NO. 678 SEPTEMBER 20, 2020

**“My whole family  
is happy as one with  
the love of the Lord”**

Deacon Minseok Seo  
(Age 48, 3 Great Grand Parish, 23 Parish)

I'm a Christian from birth. In 1997 I started to attend Manmin Central Church my eldest sister attended. In the summer retreat in 1997, I experienced the signs of God, and I was convinced that God is alive. When I was full of the Holy Spirit, I met my wife in the Lord and formed a family of faith.

In 2018, a slump came to me in spirit and body. I ceased praying and was often irritated, and even in my company my sales performance was poor. In 2019 New Year Day Service, however, I heard the sermon of 'Spiritual warrior,' which helped me gain the power to start again. I started praying again. I even prayed during a local business trip. God's grace came upon me, and I got my fullness back.

When I worked, I relied on God and did my best so that I met good customers, and I was blessed to be able to live without financial difficulties by jumping from 2 or 3 contracts a week to 25~30.

In 2018, My wife found a tubercle in her left chest during a medical check-up, and she looked back herself and committed it to God with thanks. At the special divine healing meeting in February 2019, after receiving the prayer of the powerful handkerchief (Acts 19:11-12) from the acting senior pastor Soojin Lee, my wife was cured. Through the re-examination, the result was that the tubercle was disappeared. Also, in February of this year, after a traffic accident, her body was as heavy as a wet sponge and worn out. However, during prayer, she

received the fire of the Holy Spirit, and she felt as light as a feather.

My elder son received a national scholarship this year and a full tuition scholarship for the second semester, and through the experience of feeling the love of the Lord he was able to perish his mind to see the fleshly world.

Also, my younger son who wants to work for the kingdom of God in the future keeps on praying every day, studies the Word on his own, and confesses that his Christian life is full of the Holy Spirit.

We are happy to meet the church of blessing where we can experience God's love and power, and my whole family is united by the love of the Lord. I give all thanks and glory to the Father God.

# “My twin sons were cured of cyanosis, and my family became a family of faith!”

Moses Kinua (Age 31, Kenya Nairobi Manmin Church)

My two twin sons suffered from ‘cyanosis,’ and they couldn’t sleep due to the breathing difficulty. However, during the one day revival meeting in the Cayole area in 2019, they were healed and became healthy through bishop Dr. Myongho Cheong’s prayer of a powerful handkerchief (Acts 19:11-12) on which Dr. Jaerock Lee prayed. Afterwards, I came to know God’s will through sermons, and I disposed a business selling unhealthy videos and opened a mobile and computer specialty store. Recently, I had an amazing experience.

When I remitted the rent, it was sent to the wrong account. I was worried as it was a large amount, but I prayed, “Lord, if you solve this problem, I will fully serve God!” As soon as I finished praying, a call came to me to return the money to my account. Hallelujah!

I fasted twice for three days for two weeks for spiritual fullness, and listened to senior pastor Dr. Lee’s sermon ‘Deficiencies of the body’ several times. Through this, my heart and behavior have changed, and I prayed every day and formed a peaceful family.

My wife (Angelina Wanjiru) was negative about my attending Manmin Church, but after she came to our church to check she was moved by the orderly worship and gracious sermons, and became a member of Manmin. Not only that, even during the period of COVID-19 she experienced changes in her life while giving home worship through audio sermons and came to love the Lord more than before. In addition, many employees have been fired from her work place due to the COVID-19, but she is working even more.

A few years ago, my younger sister (Bilha Wanjiku) came to Manmin Church and improved her school grades. She graduated from elementary school with first grade on the Kenya National Examination. My mother (Susan Mbari) has been attending all worship services since the end of last year because of her daughter-in-law’s confession and my changed behaviors. My mother is happy that she was cured of chest pain and allergic dermatitis through senior pastor’s prayer, and that her life has changed completely through Manmin Church. I give all thanks and glory to the Lord.

## Jesus' Last Seven Words on the Cross (4)

“And Jesus, crying out with a loud voice, said, ‘Father, into Your hands I commit My spirit.’ Having said this, He breathed His last”  
(Luke 23:46).

