God healed me of trauma and calcific tendinitis.

Deaconess Sodam Kim
(Age 47, 19th Parish)

While I was a popular English teacher at a large academy in the past, I was suffering from the jealousy of my fellow lecturer. I tried to improve the relationship with her but it was counterproductive. And after experiencing several shocking events, I came to be afraid of those people when I was put in a similar situation.

On Tuesday, February 18th, there was a "Prayer Meeting with Mrs. Boknim Lee, president of Manmin Prayer Center." When she prayed for me, she said that there was darkness in my heart, so I could not bear the light of God fully. At the moment, what I had experienced came to my mind and I realized that it might be remained dark in my mind. And then, I gained the confidence that I could do anything in the Lord, and I got peace and joy in my mind.

On Saturday, February 22nd, my left shoulder felt stiff. It seemed to become okay, but from Tuesday night I couldn't lift up my left arm and the pain was severe. The doctor said, "A 1.4 cm lime was acutely formed on your left shoulder."

I endured extreme pain and relied on God. On Friday, February 28, while listening to the sermon at the Divine Healing Meeting, I noticed that the frequency of pain decreased. Later, when Pastor Soojin Lee prayed with the handkerchief of power (Acts 19:11-12), I experienced an amazing work that the pain disappeared. Hallelujah!

I give thanks and glory to God the Father of love and power, who healed the diseases of the body as well as the disease of my heart that I didn't even know.

I was healed of chronic diseases and my life shines as bright as a spring day.

Deaconess Youngsoon Cho
(Age 35, 5th Young Adults Mission)

From my childhood, I was weak, my hands and feet were cold and I suffered from indigestion. My parents brought me to a famous doctor and had him treat me but it didn't last long.

When I woke up in the morning, I felt cold and tingling sensation in my hands and feet. And I had to massage them for a while. I went to bed with wearing 2 pairs of socks. And finally I couldn't feel my legs.

In addition, I couldn't eat meats or snacks properly. When I ate dairy products, I had my stomach upset and had to take digestive medicine. When I had my stomach upset, it was hard to breathe and I suffered from exhaustion. It became my daily routine.

In the early 2020, something amazing happened in my life. I attended Manmin Prayer Center's Morning Service before Divine Healing Meeting held on Jan. 31st. I realized my complacency and repented with tears. Then the fire of the Holy Spirit was given to me.

My hands felt warm and perspired on the day of Divine Healing Meeting, which was unprecedented. And heat moved around my feet as if I put a heatpack on it and came up to my knees when Pastor Soojin Lee started preaching. This symptom repeated and the tingling sensation disappeared. It was like a frozen body was melted.

As time went by, my hands and feet became warmer and cold hands and feet were healed. And I digest whatever I eat as my digestion returned to normal. I was also healed of constipation. Thanks to the Lord for giving me a healthy new life.

I am freed from presbyopia and 30-year-old migraines.

Deaconess Hyang Kim (Age 51, 1st Chinese Parish)

Presbyopia began when I turned my late forties. When I read the Bible, it was very uncomfortable because the letters were dull and overlapped by two lines. Sometimes my eyes were sting and painful, so even opening my eyes was difficult.

One more thing that has plagued me was a migraine that has been suffering for over 30 years. My head hurts all the time as I felt as if something is pressing my head from above, and I always had a frowny look. When my husband said something, I often treated him annoyingly. Even after taking the medicine, it didn't work, so the pain always followed.

Early this year, after hearing the news of the healing meeting, we determined to be healed of presbyopia and we prepared by prayer and fast. However, migraine has been hurting me for long time and it has

become a part of my life so I have never even thought of being healed.

On the 31st of January, during the healing meeting, I felt that something strange happened to my body when Pastor Soojin Lee prayed with the handkerchief of power (Acts 19:11-12).

When I felt the coolness of the wind blowing into my eyes, the stinging symptoms of the eyes disappeared, and I could see the front brightly. Not only that, but inside of my head became clear and refreshing, and my 30-year-old migraine disappeared. Hallelujah!

These days, my eyes are comfortable and my mind is clear, so people say to me, "Your face became brighter." I am also very happy that I received a blessing of my salary got increased up to 20%. I give all thanks and glory to God the Father.

"Even in Mongolia, I took off my glasses with the grace of the Lord!"

