By her prayer with the handkerchief of power (Acts 19:11-12) on which Dr. Jaerock Lee had prayed, many believers were healed of various diseases to give great glory to God.

In the Online Divine Healing Meeting in Latin America which began at 9 AM on Monday, March 8(7 PM in local time on Sunday), believers from 23 countries

It was the meeting simultaneously broadcast through JBN TV(President Esteban Handal) to Latin America as well as Honduras.

At the Divine Healing Meeting, Mrs. Boknim Lee prayed with the handkerchief of power (Acts 19:11-12) on which Dr. Jaerock Lee had prayed so that many people have been healed of diseases such as multiple sclerosis, depression, foot bone fracture, spinal discs, hernias, migraine, arthritis, gastritis, hemorrhoids, coronavirus aftereffect, breathing difficulty, herpes, various pains, and bad eye vision. They glorified God with their testimonies.

On Sunday, March 14th, at 7 PM (3:30 PM in local time), India Online Divine Healing Meeting was held. From around 360 places including India, Pakistan, Nepal, the UK, and Canada, believers who longed for grace participated in the meeting by individuals, families,

Akush Nelson who awakened from a coma after receiving prayer in 2009 recovered his health and gave his testimony at the India Online Divine Healing Meeting.

and groups through ZOOM or YouTube(GCNTV HINDI).

After the meeting, testimonies continued to make it full of grace. In particular, Akush Nelson(photo) who had awakened from a coma after receiving prayer with the handkerchief of power transcending time and space

at the 2019 Manmin Summer Retreat, participated in the online meeting and gave a great joy and happiness to the participants with his testimony.

In 2019, Akush Nelson had a car accident and suffered a left hemiplegia. He was like a vegetative man without any consciousness.

His wife searched the Internet to help him to receive prayer, and found a live broadcast of the “Manmin Summer Retreat” on the “GCNTV HINDI” channel. She saw Dr. Soojin Lee praying with the handkerchief of power, and received the prayer over her husband. Then surprisingly at that moment, Akush Nelson awakened and the sense of his left body recovered.

However, as he still couldn't walk well due to hemiplegia, it was difficult for him to live a normal life. But when he appeared on the screen at this meeting, he looked so healthy that people couldn't even recognize him.

In addition, the lumps and tumors disappeared and many people were healed of pains by the powerful handkerchief prayer of Mrs. Boknim Lee. The tearful testimonies continued such as, "I was set free from the disease that I had been suffering for 20 years", "My daughter's epilepsy was cured". A lady overjoyed and showed that her old mother who couldn't walk because of pain was walking without pain after receiving the prayer.

## “All the pain in my body disappeared and my life is full of energy.”

Eveling Ramos (Age 36, USA)

For a long time, I have always had a lot of pain, headaches, gastrointestinal problems, and fatigue from hormonal abnormalities. But when I received prayer at the Divine Healing Meeting, the fire of the Holy Spirit came to me, and then, I felt different. The pain disappeared, and I felt light and strengthened. I don't feel fatigue but I'm full of energy even if I wake up early in the morning. This is so amazing to me.

Watching the recorded Divine Healing Meeting, I experienced the Holy Fire again, and after that, my stomach became comfortable and my whole body was strengthened.

## “I am healed of depression.”

Pawan (Age 48, India)

As the economic and other hardships continued due to COVID-19, I even felt depression and the urge to commit suicide. My stomach was also infected, so I couldn't eat because of pain. It was also difficult to walk.

While looking for prayer for the sick through YouTube, I found, “Dr. Jaerock Lee's prayer for the sick” on GCNTV HINDI channel, and received that prayer. At this time, my wife also received the prayer,

and she experienced her abdominal pain disappearing.

When I received the prayer of Mrs. Boknim Lee, the preacher of the Divine Healing Meeting, my body vibrated and my whole body was hot. After that, my abdominal pain disappeared. Then, I came to eat well and walk well. Of course, depression is also cured, so I feel comfortable and happy.

# Love Is Not Arrogant

“Love is patient, love is kind and is not jealous;  
love does not brag and is not arrogant,”

(1 Corinthians 13:4)

Most of those who brag feel they are superior to others, and they easily fall into arrogance. They think things are going well with them because they are very capable, so they tend to get conceited and become lazy. When we read the Bible carefully, we can see one of the evils that God hates the most is arrogance.

## 1. Characteristics of those Who Are Arrogant

To be arrogant is marked by or arising from a feeling or assumption of one's superiority toward others. Arrogant people consider themselves the best. They look down on others and assume the teaching attitude in all things.