Jesus left behind the words of love shortly before He breathed His last on the cross and they are known as “The Last Seven Words on the Cross.” Let us pick up today the seventh and last words Jesus bequeathed on the cross.

### 1. The Reason Why Jesus Cried Out “Father” With a Loud Voice

This was so that His last words on the earth could be heard by the people and it is also because God’s will dictates that we “[cry] out with a loud voice” to Him in prayer.

Including His Word in Jeremiah 33:3, “Call to Me and I will answer you, and I will tell you great and mighty things, which you do not know,” God tells throughout the Bible that we are to call out to Him in prayer as in Numbers 12:13; 2 Chronicles 32:20; Psalm 57:2; Mark 10:47; John 11:43; Acts 4:24; and Acts 7:59.

When Jesus prayed at Gethsemane shortly before His arrest, He prayed so earnestly that “His sweat became like drops of blood.” The medical professional claims that when a person is under a great amount of stress or strives hard in an endeavor, it is possible for the capillary vessels to burst, causing sweating and bleeding at the same time, and for the person it is to “sweat as if he were bleeding.” Furthermore, the fact that Jesus sweated as if He were bleeding while praying late into the night in the kind of climate found in Israel suggests how earnestly and desperately He must have been praying.

### 2. The Reasons Why Jesus Said, “Father, into Your Hands I Commit My Spirit”

#### 1) Jesus Testifies to the Immortality of the Spirit of Men

Man consists of a spirit, a soul, and a body. Once life expires, the body, that was merely a vessel for the spirit

and the soul, returns to the ground. Since the spirit is eternal and immortal it does not become extinct. Adam’s spirit was formed after creating him, when God breathed into his nostrils the breath of life (Genesis 2:7). God filled Adam’s spirit with spiritual knowledge that is the truth.

“Soul” refers to all functions that allow a person to store information in his brain and allow him to remember certain information, think and feel about it, and apply or act upon it. Originally, the master of Adam was his spirit which controlled both his soul and body. Since his spirit was filled with the truth, the soul and the body under the control of the spirit were also of the truth. When Adam sinned against God by eating from the tree of the knowledge of good and evil, his spirit died. The “death of spirit” refers to the severing of one’s communication with God and the spirit’s inability to perform its duties.

Once the spirit, the master of man, dies and stops functioning, the soul assumes the role of master and begins to govern the body. The soul is then subject to the work of the enemy Satan and begins to accept untruthful knowledge. As much as the heart becomes filled with untruths, the truths which God had originally planted are supplanted by untruth. Eventually the heart is filled with hatred, temper, and selfishness. However, the discontinuation of the functioning of a person’s spirit does not signify the extinction of his spirit. The spirit of man was formed with the breath of life of the eternal and immortal God. It could never become extinct.

What would happen to the soul when the body dies? The brain is required for a person to function. It is through his brain cells he has memory and thinks. When the physical life of an animal (which has no spirit) expires, the memory system within the brain of an animal also disappears; its flesh and soul become extinct and return to nothingness. However, the functions of the soul of man, who has spirit, are conveyed to the ‘heart’ and stored in it. Therefore, instead of becoming extinct,

the soul will exist forever in union with the spirit as the attributes of the soul are input within the spirit.

For the same reason the Lord said, “Father, Into Your hands I commit My spirit.” When an individual hears the gospel and accepts Jesus Christ he receives the Holy Spirit and his spirit that had previously been ‘dead’ is revived. Of the person whose spirit has revived and who has filled his heart with the truth we may say “His soul has prospered.” As much as one’s soul prospers—in other words, as much as one’s heart is filled with the truth—every affair of his life will prosper and he will enjoy good health (3 John 1:2).

As Jesus tells us in John 3:5, “Truly, truly, I say to you, unless one is born of water and the Spirit he cannot enter into the kingdom of God,” when people who have been born again of water and the Holy Spirit—those whose spirits have revived—will enter Heaven. However, those whose spirits have failed to be revived and their hearts have not been cultivated with the truth from their unbelief in Jesus Christ will be unable to enter Heaven. Hell is a place reserved to accommodate such people.