Bolorjin Sister (Age 17, Mongolia Manmin Church)

I had poor eyesight since my childhood. I couldn't read the letters far away and wore contact lenses from 3 years ago. My eyesight continued to drop so that I could barely recognize the color and shape. Eventually I had to wear thick glasses in July of last year. However, I was very dizzy because I couldn't see the letters properly even when I wore glasses.

Then in August of last year, I attended the Manmin Summer Retreat in Korea. Originally, the summer weather in Korea is said to be hot, but I experienced the love of God who worked with cool weather at the summer retreat place and sent swarms of dragonflies

so that we could spend regardless of mosquitoes. Because of this, I lived a hard life of faith after I returned to Mongolia.

Earlier this year, after hearing the news that the Divine Healing Meeting would held at Manmin Central Church, I wanted to be healed my eyesight with faith. I prepared for it with longing

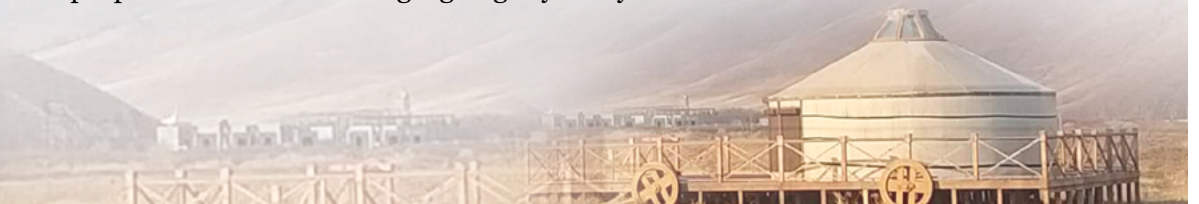

heart. First, I repented that the areas that had not peace with my family and that I did not focus on studying as the student's duty.

Then, on January 31, I attended the Divine Healing Meeting through GCN broadcasting and received by faith when Pastor Soojin Lee prayed with a handkerchief of power (Acts 19:11-12).

At this time, surprisingly, the fire of the Holy Spirit came upon me and I felt that my whole body was getting hot. I was moved by the love and grace of the Lord and shed tears. Then I felt like my eyesight improved and I checked it after prayer was over. Both letters and numbers seem to be very clear. Hallelujah!

Of course, not only did I take off my thick glasses, but everything was clearly visible. I could read well and my dizziness disappeared.

Since then, I have attended more diligently in various worship and prayer meetings and tried to live according to the Word of God. I give all thanks and glory to my beloved Lord.

The Shedding of Jesus' Blood and Water

“But coming to Jesus, when they saw that He was already dead, they did not break His legs. But one of the soldiers pierced His side with a spear, and immediately blood and water came out”

(John 19:33-34).

Knowledge of God's providence in Jesus' suffering will help each of us understand His great love and make us love Him all the more. Now let's delve into the spiritual significance of Jesus' legs not being broken and His shedding of all His blood and water.

1. The Reason Roman Soldiers Didn't Break Jesus' Legs

After suffering for hours on the cross, the cruelest means of punishment, Jesus finally breathed His last. His death on the cross took place on Friday and the following day was the Sabbath which was kept holy by the Jews. For this reason Jesus' body could not remain hanging on the cross. This is why the Jews asked Pontius Pilate to have the bodies of the criminals hung on crosses be removed (John 19:31).

Roman soldiers broke the legs of criminals on either side of Jesus so they could remove the corpses. The breaking of the legs of a criminal hanging on a cross hastens his death because he will not be able to support his body weight with his legs. Yet, when the soldiers noticed and confirmed that Jesus was already dead, they did not break His legs.

In Psalm 34:19-20 we find, “Many are the afflictions of the righteous, but the LORD delivers him out of them all. He keeps all his bones, not one of them is broken.” Although Jesus took upon himself the sins of all mankind and died on a tree, He was not a sinner. He was blameless, spotless, and righteous and God made certain that Jesus' legs were not broken.

During the time of the Exodus, God told the Israelites in Numbers 9:12 and Exodus 12:46, “They shall eat lamb but not break any bone of it.” Throughout the Bible, “the lamb” symbolizes Jesus (John 1:29). Therefore, God commanded against the

breaking the bone of a lamb, which signifies Jesus Himself, and precisely according to this word of prophecy, Jesus' bones remained unbroken.

2. The Providence in Jesus' Shedding His Blood and Water

As we read in John 19:34, “But one of the soldiers pierced His side with a spear, and immediately there came out blood and water,” a Roman soldier pierced the side of Jesus who had already passed away.

