“All Thanks to God for Unchanging Love and Abundant Grace”

On the 17th day of November Manmin Church had Thanksgiving Service and Holy Communion. Remembering that ‘the sufferings of this present time are not worthy to be compared with the glory that is to be revealed to us,’ we gave all thanks and glory to God for protecting us with His blazing eyes, and sending us ‘the early rains and the latter rains as before.’

This year under the lead of the Women’s Mission,

church members volunteered to decorate the altar with a total of 239 grains, fruits, and vegetables. The decoration symbolized the heart of congregation who wish to become the fruits of human cultivation as they understand the love of God the Father who, from the time He created the sun, the moon, and the stars, has endured and waited for us to become His true children.

Senior Pastor Rev. Jaerock Lee

God the Author of the Bible

“All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness”
(2 Timothy 3:16).

The Bible tells us why God created man, how He has led human history, the beginning and the end of human cultivation, Jesus the Savior, the Holy Spirit the Helper, Heaven and Hell, and the duty of man. Then, who wrote this Bible?

1. God, the Author of the Bible

The Bible consists of 66 books: 39 books in the Old Testament and 27 in the New Testament. Thirty-four people, 26 from the Old Testament and 8 from the New Testament, are known to have written the Bible, which is written over a span of 1,600 years: 1,500 during Old Testament times and 100 in the New Testament era. Although more than 30 different people recorded the Bible, not one of them was its “author”. One might say that they all were ghostwriters.

Suppose a mother has 2 sons and she wishes to write a letter to the younger son. She has her older son write down in a letter what she wants to say to her younger son. Although the older son “wrote” the letter, that letter is from the mother. By the same token, God called on 34 individuals and led them to record the Bible in the inspiration of the Holy Spirit. Thus, the Author of the Bible is God.

2 Peter 1:21 reminds us, “No prophecy was ever made by an act of human will, but men moved by the Holy Spirit spoke from God.” Isaiah 34:16 also reads, “Seek from the book of the LORD, and read: not one of these will be missing; none will lack its mate. For His mouth has commanded, and His Spirit has gathered them.”

For the almighty God has recorded the Bible in the inspiration of the Holy Spirit, the Bible is not contradictory but consistent throughout, even though many people wrote it.

2. The Bible Recorded in the Inspiration of the Holy Spirit

Since the Bible was recorded in the inspiration

of the Holy Spirit, it must also be interpreted in the inspiration of the Holy Spirit. Attempting to interpret the Bible with human thoughts can lead people onto the path to destruction because such interpretation may not be in agreement with God’s will (2 Peter 3:16).

When it is interpreted in the inspiration of the Holy Spirit, however, we learn that no verse in the Bible is without its mate (Isaiah 34:16). Just as it takes more than pearls to make a necklace, the spiritual significance in Bible verses can be explained when they find mates that are complements of each other.

For instance, Acts 2:21 tells us, “And it shall be that everyone who calls on the name of the Lord will be saved.” The will of God on salvation, however, cannot be explained sufficiently with this verse alone. As Our Lord told us in Matthew 7:21, “Not everyone who says to Me, ‘Lord, Lord,’ will enter the kingdom of heaven,” calling on the name of the Lord alone cannot satisfy the condition to receive salvation.

As we are reminded in Romans 10:10, “For with the heart a person believes, resulting in righteousness, and with the mouth he confesses, resulting in salvation,” only those who believe with the heart and end up in righteousness can receive salvation when they confess the Savior with their lips. What, then, does it mean for a person “to believe with the heart”?

James 2:14 asks us, “What use is it, my brethren, if someone says he has faith but he has no works? Can that faith save him?” When a person believes with the heart and it results in righteousness, we can see him striving to rid himself of his sins and live by God’s Word.

Moreover, Romans 3:28 reads, “For we maintain that a man is justified by faith apart from works of the Law.” No matter how diligently you may

seem to practice the truth your deeds cannot be perfected without faith. "Believing with the heart" means accomplishing a sanctified heart resulting in holy behavior or, in other words, accomplishing the circumcision of the heart.

Salvation is only for believers who circumcise their hearts as they believe with the heart, live by God's Word, and confess the name of the Lord with their lips.

Without finding mates for such Biblical verses, people may learn the truth incorrectly and maintain that, "Salvation is for anyone who confesses that Jesus is his Savior" or "As long as you believe, you can still receive salvation even if you live in sin." Such misunderstanding will lead people to sin and, eventually, to destruction. In order to correctly understand the will of God embedded in Bible, you must find their mates and interpret them in the inspiration of the Holy Spirit.

3. God's Word the Eternal Truth

The Bible is God's Word and everything recorded in it is true. Such historical evidence as the history of Israel, events in its neighboring countries and people, names of people and places, and custom, all of which we find in the Old Testament, attests to the truthfulness of the Bible.

