Until the providence of God for all peoples around the world is fulfilled

Glory to God on the 39th anniversary of the church

Manmin Central church, which has been established under the motto 'Arise, shine' on October 10, 1982, celebrated its 39th anniversary.

On July 25, 1982, the church was opened with 13 members including 4 children in the temple of less than 33 square meters and the establishment service was offered on October 10 of that year. Since then, it has been leading countless souls around the world to the arms of the Lord with the words of life and the explosive works of power manifested by the Senior Pastor Dr.

Jaerock Lee.

Countless works of wonders, signs, and powers have appeared since the opening days, and the church was revived as fast as the Early Churches, and in February 1991, the number of registered members exceeded 10,000. In July of that year, the General Assembly of the United Holiness Church of Korea was formed. Afterwards, the Senior Pastor Dr. Jaerock Lee took the lead in evangelizing the nation by playing a part in various Christian events such as the co-chair of the '1992 World Holification

Crusade' and the administrative president of the 'Peace Re-Unification Crusade for the 50th anniversary of Independence Day of Korea' in 1995.

In the 2000's, overseas missions began actively, and our church held overseas united crusades and preached God Creator and Jesus Christ with the explosive works of power in Uganda, Pakistan, Kenya, the Philippines, Honduras, India, Russia, Germany, Peru, Democratic Republic of Congo, the United States, Estonia, etc. As a result, Muslims, Hindus, and Catholics were

converted, and countless souls were healed and saved.

Even now, God is attesting that He is with this church by showing the works of power transcending space and time through the handkerchief on which Dr. Jaerock Lee had prayed (Acts 19:11-12).

In addition, by delivering Dr. Jaerock Lee's sermons, which he received in the inspiration of the Holy Spirit through countless prayers and fasting, via GCN TV, books, and YouTube, the church is leading the spiritual transformation and

growth of Christians around the world in the end time as well as saving souls.

In particular, the publication mission has been actively carried out. Dr. Jaerock Lee's representative sermon, 'The Message of the Cross' has been published in 61 languages, and currently, 112 Christian guidebooks and 654 translated books have been published, and Manmin News is being released. In addition, e-books have been published and are being sold steadily through Amazon Kindle, Apple iBooks, and

Google books.

In order to fulfill the providence for the end days to guide countless souls to the path of salvation through the construction of the Grand Sanctuary, the faithful God is leading Manmin to become spiritual warriors who have sincere heart and assurance of faith. We give all thanks and glory to God the Trinity, who will fully accomplish the providence of salvation for all peoples around the world through the power of re-creation and the holiness gospel.

“Chronic constipation and facial muscle spasm were cured. My family is now healthy.”

Deaconess Gyehwa Chang (Age 44, Chinese Parish)

I had chronic constipation as a result of taking various diet pills 20 years ago. I usually had a bowel movement every 4 or 5 days, so I always felt heavy in the stomach and it felt like full of gas. I felt lethargic. In the meantime, I heard the news about the online divine healing meeting, and I prepared to get healed with prayer.

On September 13, I attended the divine healing meeting through GCN, and God poured down grace on me. I was filled with the Holy Spirit and I thoroughly repented with tears.

When Dr. Soojin Lee prayed for the sick with the handkerchief

or power (Acts 19:11-12), I felt my lower abdomen warm. After that, chronic constipation was healed, and I have a bowel movement every day now. Not only that, but my left knee, which was unable to kneel due to pain, was also healed.

Last August, my father (Deacon Joongwon Jang) was healed of 15-year-old left facial muscle spasm. His left facial muscle spasmed every minute and he couldn't sleep well, and when the convulsions were severe, he had to hold his face with his hands. As a result, he could not fully open his left eye, his eyesight was poor, and he suffered from interpersonal

phobia and depression.

However, after attending the online prayer meeting led by Mrs. Boknim Lee, director of Manmin Prayer Center and receiving the handkerchief prayer of power, he slept peacefully. After that, the convulsions did not occur, so his left eye was fully opened and his face returned to normal. My mother (Deaconess Seongkeum Noh) was also healed of her stiff spine at this time, and the pain in her right arm was also healed at the divine healing meeting.

I give all thanks and glory to the Father God of love who gave health and happiness to my family.