Jesus hanging on a cross with a crown of thorns, His body shredded from flogging, and blood streaming from His hands and feet where the nails pierced His body was a gruesome sight. From this scene, we know just how evil man really is as the Roman soldier, who confirmed that Jesus had breathed His last, nevertheless pierced His side with a spear.

What is the spiritual significance behind Jesus' side being pierced by a spear and His shedding of blood and water?

1) It testifies that Jesus came to the world in the flesh of man.

John 1:14 tells us exactly who Jesus is. “And the Word became flesh, and dwelt among us...” In other words, Jesus, begotten of God who is spirit, donned flesh and came into this world. Jesus was not conceived through the combination of a man's sperm and a woman's egg, but by the Holy Spirit. Yet, because He was born in flesh and underwent a normal growth process just like any other human being, Jesus satisfies the qualifications to be the Savior of all mankind. According to the four qualifications to be satisfied in order to become the Savior of mankind, the Savior must first be a man, yet not be a descendant of Adam who had

committed the sin of disobedience. He had to possess the power to overcome the enemy devil and He had to have love by which He could sacrifice His own life for others.

Therefore, Jesus came into this world with a body of bones and flesh, just like ours. He felt pain when He was flogged. He suffered from exhaustion, thirst, and hunger (Matthew 4:2; John 4:6). In order to validate the fact that Jesus came into this world in flesh, in the Bible it is recorded: "one of the soldiers pierced His side with a spear, and immediately there came out blood and water."

2) It attests that a man with flesh can partake in the divine nature.

In Matthew 5:48, Jesus tells us, "Therefore you are to be perfect, as your heavenly Father is perfect," God Himself reminds us again in 1 Peter 1:16, "You shall be holy, for I am holy." Furthermore, in Philippians 2:5 we are urged to "Have this attitude in yourselves which was also in Christ Jesus," while 2 Peter 1:4 tells us, "For by these He has granted to us His precious and magnificent promises, so that by them you may become partakers of the divine nature, having escaped the corruption that is in the world by lust."

While Jesus donned flesh like other men and women, He committed no sin and lived a sanctified life. He experienced a variety of emotions for He also had the nature of man, yet Jesus lived only by the truth. By the same token, like our Jesus, we can also become sanctified and perfect, and partake in the divine nature with the heart of Jesus Christ.

Anyone who believes in the Lord, prays fervently, and makes every effort can rid himself of all sin and evil. In doing so such a person will surely receive and experience God's grace and strength as well as the help of the Holy Spirit. None of us will be able to give the excuse, "Jesus could live a sanctified life because He was the Son of God, but since I am a mere man, I could not do that."

3) It proves that by Jesus' blood and water, we gain true life and enjoy eternal life.

Truly precious is the blood of Jesus, who had no original sin within Him and who committed no personal sins. By this precious blood of our Jesus, we can, by faith, receive forgiveness of our sins and live forever. Moreover, water spiritually symbolizes "the Word"; as much as we hear God's Word and live by it, we can rid ourselves of sin and evil and become much more righteous.

The blood and water Jesus shed are the blood and water of strength by which we can be transformed, and are the blood and water of life that deliver us from death. The fact that Jesus was pierced through His side with a spear and shed all His blood and water testifies to how we have received forgiveness because of Jesus. And we have received the strength by which we can live by God's Word and gained true life.

Dear brothers and sisters in Christ, Jesus rejoiced and gave thanks in the midst of His suffering because He thought of how countless souls would receive salvation through His suffering. Keep in mind that Jesus suffered and shed all His water and blood in order to save us.

I pray in the name of the Lord that you will quickly fathom this love of the Lord and keep it deep in your heart. Rid yourself of sin and evil and recover the image of God so you can enjoy eternal joy and blessing in the glorious heavenly kingdom.

The Confession of Faith

1. Manmin Central Church believes that the Bible is God-breathed Word that is perfect and flawless.
2. Manmin Central Church believes in the unity and the work of God the Trinity: God the Holy Father, God the Holy Son, and God the Holy Spirit.
3. Manmin Central Church believes that we are forgiven of our sins only by the redeeming blood of Jesus Christ.
4. Manmin Central Church believes in the resurrection and ascension of Jesus Christ, His Second Advent, the Millennium, and the eternal heaven.
5. Members of Manmin Central Church confess their faith through "The Apostles' Creed" each time they come together and believe in its content verbatim.

"[God] Himself gives to all people life and breath and all things." (Acts 17:25)

"And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved." (Acts 4:12)

Those who are thankful in all things...

