## The LORD who made the earth, the LORD who formed it to establish it!

Glory to God on the 39th church opening anniversary!

Our church, established in God's great providence to lead all peoples of the world to salvation, celebrated its 39th church opening anniversary on July 25th.

On July 25, 1982, our church offered the opening service with the message, "The Treasure of Treasures Is Faith" in a sanctuary of about 33 square meters with 13 members including 4 children. At that time, through the prayer of Pastor Jaerock Lee, countless works of wonders, signs, and works of the power happened, and the number of people being saved increased day by day just like the Early Churches. In December 1984, our church moved to a 66 square meter sanctuary, and in February 1991, the number of registered members exceeded 10,000.

In July 1991, after the denomination

of the United Holiness Church of Korea was formed in the providence of God, the Senior Pastor Dr. Jaerock Lee played a part in various religious events such as "Holy Spirit World Explosion Crusade" as the Joint Chairman in 1992, and "Peaceful Re-Unification Jubilee Crusade in 50th Anniversary of Independence of Korea" as the Administrative Chairman. In 1993, our church was selected as one of the world's top 50 churches by Christian World magazine of the United States, and has grown into a global church.

In August 1993, Pastor Jaerock Lee preached the gospel as the main preacher in the 'Washington D.C. Evangelism United Crusade' organized by 180 churches in the United States, and in September in

the 'LA Evangelism Crusade'. As well as North America, he gave glory to God by leading pastors' seminars in Argentina, South America in 1996 and 1997.

Our church, which had been striving for national evangelization and world missions, entered the era of the World Mission in earnest beginning with the 'Uganda United Crusade' in July 2000. In many countries such as Pakistan, Kenya, the Philippines, Honduras, India, Russia, Germany, Peru, the United States, and Estonia, our church held overseas crusades to proclaim God the Creator and Jesus Christ with the explosive power. As a result, countless souls were healed and saved, as well as Muslims, Hindus, and Catholics were converted.

In particular, through the Israeli

mission that started on the 25th church opening anniversary on July 2007, and through the 'Israel United Crusade' held in Jerusalem in September 2009, our church played a significant role in the revival of Christianity in Israel. It was fulfilled just as God had told us to accomplish the mission in Israel and in the world from the early days of our church founding.

Even now, through the handkerchief on which Dr. Jaerock Lee prayed (Acts 19:11-12), God shows the works of power transcending time and space

and guarantees His presence in our church.

In addition, our church is preaching with Dr. Jaerock Lee's sermons, which had been interpreted in the inspiration of the Holy Spirit through countless prayers and fasting, via GCN TV, books, and social media, thereby saving souls and leading spiritual change and growth of Christians around the world living in the last days.

In the early days of the church founding, God showed 17 members a vision of the Grand Sanctuary to

be built in the last days. By building the Grand Sanctuary at the most proper time, the providence in the end time will be accomplished so that all peoples of the world can come to salvation and receive the Lord who will come again.

We give all thanks and glory to God the Father, who will lead us in His good will, and will greatly accomplish the providence of the end time through the ministry of Manmin, confirming that the Bible is true through the works of the living God the Creator.

## Love Bears, Believes, Hopes, and Endures All Things (2)

“... [love] bears all things, believes all things, hopes all things, endures all things.”  
(1 Corinthians 13:7)

1 Corinthians 13:4-7 explains the concept of love and draws the conclusion by stating true love is to bear, believe, and hope all things.

We will continue to delve into love that bears all things and how we can cultivate love that bears, believes, and hopes all things.

### 1. Love Endures All Things

As we bear all things that are not in accordance with spiritual love, we are apt to face the aftereffects. Smaller waves follow a big wave. When we bear with all things, bearing is not the end but there could be additional tests or pain in heart that follow.

The aftereffect of bearing with all things might come from outside. When we bear all things in obedience to God's word, the situation might look like it is only getting worse. It's God's plan to allow us such trials. Through them God blesses us and makes us more complete.

As crops endure wind, rain and many other things until they bear the fruit, we will also become the wheat through endurance. God cultivates human beings so that they will become His true children through trials.

The devil always tries to stop God's children from walking in the Light. They accuse the believers whenever they have a chance.

Suppose you see an evil-doer. You bear with him on the outside, but in your heart you dislike him. The devil knows this and they accuse you, thereby bringing trials to you. Until you are acknowledged that your heart is free of evil, you will have trials.