The Bible also contains a variety of prophecies and all of them were fulfilled as written. For instance, Luke 19:43-44 prophesied on the fall of Jerusalem, "For the days will come upon you when your enemies will throw up a barricade against you, and surround you and hem you in on every side...and they will not leave in you one stone upon another..." And forty years later it was fulfilled in 70 A.D.

Throughout the Old Testament are God's prophecies on Jesus' birth, ministry, Passion, and resurrection, while stories and records of how Jesus fulfilled Old Testament prophecies abound in the New Testament. On Jesus' birth, in Genesis 3:15 God foretold that the Savior would be born to the people of Israel. When God cursed the serpent, He said, "And I will put enmity between you and the woman, and between your seed and her seed; He shall bruise you on the head, and you shall bruise him on the

heel." It prophesied that the Savior would come as the seed of the woman and overcome death. Here, "the woman" spiritually symbolizes Israel, and Jesus was born in Joseph's family of the tribe of Judah (Luke 1:26-33).

Isaiah 7:14 tells us, "Behold, a virgin will be with child and bear a son, and she will call His name Immanuel," while Micah 5:2 reads, "But as for you, Bethlehem Ephrathah, too little to be among the clans of Judah, from you One will go forth for Me to be ruler in Israel. His goings forth are from long ago, from the days of eternity." According to these prophecies, Jesus was conceived by the Holy Spirit and born of the Virgin Mary in a manger belonging to an inn in Bethlehem.

When Jesus entered Jerusalem, as Zechariah 9:9 had predicted, He was on "a colt, the foal of a donkey." In addition, as foretold in Psalm 41:9, Jesus was betrayed and sold by Judas Iscariot. Moreover, there are countless detailed prophecies in many books throughout the Old Testament including Isaiah, Psalms, and Zechariah, concerning the Passion, burial, resurrection, and ascension of Jesus, and every one of them was fulfilled in New Testament times.

Dear brothers and sisters in Christ, I urge you to believe the Bible is God's Word for sure and act upon the commandments written in it. I pray in the name of the Lord that by doing so you will meet the living God all the time and receive blessings from Him and you will share love with Him forever as His true child.

“My entire family met the living God, and started a home church”

Bundna (30, Dalokpura)

Because I married Hindu man, my Christian life was not easy. My family persecuted me severely. I had to hide and pray. Thank God, after 8 years of prayer and fasting, my husband accepted the Lord, and I could go to church together with him.

I visited many churches, but there was unquenched thirst in my heart. I was looking for a pastor who can teach me true word of God, and who is full of love.

“The author of this book, *The Message of the Cross*’ can surely lead to the truth!”

One day, my neighbor handed me the books *“The Message of the Cross,”* *“The Measure of Faith,”* and *“Hell.”* After I read those books, I realized that Dr. Jaerock Lee, the author of those books, is the true pastor who can lead to the truth.” I wished to meet him, and to visit Manmin Church.

Soon, I was happy to find that there would be a healing testimony and seminar held by a medical team from Deli Manmin Church. While I was there I was so touched there by the words of life, the

works of God’s power, praise and worship, and prayer. Tears continued to run down from my eyes when Pastor John Kim of Deli Manmin Church prayed with the handkerchief on which Dr. Jaerock Lee had prayed.

From August of 2015, I began going to Deli Manmin Church, and since then, many changes occurred in my life. My husband and I used to argue a lot, but now we’ve come to understand each other. My family became a family of peace that has nothing to do with diseases.

For many months, I couldn’t sleep well at night because of nerve trembling in my legs. But after receiving Dr Jaerock Lee’s prayer for the sick, I was healed. My two sons used to go to hospital because of pneumonia, but after attending Manmin Church, they never go to hospital. Especially, my second son couldn’t go to school for a month due to typhoid. But after receiving the handkerchief prayer of God’s power, he was healed.

My entire family, even my persecuting mother-in-law, experienced the power of God

Whenever I met sick people or people with problems, I testified to them about my healings and introduced Manmin Church. I told them why

Jesus Christ is our Savior. As I told them about Dr. Jaerock Lee’s *‘The Message of the Cross’* with testimony of healing works, they were evangelized.

Pastor John Kim of Deli Manmin Church drove an hour to Dalokpura, and prayed for many people. Soon, I began to have Sunday Services at home and it became a home church with about 20 people attending. Now, we also have Daniel Prayer Meeting, Wednesday Service, and Friday All Night Service and God keeps sending new members, Hallelujah!

I have a very interesting testimony. There were many mice and ants in my house. After receiving prayer, they disappeared, but soon they came back again. Then, I heard the message about the whole tithe. I understood the will of God and obeyed it. Soon all the mice disappeared, and the ants in the house (even on the bed) were also gone. As we gave the whole tithe, my husband received the blessing of opening a business.