I Those who give thanks believe that God the Father gives them only the best things.

It means that they believe God the Father's heart is goodness and love itself.

God gives us the best things for each of us during the course of our lives.

You must have felt such goodness and love of the Father.

Just as parents express their love to their children, God also expresses His heart-full goodness and love toward His children. The testimonies you have are the evidences.

Those who understand God's love and goodness can rejoice and give thanks no matter what trials, afflictions, or difficulties they encounter.

They try to understand the heart of God who allow them to face such circumstances, and thus they can give thanks from the depth of their heart.

This is the act of faith of earnest seeking of God who is spirit.

That is, it's to believe in God the Father who gives only the best things.

Those who give thanks in all things believe that God's thoughts are higher than theirs.

For example, in doing a certain work, a man who has physical limits can see only one way of doing the work.

However, God who is spirit can see 2, 3, or 4 ways or more that are better than the first method.

Those who believe in this God will

acknowledge the fact that their idea might be different from God's.

Even if God leads them to a way that they never expected, they still give thanks.

But as people become more experienced and their positions become higher, their heart is also lifted up. If they become teachers or leaders, they are likely to become spiritual adults. Rather than asking God's will all the time, they think they know the will of God and insist upon their opinion.

We must believe that God's thoughts are higher than ours. We must pay attention to the word of God, and hear the voice of the Holy Spirit by praying at all times in Spirit.

Those who give thanks in all things obey the will of the Father God.

Those who believe that God gives them the best things and His thoughts are higher than theirs, they will obey God's will once they learn what it is.

Just as God promised in Isaiah 1:19, "If you consent and obey, you will eat the best of the land," they are given answers, blessings, and prosperity.

The more we understand the Father's heart, the more we understand His good will and love toward us, and thereby we give thanks in all things.

Excerpt from Dr. Jaerock Lee's message,
"The Providence of God the Father"

“I was dying of tuberculosis and I have a new life!”

Sumant Kumar (Age 25, Bihar, India)

I was born in a Hindu family and have worshiped idols since childhood.

In December of 2015, something suddenly happened to me as the father of two children. My neck started to have a scar and I couldn't eat properly and just slept all day. I felt more helpless and dizzy, so I had to spend hard times.

As a result of hospital check-up, I was diagnosed with multi-drug-resistant tuberculosis (typically, the duration of treatment for tuberculosis is about 6 months, but multi-drug-resistant tuberculosis is at least 18 months, and the treatment success rate is low and difficult to treat) and lymphatic tuberculosis. Mycobacterium tuberculosis was spreading all over my body, and my body gradually became faint.

Then in January 2019, when I discovered Dr. Jaerock Lee's "Prayer for the Sick" video on YouTube through the "GCNTV HINDI" channel, I saw the contact information of the Delhi Manmin Church in India and called there. The staff who answered my phone call sent the video clips of Dr. Jaerock Lee's "The Message of the Cross" sermon series.

When I heard these messages, I realized the love of Jesus. Especially, when I realized that idolatry is a sin, I repented. I kept on listening to Dr. Jaerock Lee's sermons and began to pray to God the Creator.

A month later, on the 22nd of February, I attended the Special Healing Meeting held at Manmin Central Church, Seoul, South Korea, through the "GCNTV HINDI" channel. When Pastor Soojin Lee prayed with the handkerchief of God's power (Acts 19:11-12) on which Dr.

Jaerock Lee prayed, I felt the Lord's hand on my head.

From this point on, my body became lighter, all the pain and dizziness disappeared, and I regained appetite.

And four months later, in June, the hospital result confirmed that multi-drug-resistant tuberculosis and lymphatic tuberculosis were clearly cured. Hallelujah!

My second daughter, Dipica, who is three years old this year, had four teeth rotten and pus shed. The doctor said that the teeth should be removed, but every day she received Dr. Jaerock Lee's "Prayer for the Sick" and she was cleanly cured.

I was to be angered and quarreled before I believed in God. But, after I accepted the Lord and changed my mind into truth, my heart is always peaceful. How grateful! Not only that, but the work I am doing is getting along good, and now I am preparing to open a stationery notebook manufacturer. And my family members who saw me being cured converted and accepted our Lord.

I couldn't hope for anything because of the serious illness. But, it is like a dream because I am living a life that others envy thanks to God's grace and blessing. I give all thanks and glory to the living God.

Before and after being cured

The scar on the neck due to tuberculosis of the lymph nodes is being healed.
