## Various diseases were healed by God the Father's Explosive Power

### The "Divine Healing Meeting" for the Sick began again in 2020

Acts 19:11-12 says, "God was performing extraordinary miracles by the hands of Paul, so that handkerchiefs or aprons were even carried from his body to the sick, and the diseases left them and the evil spirits went out."

Today, God makes the amazing works of the Holy Spirit take place through the handkerchief on which Dr. Jaerock Lee prayed, which confirms that the

Bible is true, and that God is alive.

The divine healing meeting for the sick took place again this year, and it was broadcast live all over the world by GCN ([www.gcntv.org](http://www.gcntv.org)) through satellite, and YouTube. After Pastor Soojin Lee delivered a message under a title of Keep your feelings under control (Romans 12:19-21) during the Friday All-night Service on Jan. 31, 2020, she helped the congregation to repent and receive the Holy Spirit. Then she prayed earnestly with the handkerchief of God's power calling the names of diseases that the sick people around the world registered.

Not only those who participated in the meeting on-site but also those who attended the meeting on-line from abroad such as India, Colombia, Peru, Mongolia, Kenya, DR Congo, and Canada experienced the work of the Holy Spirit. They testified to their healings; the nerve revived, eyesight and hearing were restored, rare diseases were healed, irregular teeth were corrected, and the lame walked.

They were also healed of various pains, gonarthrosis, herniated disks, scoliosis, frozen shoulders, irritable colon syndrome and many other diseases, and they glorified God greatly.

The divine healing meeting is held every last Friday All-night Service of the month.

## Why Is Jesus Our Only Savior? (2)

“And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved” (Acts 4:12).

In the last issue of *Manmin News*, I said that according to the law on the redemption of the land (Leviticus 25:23-27), the Savior of mankind must first be a man with spirit, soul, and body; and second, He must not be a descendant of Adam who sinned.

Today let's explore the third and fourth qualifications and the reasons why only the Lord Jesus could satisfy them to become our Savior.

### 1. It is because Jesus has the spiritual power to defeat the enemy devil

Rescuing fellow soldiers taken captive on a battlefield requires strength to defeat the enemy. By the same token, rescuing mankind, who have all become slaves to the enemy devil, requires spiritual power that can defeat the enemy. In the spiritual realm, power comes from being sinless. Just as the darkness is driven away by the light, when people dwell wholly in the light without any sin they can overcome evil spirits belonging to the darkness.

There are two kinds of sin: the original sin and self-committed sins. “The original sin” refers to sinful attributes passed down to us from Adam and our parents and “self-committed sins” refer to sins people commit during their lives in this world. People of this world determine that no matter how evil a person's heart may be, as long as that evil heart does not produce evil deeds, that person is not deemed a “sinner.” In spiritual terms, however, a person is already a sinner if he harbors sin in his heart (1 John 3:15; Matthew 5:28). An individual who has sinned in deed or in heart even once does not have the power to save mankind.

Furthermore, all people born after Adam sinned are born with the original sin and commit sins during the course of their lives. On the other hand, Jesus was conceived by the Holy Spirit and is not a

descendant of Adam. Thus, Jesus was born without the inherent original sin and as He wholly obeyed God's Word from the moment of His birth, Jesus did not commit any sins during the course of His life on the earth (Hebrews 7:26; 1 Peter 2:22).

Therefore, Jesus possesses the power to save mankind from the enemy devil and is not bound to the curse of the Law, which dictates that “the wages of sin is death” (Romans 6:23). Since He was sinless, Jesus could save all sinners and with His spiritual authority, He could rule over everything in the universe.

This provision of the Law of the spiritual realm applies not only to Jesus, but also the children of God who believe in Jesus. Whoever loves God and lives by His Word possesses the spiritual power so that when he drives out the enemy devil and Satan in the name of Jesus Christ, they have no place before him, they must submit and leave.

I have had such experiences countless times. Before believing God, I always struggled to pay for medication and hospital visits as I had suffered from a variety of diseases for seven years. After accepting the Lord, however, I have lived by the Word and all my family has been kept safe and healthy without ever going to hospital.