Senior Pastor Rev. Jaerock Lee

Fruit of Joy

“But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law.” (Gal. 5:22-23)

When we believe in Jesus Christ and receive the gift of the Holy Spirit, we can bear the fruit of the Holy Spirit. However, not everyone who has received the Holy Spirit can bear the fruits of the Spirit. They can bear the fruit and change into the true children of God to the extent that they obey the guidance of the Spirit.

Those who bear the 9 fruits of the Holy Spirit completely will give out the aroma of Christ in all respects. They gain the image of God and the qualifications to enter the city of New Jerusalem where the throne of God is located. Let's now look into the fruit of joy among the fruits of the Spirit.

1. Fruit of Joy

Joy is exultant happiness. Spiritual joy is not simply being happy. Even the unbelievers become joyful when things are good. This is only momentary emotion. When there are difficult things in life, their joy disappears. However, with the joy as in the fruit of the Spirit, one can rejoice all the time and in any situation or circumstance.

Therefore, spiritual joy is to be joyful always and give thanks in all things (1 Thess. 5:16-18). God's children can rejoice always just with the grace of salvation. But they lose the joy of first love and do not feel the same about the grace of salvation. Why? It's because they have flesh in their heart.

Flesh is the attributes that cause a severing from God who is spirit. Flesh includes lawlessness, unrighteousness, untruth, and all sins. Those who have fleshly attributes might lose their joy at any moment. Because they have the nature of changing, the devil might give them a situation in which they will lose joy.

The apostle Paul did not lose his joy in any hardships. He was put in jail while spreading the gospel, but he advised the believers in Phil. 4:4 and 6, “Rejoice in the Lord always; again I will say, rejoice!” and “Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God.”

After he was anointed by Samuel, David had to run away from King Saul who was trying to kill him.

However, he rejoiced and professed his faith with his beautiful psalms (Psa. 23). He had absolutely unchanging love and trust in God, so no hard situation could stop the joy stemming from his heart. He had the fruit of joy.

2. To Bear the Fruit of Joy

1) Cast away flesh

If we do not have the attributes of jealousy we can rejoice when others are celebrated or commended. However, we will suffer by others' well-being to the extent that we have jealousy. We might harbor hard-feelings toward them, or we feel we are put down as much as they are lifted, so we get disheartened.

Also, those who don't have anger or resentment always have peace of mind even when they suffer rudeness or damage. We resent and get disappointed because we have fleshly attributes. To the extent that we have flesh in us we cannot have spiritual faith, so we can't rely on God completely thereby adding to our worries.

Those who have true faith can rejoice even if they don't have anything to eat right now. God promised us in Matt. 6:31-33 He will fill all our needs, so they commit everything to God even in difficult situations. They ask for God's kingdom and righteousness with a peaceful mind and then ask for what they need. To the extent that we cast away flesh from our heart, we will have spiritual joy and thanksgiving. This way, all things will go well with us.

2) Follow the desires of the Spirit always

We can be happy only when the Holy Spirit in us is happy. We have joy when we wholeheartedly worship God, sing praises, pray, and keep God's word. If we follow the desires of the Holy Spirit in our lives, the Holy Spirit rejoices and fills our heart with joy (3 John 1:4).

Suppose you choose to serve your own interests after your self-seeking mind and selflessness struggle against each other. You might feel good for the moment, but you'll soon have pangs of conscience. On the contrary, if you serve others' interests, it may look like you suffer a

loss, but you have joy because the Spirit rejoices in you.

Suppose you judged others with your own standards. But if you change your mind and understand them in goodness, you will have peace. If you smile to people who have different personalities or opinions and let yourself die (1 Cor. 15:31) to give them peace, you will have joy.

If you feel you are not in discord with anyone to begin with, then you can enjoy peace and joy all the time. If you follow the desire of the Holy Spirit always, you will not only have spiritual joy but you will also bear the fruit of joy.

3) Sow the seeds of joy and thanksgiving before God

For farmers to reap the fruit, they need to sow the seeds and care for them. In the same way, to bear the fruit of joy, you have to offer a sacrifice of thanksgiving to God.

God's children have the joy of salvation that couldn't be exchanged for anything. God is their Father and He protects them and supplies them with anything they need when they walk in the truth. Just by keeping the Lord's Day holy and tithing they won't face disasters or accidents. If they keep the commandments and work for God's kingdom, they will be blessed.

Even if we're in hardship, the solutions and resolutions are in the Bible. If you caused trials to come upon yourself by your fault, you can just repent and turn away. God can then give you the answer. If you have nothing to bring accusation upon you, you can just rejoice more. Then, God will cause all things to work for good and give you greater blessing.

