruth. If free of untruths in heart,

spiritual faith will be given from above with which we can believe from heart. Then, we won’t doubt God’s word and our trust will never be shaken. Also, those who cultivate spiritual love will believe in others as well. It’s not because the others are trustworthy, but because with love one can believe in them with the eyes of faith.

We should also believe any kind of person. We should also believe in ourselves. Even though we lack many things, we need to look at ourselves with the eyes of faith, believing in God who will change us. The Holy Spirit in our heart will always tell us that we can do it and He will help us. If we believe God’s love and believe that we can change, God will make it happen.

God believes in us. He believed each of us would come to know God’s love and be saved. He looked at everything with the eyes of faith. For this reason He gave His only begotten Son on to the cross unsparingly. He believes that even those who do not know the Lord yet will come to His side one day. He believes that those who accepted Jesus Christ will be changed and come forth as His children who resemble Him. I hope you will also be able to believe in any kind of soul.

## 3. Love Hopes All Things

When people don’t like something about others, they tend to try to change others to be as they want. However, it is next to impossible to change others. We need to change ourselves before trying to change others. We can just patiently wait for them to change with love and trust.

Love hopes all things in that it looks forward to our faith being actualized in reality. If we love God, we hope God’s words will be accomplished. We bear all things because we hope we will share eternal love with God in the kingdom of heaven later.

Unbelievers live as they wish in their given circumstances because they don’t have hope of a happy life in heaven. They just try to gain more and to gratify their desires. However, no matter how much one can enjoy, there is no true satisfaction. They still have fear of an uncertain future.

However, believers go the narrow way because they hope all things. 'Narrow way' means it is seen as a narrow way in the sight of the unbelievers. God's children do not indulge themselves in pleasures of the world. They go to church every Sunday, try to live by the word of God and voluntarily work for Him. All these things are hard without faith, and for this reason it is a 'narrow way'.

The apostle Paul said in 1 Cor. 15:19, "If we have hoped in Christ in this life only, we are of all men most to be pitied." In physical sense we need to exercise self-control in many aspects, and it might appear burdensome. However, this way is the happiest way. If we think of the eternal joy and happiness we will have in heaven, how

delightful this way is!

Those who truly believe will keep on waiting and hoping until all things come to be. Even for troublesome teens, if the parents trust them and look at them with the eyes of hope, they can change into good children any moment.

The parents' trust will plant self-esteem in them and facilitate their development. Those with high self-esteem have the faith that they can do anything by themselves and can overcome hardships. Such mindset will increase their grades, too. The same goes when taking care of the souls.

We must never make a character judgment on any soul based on our thoughts. We must never think they will never change or they are not

changing at all. We have to look at them with the eyes of hope, hoping they will change by God's love. We have to encourage them and continually pray for them. We should be able to have the eyes of hope with the heart of God who waits for us for a thousand years as if it were but a day.

Dear brothers and sisters,

The power of spiritual love is tremendous. If we cultivate spiritual love to bear, believe, and hope all things, many souls will be touched by our words and actions and be guided to the way of salvation.

I pray in the name of the Lord Jesus Christ that you will possess spiritual love that can save dying souls and reach the city of New Jerusalem.

## Flame of the Holy Spirit in Venezuela!

Victor Giménez (Age 45, Ciudad Guayana, Venezuela)

One day in 2010 I heard about the revival in Seoul, South Korea. I came across the website of Manmin Central Church during an Internet search. I was greatly impressed by the powerful works of God manifested by the Senior Pastor Rev. Jaerock Lee. I read his sermon series lectures 'The Message of the Cross', 'Measure of Faith', 'Heaven', 'Hell', and 'Genesis' after work.

I registered in Manmin Central Church on the Internet and attended the Sunday Morning Service of Manmin Central Church real-time on Saturday nights through GCN TV. I also had fellowship with Pastor David Jang of Colombia Manmin Church. I had earnest desire that we'd have a Manmin Church in Venezuela.

As I learned the will of God about keeping the Lord's Day holy and the importance of holiness through the Senior Pastor's messages, I couldn't help myself spreading it to my friends. I also shared Manmin News and The Message of the Cross CDs with pastors. I shared the holiness gospel on SNS as well.

### Local Sanctuary Opened

On March 27, 2018, the first local sanctuary in Venezuela opened in Ciudad Guayana. We are attending the Sunday services and the

Daniel Prayer Meetings of Colombia Manmin Church on YouTube live broadcast.

Through the video of Prayer for the Sick of Rev. Jaerock Lee and through Pastor David Jang's prayers with the handkerchief on which Rev. Jaerock Lee prayed (Acts 19:11-12), various paralyses, blood circulation problems, arrhythmia, kidney failure, sinus infections – a myriad of complications were healed.

Karelis Soto Aleman (37) came to Sunday worship with a 5cm cyst in her ovary but it disappeared after receiving prayer. The boy Eduardo Gomez (12) was healed of retention of fluid, belly swelling and yellowish color with low tension. Sister Dolvis de Zerpa had cervical pain, but when she received prayer a fire took something from her and she was healed. My family is also healthy all the time!