Furthermore, when I commanded and prayed in the name of Jesus Christ, people suffering all sorts of incurable and terminal diseases including cancer, leukemia, AIDS, and many others have been healed, countless blind, deaf, and mute have been made whole, carbon-monoxide gas has been driven out, and evil spirits repulsed.

No one else in the history of mankind—with the exception of Jesus—can satisfy the qualifications for the Savior. All men such as Buddha, Confucius, and Socrates were born with the original sin as descendants of Adam; only Jesus is qualified to be mankind's Savior.

## 2. It is because Jesus possesses love by which He can sacrifice His life

If a brother is to be punished by law for being delinquent in repayment of his debt, he can avoid punishment if his wealthy older brother pays back the debt on his behalf. All the wealth of his brother, however, would not mean a thing if he did not love his brother. His brother can pay back his debt only when he loves his brother enough to pay back the debt even if he is to sustain losses himself.

Land can be redeemed according to the law on the redemption of the land only when the nearest kinsman of the one who has sold the land is willing to help him in his love. The same can be said of redeeming mankind from their sins.

Even though Jesus satisfies the first three conditions for the Savior, without love He would not have redeemed the sinners from their sins. Becoming the Savior of mankind requires that He undergo a colossal amount of suffering and distress known as the “punishment by death” on behalf of all sinners. Towards this end, Jesus was treated as if He were the worst and the most evil of criminals, subject to all kinds of disdain and contempt, crucified on the cross, and left to shed all of His water and blood.

While there are many ways to execute criminals, according to the law of the spiritual realm, the Savior who was to redeem the sinners from their sins was not only to simply die but He had to be hung on the wooden cross and bleed to death. Galatians 3:13 reads, “Christ redeemed us from the curse of the Law, having become a curse for us—for it is written, ‘Cursed is everyone who hangs on a tree.’”

Here, “the curse of the Law” refers to a spiritual law saying in Romans 6:23, “The wages of sin is death.” As death, the curse of the Law, came upon a sinner according to the law of the spiritual realm, the way by which the Savior was to save mankind from their sins would have to be in accordance with the law of the spiritual realm as well. This meant that the Savior would have to be hung on a tree on behalf of cursed sinners.

The same applied to the Savior’s bleeding to

death. Leviticus 17:14 reads, “The life of all flesh is its blood,” while Hebrews 9:22 reminds us, “And according to the Law, one may almost say, all things are cleansed with blood, and without shedding of blood there is no forgiveness.” For “blood” is the same as “life” in spiritual terms, the blood of the Savior was necessary in order for sinners to be forgiven and receive life.

Yet, man could be redeemed from his sins not by the blood of just any man hanging on a tree but by the clean and pure blood that is without any traces of sinful attributes. For what, do you suppose, would a sinless man die such a brutal death on behalf of others?

Such a sacrifice can be made only when the individual loves the other person more than his own life. He can become the Savior only when He loves sinners much enough to take the miserable suffering on the cross on behalf of them. Showing mankind such love, Jesus became our Savior (Romans 5:7-8).

Brothers and sisters in Christ, the love of God does not change and is not self-seeking. By that love, God has given over His only begotten Son even for the disobedient sinners. It is a true love by which Jesus could sacrifice His own life for the very sinners who mocked and crucified their Savior.

I pray in the name of the Lord that each of you will realize plainly that only Jesus is our Savior, accept Jesus Christ, and not only receive salvation but also gain true faith and lead countless others back to the way of salvation.

## “The Lord healed me of cervical dystonia!”

Roopa Gurung (Age 50, Indor, India)

One year ago, my right hand suddenly hurt and it started to shake. My shoulder and neck also moved involuntarily.

From a hospital, I was diagnosed with cervical dystonia. It was the cervical dystonia (a neurological disorder in which the muscles go into spasm so that the head and limbs are held in unnatural positions) that

affected even the fingers. The doctor gave me medicine and said to do the neck exercise.

I took many medicines to reduce pain, but it rather got unbearably worse. Since I couldn't sleep well from pain, spending nights was a torture to me, so I wished I could die.