My mother-in-law used to suffer from a herniated disk and arthritis, but after receiving the handkerchief prayer of God’s power she was healed. She can now walk well. Before, she didn’t even want to hear the name of the Lord, but she’s changed. She confesses that she is a sheep of Manmin.

I give all thanks and glory to God and the Lord who blessed my family to meet Manmin Church and receive healing works.

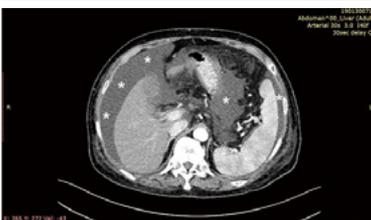

“I was healed of hepatitis B, and my mother, of hepatocirrhosis”

Deacon Dong-Gyu Kim, 1 Chinese Parish

Abdominal CT scan (Deaconess Lee, Soo-Kum)

Before Prayer: hydrops abdominis are found around liver and spleen (white star marks)

After Prayer: hydrops abdominis not seen

A relative of mine, Deaconess Jung-Ja Park, was healed of arthritis after receiving Dr. Jaerock Lee's prayer. While leading a happy Christian life, she led me to Manmin Church in 2012, but my life was tough, and I didn't go to church as I should have.

I suffered from hepatitis b. I was always tired. I had no appetite. I had constant headache, and I couldn't breathe well due to rhinitis.

Deaconess Park advised me again, and I went to church again in 2013. I met so many Chinese Parish members who were healed of diseases. They solved their life-bothering problems and managed happy Christian lives. I was touched a lot by them. I also received God's grace through Dr. Jaerock Lee's messages, and kept the Lord's day holy.

Gradually my diseases disappeared. Breathing problem due to rhinitis, headache, and other 25 year-long diseases were all gone. I was even healed of hepatitis b. Hallelujah!

I was so grateful for the Lord's grace that I helped Chinese Parish members in a church cafeteria. Now I serve the Lord as a member of Chinese Praise Team. I'm also grateful that my mother, Deaconess Soo-Kum Lee was also healed of hepatocirrhosis (cirrhosis of the liver). It's like a dream to see my healthy mother!

When she was in China, she even had hydrops abdominis because of the liver cirrhosis. She was told in a hospital that she had to go to Korea for proper medical treatment. Since I experienced God's healing, I said to her, "Please come quickly to my church and be healed." She came to Korea last January 1, 2019.

I believe that God was pleased to see her come to Korea by faith. In the morning after her first night in Korea, swelling of her legs subsided, and her coughing were reduced. After receiving handkerchief prayer of God's power a couple of times by Mrs. Bok-Nim Lee the president of Manmin Prayer Center, the swelling was almost gone.

Then she attended Manmin Prayer Center meeting every day. She heard messages, prayed, and received Dr. Jaerock Lee's prayer for the sick. As she read his books such as *My Life, My Faith*, and *The Message of the Cross*, she understood the love of God and of the Lord. Her joy and thanks continued to grow up as her faith grew up. Eventually she was found 'normal' in a hospital diagnosis last September. Hallelujah!

I give all thanks and glory to God the Father and the Lord who blessed us to lead happy Christian lives.

“I am happy to be free of rheumatoid arthritis”

Brigitte Ngolo (56, Kinshasa Manmin Church, DR Congo)

I've suffered from rheumatoid arthritis in my left hand and arm since May, 2013. Because of a stinging pain I could not use my left arm and hand. It was more painful when I put my hand into cold water.

But I depended on God all the more. I began my Christian life in Kinshasa Manmin church early that year, and I believed that God dwelled in my heart. I was promoted at work, and my family received blessing.

Dr. Jaerock Lee told us to cast off sin and evil, and to resemble the heart of the Lord in his message. With tears I repented of my adulterous mind and lies. Then my faith grew up.

So, I eagerly wanted to be healed of rheumatoid arthritis by the power of God. I prepared myself for Manmin Summer Retreat that was held in August.

On the first day of Summer Retreat that I attended by watching GCN, the tears of repentance from the

depth of my heart burst out, and when I received the prayer for the sick by faith, I felt something was penetrating my left shoulder. My left arm felt like burning.

I kept on repenting, and the heat in my arm gradually cooled down. I'd been given peace of mind. I slowly moved my left arm, but there was no pain at all. I felt nothing wrong. Hallelujah!

I could put my left hand or whole arm into cold water, and now I can even take a shower with cold water and hand-wash my clothes with cold water. I can use my left arm and fingers freely with no pain. All my body parts became normal and healthy, I am so happy.

God presented me a miracle in my life. I give my thanks to the Lord, who is my Savior and healer of my life.