### Word of Life and Fiery Works of the Holy Spirit

Pastor David Jang visited Venezuela in July 2018. I invited people from nearby areas and cities to the worship service. Through the messages and prayer for the sick, many diseases were healed including AIDS, hernias, and headaches. Pastor Franklin Valencia gathered about 100 pastors who received the handkerchief prayer. They recovered good

eyesight and pains were gone.

In September, we had an outdoor meeting for healing and miracles in Guayana Plaza, which was attended by more than a thousand people. Fiery works of the Holy Spirit took place. People stood up from wheelchairs to walk; skin diseases and breast cancer were healed.

There were pastors' seminars in Guayana that had 300 attendants, and another pastors' seminar with 200 pastors in Yaracuy State. They were blessed by the messages and various diseases were healed. Through these the 2<sup>nd</sup> Manmin local sanctuary was established in Valencia, Carabobo State.

### Love of God and Joy of Salvation

In March 2019, Pastor Jang made his 3<sup>rd</sup> missionary trip to Venezuela. The pastors there showed how much they longed for the holiness gospel and ministry of Manmin. There was a pouring out of God's grace and the works of the Holy Spirit. I am so happy that the 3<sup>rd</sup> Manmin local sanctuary was opened in Coloncito.

I am so honored to work together in the ministry of Manmin in Venezuela to fulfill God's providence at the end time. I give all thanks and glory to God the Trinity who is at work yesterday, today, and forever.

## My Life Turned Around By Love on the Cross

Maxim Chubachuk  
(24, Moldova Manmin Church)

I went to church since childhood. I played in the Christian Orchestra, too. But going to church was just a habit and I lived in sins. Sometimes I wanted to stop sinning and repented, but I couldn't control my sinful desires.

One day, I met Brother Alexander Tabaranu in the Orchestra. He had turned into a devout Christian since he heard the holiness gospel. One day in 2014, he asked me many questions. They were from The Message of the Cross preached by Rev. Jaerock Lee.

"Why did God make the tree of knowledge of good and evil?"

"Why did Jesus wear the crown of thorns?"

"Why was Jesus nailed through His hands and feet?"

I found the questions interesting and I wanted to find out the answers. After I heard the answers to them, my yearning for the truth was set ablaze.

He gave me sermons and books of Rev. Lee and I listened to The Message of the Cross. I was filled with joy and happiness. I realized it was the true word of God and registered in Manmin Central Church on the Internet. I tried to live by God's word.

I learned more of Rev. Lee's messages and shared them with my family and

friends. Next year, my mother and sister also registered in the church. Hallelujah!

My mother Natalia Chubachuk had bacterial eczema that constantly produced infection and drainage on her hand. There was also bleeding.

Once she was admitted to the hospital for 5 weeks. The doctors said there was no cure. She had to take medicines all the time.

While listening to the sermons, she heard Rev. Lee saying, "You can cast away sins through fervent prayers, and you'll be set free from diseases to the extent that you are sanctified." She believed it and prayed about it every night. Then she received Rev. Lee's prayer for the sick on video, and her hands were made clean, without any medicines!

Furthermore, once she had fever and lethargy. She had to lie on bed all day long. However, she recovered and got up right away after receiving prayer for the sick of Rev. Lee.

Since she was healed of her bacterial eczema that she'd had for 23 years, she has been doing voluntary work in the church dining hall and carrying out the work of evangelism. My sister is a member of the dancing team, and I am working as a broadcasting engineer in the church.

When I heard about the importance of holiness, I believed there'd be guaranteeing works of God if the word came from God, and if it didn't, there wouldn't be any following work.

And God has been showing us amazing signs and wonders through His power. I am sure the holiness gospel is genuinely God's. When I tried to put into practice what I learned from Rev. Lee, I realized the true love of God and received resolution to the problem of sin, which resulted in change in my life.

I give all thanks and glory to God the Father and our Lord who give us only good things, and I also give thanks to the Senior Pastor for leading us to the truth through the word of life.

## A Good Church Brought Happiness

Beomsoo Lee (72, Chinese 1<sup>st</sup> Parish)

I went to church for a long time in China, but I took up drinking and smoking. I also often fought with my wife. I had sciatic neuralgia and arthritis and I couldn't walk without a cane. I had high BP and stomach problems as well.

In 2013, I watched a worship service of Manmin Central Church in Korea on GCN TV. The sermons of Rev. Jaerock Lee were easy to understand, and as I listened to them every week, little by little I gained faith.

I repented of my wrongdoings in the past and quit smoking and drinking, too. I was also healed of sciatic neuralgia, arthritis, hypertension, and the stomach problems! Hallelujah!

In October 2014, I went to Korea because I wanted to go to Manmin Central Church in person. That winter, I was healed of my excruciating shoulder pain. My wife Seon Guem Cho was also healed of insomnia, heart disease, and gastritis. The Lord was good to us.

From 2017, the church began to provide financial support to us since we were retired and couldn't find work. In addition, the Senior Pastor supported the senior church members who couldn't afford dental treatment. I couldn't afford dental treatments although I couldn't eat properly, and I received his support for it too.

The dental work took 2 months from December last year. I got my dentures and crowns, and now I can eat anything freely. I am so happy that I feel like I recovered my youth. With my gratitude I share Manmin News with my neighbors and offer my voluntary services for Chinese parish dining hall on Sundays.

I recovered my health and gained hope of heaven. I give all thanks and glory to God who blessed me and guided me to this good church.