Furthermore, my back became stooped. I got an injection to cure it, but it didn't work. When something touched my back, I had a sharp pain. Because I couldn't sit for a minute, I always had to lie down on one side. In addition, I couldn't speak properly because of my neck shaking.

Meanwhile, I came to know about Jesus Christ through a neighbor. While searching Youtube with a hope of divine healing, I found the prayer for the sick by Dr. Jaerock Lee.

I called Deli Manmin Church on January 10, 2020. They recommended me to watch “Power of God” which is about Dr. Jaerock Lee's ministry of God's power. I watched it and found amazing testimonies through Dr. Lee's prayer. I called Deli Manmin Church again and said

that I also wanted to be healed.

Then, they told me that I could be healed if I attended and received a prayer at the Divine Healing Meeting held in Manmin Central Church. Also, they advised what I had to do to prepare myself for healing. As I was advised, I listened to Dr. Jaerock Lee's sermons, ‘The message of the Cross’ and ‘Measures of Faith’, and I realized that most diseases came from sin (Exodus 15:26). So, I repented how I had hurt others' feeling and fought with others.

Finally, I attended the Divine Healing Meeting of Manmin Central Church at the Friday All-night Service on January 31 through GCN TV Hindi. When Pastor Soojin Lee prayed with the handkerchief of power, I felt like fire burning on my body.

After the prayer, I tried to walk. Amazingly, I could straighten my back immediately. The pain on my neck, shoulder and back disappeared and the involuntary movement diminished.

I can now speak without stuttering. I can sit on a chair and walk well. Hallelujah!

*Muan*  
SWEET WATER  
The 20th Anniversary

## “After dipping myself into Muan Sweet Water pool, my chronic headache has gone and I come to draw well.”

Deaconess Elena Litvina (Age 59, St. Petersburg, Russia)

I've been working as a chief nurse in Pushkin Hospital in Russia. In October 2016, I was invited to Manmin Central Church's 34th anniversary event as a member of WCDN Russia Conference Organizing Committee.

At that time, because of the serious pain of my knees due to the severe arthritis, I couldn't walk well. I couldn't stretch nor bend my knees. It was especially painful to go up the stairs.

However, after receiving Dr. Jaerock Lee's prayer,

the swelling of my knees became normal and I felt no pain at all when I went up and down the stairs and I was able to spend the rest of my travel schedule happily.

As the last course, we visited Muan Sweet Water Site in Muan County, Jeonnam Province. But, when I was about to pray before I dipped myself in the Muan Sweet Water Pool with a heart's desire, all of a sudden, a severe headache struck me. It was so serious that I couldn't think of any prayer title but I just repeated saying, "Lord! Forgive such a sinner as me and heal my headache!"

The next morning, my condition became so well. And I returned back to St. Petersburg where a more amazing event was waiting for me. I found the chronic headache gone which had troubled me from my early childhood. I used to carry headache pills and

take them whenever I had headache, but I have no headache at all. I also had high blood pressure, but since my visit to Korea, my blood pressure has stayed normal.

I have a more mysterious testimony. After my visit to Manmin Central Church, I took my granddaughter to her drawing contest. She asked me to draw together, and I drew a picture together. Something amazing happened right in front of my eyes.

I was not good at painting, but I felt artistic passion in my brain and heart. My hands began to express them on the canvas. People around me saw my picture and said, "Wow! You are really good. You must be a painter." I thought it was so amazing.

Since then, I have painted 16 pictures for three months. I feel happy to draw. Whenever I see my

pictures, I am astounded and think, 'Did I really draw those pictures?' Joy overflows in my heart whenever I draw.

I began to reflect upon this incident. I received Senior Pastor's prayer in Manmin Central Church and dipped myself in Muan Sweet Water Pool. Then, my chronic headache disappeared. Isn't it that brain cells that control creativity and artistic activities were re-created after the healing of the headaches?