Of course, trials might come even if you don't have

any evil. It is for your blessing. God is leading you to cultivate greater love and goodness that goes beyond the level of having no evil. The same goes for accomplishing the kingdom of God and not just personal blessing.

For us to bring down God's greater works, the measure of justice must be filled accordingly. We must prove that we are ready to receive the answer through acts of great faith and love so that the devil can't object to it.

For this reason, God sometimes lets us endure the storms of suffering. If we overcome with goodness and love, we will be able to glorify Him. In particular, if we overcome persecutions and hardships that we suffer for the name of the Lord, we will surely receive blessings (Matt. 5:11-12).

### 2. To Bear, Believe, and Hope All Things

If we bear, believe, and hope all things in the truth with our love for God, we can overcome any kind of hardship. What must we do to do so?

#### 1) We must trust the love of God even during the trials.

1 Pet. 1:7 says, "...so that the proof of your faith, being more precious than gold which is perishable, even though tested by fire, may be found to result in praise and glory and honor at the revelation of Jesus Christ;" Namely, God lets us go through trials so we can be qualified to receive praise and glory and honor at the end of this life.

We might suffer without reason even though we live by God's word and do not compromise with the world. However, if we believe that we are receiving special love of God, we can be thankful because the suffering is

allowed so we could go to heaven.

If the suffering is prolonged, we might wonder if God really loves you. However, we have to engrave God's love in our heart especially at those times. If we endure with our trust in His love, we will eventually become a more perfect individual (James 1:4).

### 2) We must believe trials are a shortcut to fulfilling hope.

Romans 5:3-4 says, "And not only this, but we also exult in our tribulations, knowing that tribulation brings about perseverance; and perseverance, proven character; and proven character, hope." Trials are a shortcut to fulfilling hope. We might doubt ourselves thinking we'll never change. However, if we keep on changing ourselves, we will eventually become the kind of children who resemble God completely.

Therefore, we must try to pass the trials with hope. If we try to avoid them, it will only delay our progress. Suppose your friend irritates you with persistent faultfinding. You don't outwardly express it but you are uncomfortable. In these moments, you shouldn't just avoid the situations but deal with it.

You should endure the hardships that are caused in dealing with the situation. You should understand and forgive them truthfully so that God will lead you to change yourself. Each of the trials will become the stepping stone for fulfilling your hope.

### 3) You should act in goodness.

If things don't get better even after bearing with all things, many people begin to complain toward God. In a physical sense, trials and tests seem to come from other people or situations, but in spiritual sense they are not. All trials of faith are brought on by the devil. The trials are a battle between good and evil.

To win the spiritual battle, we must fight according to the spiritual law. Romans 12:21 says, "Do not be overcome by evil, but overcome evil with good." If we do good, it looks like we are losing and suffering a loss. However, goodness always wins, because God of justice rules over every matter of human life.

Therefore, we have to act in goodness especially during trials and persecutions. Some believers are persecuted by their unbelieving family members. If you

think your family members are evil, the trials will only be extended.

The darkness will go away when you pray for them with love and become the light in the family through your service in the Lord. If you do not get weary while doing good, God will solve the problem at the best time. He will drive away the devil and move the hearts of people.

All problems are resolved when you act in goodness according to God's law. The greatest power in spiritual battle is not human power or wisdom but goodness of God.

Some people give hard time to everyone around them; some others complain and sulk all the time. Still others are so arrogant that others can't understand their actions. However, if we cultivate true love in our heart, we won't have anyone we won't be able to bear with. We will love others as ourselves, so we will understand and accept everyone (Matt. 22:39).

God also bears with and understands each of us with this true love. The pearl oyster makes the pearl by enduring the pain and covering the foreign object that pierces its flesh. In the same way we have to endure all the pains with faith and hope so that we can cultivate love.

In doing so, if we possess spiritual love, we will be qualified to enter the city of New Jerusalem passing through the 12 pearl gates.

Dear brothers and sisters in Christ,

Spiritual love is to bear, believe, and hope all things in the Lord. I pray in the name of the Lord that you will understand the providence of human cultivation, which is to lead us to New Jerusalem and quickly cultivate spiritual love.