## 2) Jesus Testifies to His Having Obeyed and Fulfilled Everything in Accordance with only God’s Providence

The fact that Jesus prayed on the cross, “Father, into Your hands I commit My spirit,” testifies to how He had obeyed and fulfilled everything in accordance only with God’s providence. Jesus’ having come into this world, His crucifixion on the cross, and His resurrection were not planned and executed according to His own will or plan, but only according to the will of God who governs man’s life, death, curses, and blessing, as well as the history of mankind (John 4:34).

While we pray in the name of Jesus Christ, the One who answers our prayer is God. Jesus tells us in Matthew 10:29-31, “Are not two sparrows sold for a cent? And yet not one of them will fall to the ground apart from your Father. But the very hairs of your head are all

numbered. So do not fear; you are more valuable than many sparrows.”

If you truly fathomed and engraved in your heart the spiritual significance of such assurance from the Lord, you would be able to commit everything to God. As God reminds us “not one of [the sparrows] will fall to the ground apart from your Father” and that “the very hairs of your head are all numbered,” if we could trust in Him by faith, there is nothing for which we would fail to receive His answers, whether it be for the problem of disease, for the blessing at the workplace or business, or even for accomplishing God’s work.

Even though Jesus had existed in the form of God and is one with God, Jesus only sought and pursued the will of God and committed everything to Him. By the same token, instead of placing your trust in the ways of man or other people, may each of you fix your eyes only on God, always experience His work that transcends the might of man, and honor Him in everything.

Dear brothers and sisters in Christ, by always keeping in mind Jesus’ “Last Seven Words on the Cross,” grasping the heart of Jesus who cried out with a loud voice amidst the affliction of the crucifixion, and wholly accomplishing God’s will, I pray that, as you long for the One who is to come back for us in the name of the Lord, each of you will receive the crown of righteousness on that day.

## LETTER FROM ABROAD

# “Our church is making revival through untact missions!”

Pastor John Kim  
(Delhi Manmin Church, India)

 GCNTV HINDI

India is now banned from all religious meetings and gatherings of more than 5 people due to COVID-19. Therefore, it is not easy to move to other areas for visitation.

At this situation, our Delhi Manmin Church is actively doing untact missions. It took a few days to meet people in distant regions in the past, but as we can worship or meet through ZOOM (app for video conferencing and meeting), now it's easy to meet more souls at that time. Also, members who couldn't attend service because there was no church in their area can meet together.

Our Delhi Manmin Church offer the morning service and afternoon service of Manmin Central Church in Seoul through simultaneous video worship. At 8 pm, we are holding our own Sunday service and handkerchief meeting through ZOOM. This meeting is broadcast live on our church's YouTube channel "GCNTV HINDI," and we are communicating with members by answering to questions and prayer requests posted in the chat

window.

In particular, after preaching, when I prayed with the handkerchief (Acts 19:11-12) on which Senior Pastor Jaerock Lee prayed amazing works happened. Happy testimonies are continuing, for example, family and neighbors those who are set free from the evil spirit are evangelized, various diseases such as headaches, bleeding, and skin diseases are healed, as well as being filled with the Holy Spirit and solving various problems.

As a result, people who connect to ZOOM and viewers of 'GCNTV HINDI' are increasing, and long-term absentee start faith life again regardless of the corona. Those who have never met Dr. Lee are enrolled in our church through dream of Dr. Lee and are being resolved the problem of faith.

Church workers who receive these testimonies are admiring God's work and are working their mission harder by being filled with the Holy Spirit.

In addition, we provide mobile phones to those who cannot

attend service because they don't have a mobile phone, so that people who wish to join around them can gather together for worship.

On weekdays, online meetings are held by group or region, and the Bible Academy is also held to raise workers. We deliver the words about Revelation, the Fruit of the Holy Spirit, and Heaven including 'The Message of the Cross'.

As such, worship attendance and faith counseling are conducted regardless of time and place beyond region, age, or gender. This situation which requires untact ministry is rather bearing fruit as a better environment for missionary work.