Of course, a professional artist probably would find something that my pictures lack, but the amazing fact is that I have never learned painting and I had never been able to draw well. So, I have testified to my case to many people saying, "God is definitely alive, and He is the Healer. He reveals His glory to those who try to find Him!"

### What is Muan Sweet Water?

3,500 years ago from now, in Old Testament era, Exodus chapter 15:22-25 depicts the bitter water of Marah turned into sweet water. And the same kind of work of God recurred on March 5, 2000 in Muan Manmin church, South Korea. The sea salty water from the well changed into sweet drinkable water by the prayer of senior pastor Rev. Dr. Jaerock Lee.

Since then, a great number of people have been healed of many kinds of diseases and many hearts' desires have been fulfilled when they use it by faith.

## “My overlapping teeth moved to look good.”

Alma Solano (Age 58, Columbia Manmin Church)

Through YouTube live service of Columbia Manmin Church, I have attended Sunday Service and Daniel Prayer Meeting of Manmin Central Church. And, I heard about the news of Divine Healing Meeting.

My 2 lower center teeth overlapped each other, which yielded quite a gap with the lower

lateral incisors. Surely, it didn't look good. I heard at a dental clinic that I needed to wear correction bracket for one year. Through January Divine Healing Meeting, when Pastor Soojin Lee prayed with the Handkerchief of God's Power, I felt a little pain. After that, my teeth moved aside to look correctly. Hallelujah!

## “My severely twisted s-shaped spine was straightened.”

Deaconess Insoon Lee  
(Age 63)

15 years ago, while riding a bicycle downhill, I fell down so badly that my pelvis and spine became twisted. As time went by, my pelvis and spine were twisted more severely. My body was deformed and tilted to the right so much even when I sat down.

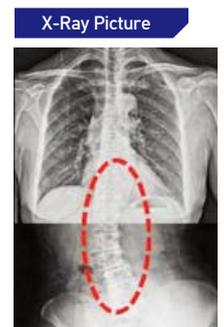

My both legs felt always heavy and back pain was severe. When I stood up, my right leg was shorter than the left one by 3 centimeters.

Hearing this Divine Healing Meeting, I attended the healing meeting of Manmin Prayer Center,

and longed for God's grace. I repented of what I had not changed with the 3 day fasting, and prepared for the Divine Healing Meeting with a longing heart.

On Jan. 31, during the Divine Healing Meeting, I received Pastor Soojin Lee's prayer with the handkerchief of God's power (Acts 19:11-12). Then, the pain disappeared and my body felt light.

And my severely twisted body was straightened so that I could stand up correctly. Hallelujah!

X-Ray Picture  
Before Prayer:  
Left pelvis goes up  
because of Lumbar  
scoliosis, which is the  
cause of a short leg.

## “I was completely healed of kidney and shoulder pain.”

Deaconess Oortnasan (Age 44, Mongolia Manmin Church)

In 2010, I had my whole body swollen followed by high pressure, headache, and bad eyesight. I was told in a hospital that the kidney infection was so serious that I should not move.

Recently I worked too hard, which made the kidney pain worse. Moreover I had shoulder pain as well.

On January 31, during the Divine Healing Meeting when I received Pastor Soojin Lee's prayer with the handkerchief of God's power, my heart became calm, and the kidney pain disappeared. Since then, there has been no pain at all. I was healed of shoulder pain, too. Now the more I work, the stronger I become. Hallelujah!

## “I am healed of a nerve problem and can walk well without a stick.”

Fannis Aindo (Age 58, Kenya Nairobi Manmin Church)

I suffered from nerve problem in my hands and legs. I barely walked leaning on my stick. I couldn't use my hands well. Hospital treatment was of no use.

I heard about the Divine Healing Meeting of Manmin Central Church. Since I wanted to be healed by faith, I prepared with a longing heart. In Kenya Nairobi Manmin Church, I attended the Divine Healing Meeting which was broadcast live on GCN.

When I received Pastor Soojin Lee's prayer with the handkerchief of God's power, my hands were sweating and I felt something from legs which went out through feet. Then, I was given strength so that I could walk without a cane, and that I could use my hands well. Hallelujah!