Generally, one is arrogant toward those who seem to be inferior, but in some serious cases a person may be arrogant toward their teachers, leaders, or those in higher positions. They might complain saying, "He doesn't know what he is doing," or they don't listen to them saying "Well, I know that, too."

If you talk with an arrogant person, it easily leads to arguments. In some serious cases it may develop into strife. Prov. 13:10 says, "Through insolence comes nothing but strife, But wisdom is with those who receive counsel." 2 Tim. 2:23 says, "But refuse foolish and ignorant speculations, knowing that they produce quarrels."

We should realize how foolish and evil it is to think only we are right. People have different consciences and knowledge because they all have learned differently and have different experiences. Most of human knowledge has many flaws. Some might have input wrong ideas. When these thoughts become set, they become self-righteousness frameworks of thoughts.

When self-righteousness is solidified, it becomes a framework. It might become a framework of personality or framework of knowledge. Frameworks are like the skeleton of a man, and thus, once it is formed, it is not easy to break. Most thoughts of men come from self-righteousness and frameworks.

Those who have inferiority complexes seem to be sensitive about everything. When a rich man touches the collar of his shirt they think he is bragging. If a person uses more erudite terminology, they think the person is talking down to them. If you are arrogant, you can't accept the fact that you were wrong. Therefore, it only leads to arguments.

On the contrary, those who are humble do not argue at all, even if they are right and others are clearly wrong. Even if they are 100% sure, they still think they might be wrong. They don't need to win in an argument with others.

A humble mind contains spiritual love that considers others better than ourselves. Even if others are less fortunate, less educated, or have less social power, a humble minded person still considers others better than themselves.

## 2. Fleshly Arrogance and Spiritual Arrogance

Usually, we can easily realize outward arrogance, such as a person flaunting themselves or openly looking down on others. This is fleshly arrogance. Once we accept Jesus Christ and learn the truth, we try to cast away the fleshly arrogance, and it is discarded quite easily.

However, spiritual arrogance is difficult to realize, and even more difficult to throw away. What is spiritual arrogance? As we lead our Christian lives we learn the word of God. We might even have high positions in the church. Then, we mistakenly think what we know is what we have cultivated. We might think we are discerning between right and wrong while we are actually pointing fingers at others and judging them.

Some are arrogant and ignore all the procedures and the order of things that they have to go through following their own benefit. And yet, they think it's OK considering their positions. All these things tell us what spiritual arrogance is. If they say they love God while they disregard God's law and order, we can't

say they love God. We can't say we have love while we pass judgment on others. Love always sees, hears, and speaks of good things.

James 4:11 says, "Do not speak against one another, brethren. He who speaks against a brother or judges his brother, speaks against the law and judges the law; but if you judge the law, you are not a doer of the law but a judge of it."

When we see the faults of others, we should check ourselves as to whether or not we pass judgment first or we try to cover them. Then we can realize the extent to which we have cultivated humility and love.

Anyone can become arrogant before they are completely sanctified. Therefore, it is imperative we completely remove the root of its sinful nature. Unless we pull it out fully through fervent prayers, arrogance can re-emerge at any time. It is like weeds that come up again unless we pull their root out.

Therefore, like children we should always humble ourselves before the Lord, consider others better than ourselves, and keep on striving to cultivate the highest level of love.

### 3. The Arrogant Believing in Themselves

Nebuchadnezzar opened the golden era of the Babylonian Empire. One of the wonders of the ancient times, the Hanging Gardens, was built by him. He boasted of his empire and all the great works he achieved. He made an image of himself and made the people worship it as if it was a god (Dan. 4:30).

God let this arrogant Nebuchadnezzar realize who the ruler of the world really is (Dan. 4:31-32). He was driven away from the palace. He ate grass like cattle in the field. Only after seven years did he come back to his senses. He finally realized his arrogance and acknowledged God (Dan. 4:37).

Some unbelievers believe in themselves. However, we know there are so many problems that can't be resolved by human power. Even with the cutting-edge technology and science, men are helpless in the face of such natural disasters as hurricanes or earthquakes.

There are also so many incurable diseases.

And yet, when they face such problems, they believe in themselves and rely on their own thoughts, experience, and knowledge rather than relying on God. If they can't solve the problem, they complain against God. They don't accept their weaknesses and they can't rely on God due to their arrogance. What is more regrettable is that even believers rely on themselves and the world more than they rely on God.