## The Confession of Faith

1. Manmin Central Church believes that the Bible is God-breathed Word that is perfect and flawless.
2. Manmin Central Church believes in the unity and the work of God the Trinity: God the Holy Father, God the Holy Son, and God the Holy Spirit.
3. Manmin Central Church believes that we are forgiven of our sins only by the redeeming blood of Jesus Christ.
4. Manmin Central Church believes in the resurrection and ascension of Jesus Christ, His Second Advent, the Millennium, and the eternal heaven.
5. Members of Manmin Central Church confess their faith through "The Apostles' Creed" each time they come together and believe in its content verbatim.

"[God] Himself gives to all people life and breath and all things." (Acts 17:25)

"And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved." (Acts 4:12)

One day in 1998, my wife received 'Manmin News' placed on the plate with pancakes from some people. Even at that time, the members of the church made pancakes and delivered 'Manmin News' to preach.

After reading 'Manmin News', my wife believed 100% of God's word and many testimonies contained in it, and she wanted to visit Manmin Central Church with such words and works of God. So, I drove her to Manmin Church for the Friday All-night Service.

At that time, many members were diligently walking towards the church, and they seemed very happy. I felt that Manmin Church is a very gracious and Holy Spirit-filled church. On that that, my wife became the flock of Manmin, and two days later, I began to attend Manmin Church with her.

Afterwards, listening to sermon tapes of the Senior Pastor Dr. Jaerock Lee, such as "the Message of the Cross", I got to know God's will one by one, and it was interesting to live a Christian life. However, I wondered why the church members were following the Senior Pastor so much. I was wondering what kind of person Dr. Lee is. So, I diligently attended the meetings with him.

The members came to him with various problems and received his prayer. The Senior Pastor always preached God's love and His living works so that the members could receive answers from God, and he tried to plant faith to them by all means. Senior Pastor Dr. Lee's attitude towards the members was always the same from the beginning to the end. He was gentle, and he was like a caring and loving father.

After receiving prayers from Dr. Lee, the members who experienced answers and blessings glorified God with their testimonies. As these good works continued to take place, after I met him, I came to love the Father God and the Lord

## "My life is nothing without God's work"

all the more, and the hope of heaven has increased. So, it was natural for you to follow him.

Among them, what I still remember vividly is that an 8-month-old baby who had a face burn from boiling oil received prayers from Dr. Jaerock Lee, and scabs were formed on his face and head within 6 days, and he was healed without scars in about 3 weeks. As I saw this work of God firsthand, the fact that God is alive and works Himself was engraved in my heart.

Not only this, but also our family was blessed to experience the amazing power of God, such as being healed of diseases and being saved from accidents. My eldest daughter was in pain from excretion from both ears whenever she caught a cold. But she was completely healed after receiving Dr. Lee's prayer. My mother, who was suffering from pain in her legs, sprinkled Mu-an Sweet water (Ex. 15:25) and was healed. Through this, she came to attend church together with

my father.

Also, I have received the wonderful grace of being protected from a serious accident while working. It happened when I was making a concrete box during the underground driveway construction. I accidentally stepped on the wrong foot and fell from a height of 4.5 meters, momentarily fainting. When I woke up, I saw that my arms were clasped one by one on a beam that was shaped like an "L". It was so close.

If I had had just fallen to the concrete floor, some part of my body would have been broken or I would have died. It was amazing how my arms were open and I was able to hang on beam at that time. I can't explain it except that God protected me.

When my family first came to church, we lived in a semi-basement with a deposit of 15 million won. While living my Christian life, I had been faithful as a church leader, and I prayed to God the Father,

saying, "Please give me a place where 30 people can gather and pray."

However, in 2000, I could buy a house in Cheolsan-dong through an auction. In fact, it was really surprising that I bought this house with a small amount of money that my father had lent me. I placed my hand on the auction paper and received Dr. Jaerock Lee's recorded prayer for the sick, and I was able to get the house by winning the bid alone.

Moreover, the house was redeveloped and sold for about 30 times higher than the deposit in 2020, so, I was able to pay off all the debts I had. Also, I was able to successfully find a new house to move to, which was prepared by God the Father. Hallelujah!

Likewise, there is nothing in my life except for the work of God. I can feel God the Father is always leading my family. That is why I always say, "Father God, help me. Without Your help, there is nothing I can do." I give all thanks and glory to Father God, who is the master of my life.