Even in the coronavirus situation, with the words of holiness and the work of amazing power that changes people's hearts and fills them with the Holy Spirit, I give all thanks and glory to God the Father, Son, and Holy Spirit who solves and revives various life problems as evil spirit leave.

## “The LORD is my shepherd, I shall not want.”

Senior Deaconess Eun-suk Yoo  
(Age 54, 2 Great Grand Parish, 16th Parish)

In my youth, I had to go through a very difficult daily life, suffering from lethargy, depression, and intestinal dysfunction due to frequent miscarriage and discord.

However, while listening to the tape of Pastor Jaerock Lee’s sermon “The Measure of Faith” that my acquaintance gave me, I realized my fault and repented, received a prayer for the sick. After that, I was healed and I came to Manmin Central Church in March 1990.

Since then, as I kept Lord’s day fully and lived prayer life so that my repetitive miscarriages stopped and my eldest child was born safely. The second child was born with painless delivery after receiving prayer from Dr. Lee.

Also, since my childhood I had suffered from severe eye disease, but after I came to my church, my eyes could see well without glasses and the pain disappeared. The intestinal function got better and I am healthy. I am living a healthy life regardless of hospital. My family is the same.

My mother (Yeong-ja Ra) was healed of knee pain, frozen shoulder, and nasolacrimal duct obstruction, and is living a healthy faith even at the age of 82.

Having great grace from Lord, I tried to do my best to repay this grace. As I am devoted as cell leader, sub district leader, district leader, I bore fruit and went on a pilgrimage three times by being given as reward.

In February 2012, I wanted to pay back the debts resulted from my husband’s business, so I started a small restaurant. Before I took over, the restaurant didn’t go well because owner changed often, but thanks to God’s blessing, the restaurant went well and I could pay off all the debts.

From the second half of 2018, I gave doubled offering to help our church, helped the needy, served and did my duty earnestly. Then, my tithe doubled than before, and the beginning of the year, my house that didn’t sell for several years was sold.

I loved God and Lord so much that I gave only small things that I could do, but God the Father poured out overflowing blessing to me in spirit and body.

After coming to Manmin, my life for the past 30 years seems to be very normal, but I realize that I was protected without accidents and my life was prospered, happy and brilliant day. I give all thanks and glory to the good Trinity God.

## “I was healed of chronic rheumatoid arthritis transcending time and space”

Sangmitra (Age 36, Uttar Pradesh, India)

My knee joint pain started 3-4 years ago and it got worse. I went to several hospitals, and the doctor said that the pain was getting worse because of uric acid.

I needed painkillers to survive everyday. I couldn't do housework at all which made my family suffer. I lost my desire to live.

One of my relatives led me to a church, but I couldn't continue to go to church because I couldn't walk well. My heart was thirsty. While I was searching on YouTube to receive prayer, I found Delhi Manmin Church.

In November, 2019, I called the Delhi Manmin Church to receive prayer. The church worker sent me the “Power of God” video which presents Dr. Jaerock Lee's powerful ministry, and “The Message of the Cross” sermon files. In the “Power of God” video, Dr. Jaerock Lee prayed just at the altar, countless people were healed. After I watched it, I was convinced that I could be healed if I could receive the prayer.

As I listened to ‘The Message of the Cross,’ I learned the love of the Lord who shed blood on the cross to redeem the sins of mankind. I accepted the Lord as my Savior with joy. Then I felt complete peace in my heart.

From last December, I attended Sunday worship Services through “GCNTV HINDI,” the YouTube channel of Delhi Manmin Church. I heard the news that Pastor Soojin Lee of Manmin Central Church would lead a divine healing meeting in January, 2020. I listened to ‘The Message of the Cross’ again with the longing heart for the meeting. While listening to the Word of God, I remembered many sins that I had committed in the past, so I repented thoroughly with tears.

After that, when Pastor Soojin Lee prayed for the sick at the divine healing meeting in on January 31, in tears I repented of sins of ill-feelings and anger. During her prayer, I felt the fire of the Holy Spirit all over my body. Then the knee pain disappeared. I couldn't walk without help, but I could walk alone. Hallelujah!

Now I can walk straight without help, and do house chores as well. I give all thanks and glory to my living Father God.