God is God of justice, and thus, He can't just intercede to help those who do not humble themselves. For those people, they can't be protected from the disturbing works of Satan, and they can't prosper. Prov. 18:12 says, "Before destruction the heart of man is haughty, But humility goes before honor."

Dear brothers and sisters,

All men are same and equal creatures before God the Creator. Even if they have many things to brag about, this world is only momentary, and we will soon face judgment. God will pay us back according to our deeds.

James 4:10 says, "Hear, my son, and accept my sayings and the years of your life will be many." I pray in the name of the Lord that you will humble yourself before God and obey Him so that you will be honored in the kingdom of heaven later.

My vision became bad from typhoid fever. However, through the GCNTV HINDI channel that I learned about a month ago, I heard that the Divine Healing Meeting would be held. As I prepared for the meeting, I had a time of repentance and grace a lot while listening to the words

of life that clearly explain things such as why Jesus Christ is our Savior, the cause of diseases and how to be healed, and what sin is.

When Mrs. Boknim Lee, the preacher of the Divine Healing Meeting prayed for the sick with the handkerchief of power (Acts 19:11-12), I asked God for forgiveness of my sins. After that, my vision improved to my surprise, and now I can see well.

**“I couldn’t walk well due to an ankle sprain but now walk well.”**

**Leticia Cachay (Age 21, Peru)**

I couldn’t walk well due to my right ankle sprain. When I received Mrs. Boknim Lee’s prayer, I felt heat. After the prayer, my ankle felt numb. But soon it was relieved and I could walk well.

**“A severe itching skin allergy was healed.”**

**Ayushi (Age 13, India)**

I began to have a skin allergy 3 or 4 weeks ago. I had unbearable itchiness. As I scratched badly, the wound spread. After I received Mrs. Lee’s prayer at the meeting, the symptom disappeared and I don’t feel itchiness any more.

## “My son who has a speech disorder doesn’t stammer.”

Dulce Nave (Age 28, Mexico)

My son Isai was born premature. He stammered and couldn’t speak correctly. His doctor suggested me to have him tested but I decided to solve all problems by faith and entrusted God with his healing.

Meanwhile I was told of the online healing meeting and prayed earnestly to be healed at the meeting.

I shed tears while I was hearing Mrs. Boknim Lee’s message and resolved to be sanctified. And I prayed to God for my son’s healing

with my all. When Mrs. Lee started praying, I tightly held my son and received her prayer.

I found him sleeping after meeting and I had no chance to check his condition. Next day, I saw him speaking a correct sentence.

## “I don’t need any medicines and inhalers any longer.”

Sita Masih (Age 33, India)

I had allergies in my lung for more than 2 years and it bothered me a lot. When I drank cold drinks or ate cold food, I coughed and felt suffocating. I suffered from difficulty with breathing 4 or 5 times a day and carried the medicine and inhaler.

A YouTube channel introduced me about

GCNTV Hindi and I heard the messages of Rev. Jaerock Lee, Senior Pastor of Manmin Central Church. As I received his prayer for the sick, the number of using the inhaler was reduced to twice or 3 times.

Days ago I heard there would be a healing meeting. And I was overwhelmed because I thought it would

be a chance for the answer. I attended the online meeting with anticipation.

When Mrs. Boknim Lee prayed for the sick with the handkerchief of power (Act 19:11-12) I repented in tears. Since then, I have had no problem with drinking cold water, and my breath settled. I don’t need the medicines and inhalers.

## “Tic disorders and uncontrollable movements of neck muscles were healed.”

Carlos Delgado (Age 29, Chile)

I had tic disorders in my neck for a long time. My neck muscles moved unwantedly. It was repetitive movement and bothered me a lot.

I prayed to get healed at the Divine Healing Meeting and prepared for the healing with all my heart. During the period,

it improved little by little. While Mrs. Boknim Lee was praying, she said, “Tick disorders, be healed!”. When I heard the word, I was confident that I had been healed. Since then, the disorders have disappeared. I am good and happy now.

## “The pain due to aftereffects of surgery disappeared and I walk well.”

Kamlesh Nadyu (Age 28, India)

I had 2 surgeries after I met an accident 8 months ago. After that, I felt pains in my leg and back when I walked. I surfed YouTube looking for the prayer for the sick and found GCNTV Hindi.

I called GCNTV HINDI’s office and heard about the Online Divine Healing Meeting on March 14th. And I attend it.

When Mrs. Lee prayed for the sick, I felt fire in my body and the pains in the leg and back disappeared. I came to walk properly.