When we rejoice all the time, God will give us more

things to give thanks for. Then, we will have more joy and thanksgiving. Eventually, we'll bear the fruit of joy completely. However, we sometimes have sorrow although we have fruit of joy. It is the spiritual mourning in the truth. We should rejoice always and at the same time be able to mourn for God's kingdom and the souls.

Dear brothers and sisters, God made Adam as a living spirit and planted joy in his heart. However, because Adam had never experienced any pain, he didn't realize how happy the life was that he was leading. After he committed sin by eating the forbidden fruit, flesh came into his heart, and he lost the joy given by God.

In order to recover the joy that Adam lost, we need to accept Jesus Christ, receive the gift of the Holy Spirit and follow His desires, and sow the seeds of joy with a joyful and thankful heart.

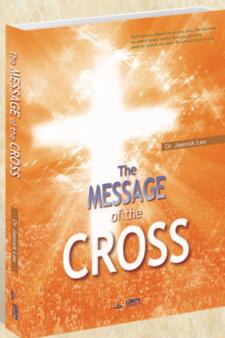

If you add to the positive of the mind and pursue goodness all the time, you will bear the fruit of joy completely. May you quickly bear the fruit of joy to taste heaven on this earth and lead a life full of happiness, I pray this in the name of the Lord!

“[God] Himself gives to all people life and breath and all things.” (Acts 17:25)
 “And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved.” (Acts 4:12)

Sukhdev (Age 48, Gorakhpur Manmin Church, India)

“I was freed from the forces of darkness which I was possessed by for 35 years.”

When I was 13, I was possessed by the power of darkness and had seizures two or three times a week, and then I became a completely different person. This made me feel heavy and tired all the time, and suffered from headaches and burning eye pains.

I was always afraid of seizures, so I couldn't go out comfortably. Because of my high blood pressure, I often quarreled with others, and I had frequent fights with my family. I couldn't study or lead a normal life.

I've been to the shaman about a dozen times and visited all the

temples around the house, but it didn't help at all. As I was going through these painful days, the Lord reached out His hands to me first.

Through the evangelism of a sister of Gorakhpur Manmin church, I became the flock of Manmin in August, 2021. I kept the Lord's Day according to God's word and came to know the love of the Lord on the cross. I repented of my past and prepared for the diving healing meeting.

On September 13, I attended the divine healing meeting through

GCN TV Hindi, and I felt heat on my body when Dr. Soojin Lee prayed with the handkerchief of power (Acts 19:11-12). After that, my anxiety disappeared and I felt at peace, and the headache and burning eye pain were completely gone, and my whole body felt light. Hallelujah!

Now, I have recovered and I'm working in a factory in Kanpur, India. After 35 years of suffering from the power of darkness, I was reborn in an instant by the grace of the Lord, and I am living a new life. All thanks and glory be to the living God who gave me a new life.

“My legs felt like on fire and the excruciating pain was gone!”

Sakina Anastasia Cobely (Age 72, Kinshasa Manmin Church, D.R. Congo)

Earlier this year, I suffered from a paralysis in my legs, and when it was cold, my bones ached and I felt cold, and in severe cases, I collapsed. I couldn't do anything on my own without the help of my children.

Then one day, as I was passing by, I saw a crowd of people, and a person in front of me told me that I would be worshipping there. As soon as I heard it, I felt the desire to worship there.

Amazingly, I felt like the

pain in my body would end if I attended this church. It was Kinshasa Manmin Church, and when I entered the sanctuary, Pastor Samuel Han was preaching.

I started listening to his sermon, thinking, 'What kind of church is this?' But something amazing happened.

Suddenly, my legs felt like on fire and the excruciating pain was gone. Even during the sermon, I was so happy that I stood up and worshipped. By the time the sermon was over,

my legs were completely healed. Hallelujah!

Pastor Samuel Han's sermon convinced me that it is a true church, and these precious words were testified by Dr. Jaerock Lee, Senior Pastor of Manmin Central Church. The Lord led me to this place where the works of the Holy Spirit are powerfully displayed. I was dying of pain, but now I'm happy. I give all thanks and glory to the Father God, who is with Manmin through the holiness gospel and the works of power.

**“I’m filled with
change and hope
as I understand
the will of God
correctly.**

Deacon Hyunhee Nam
(Age 62, the 13th Parish)

After earning a Ph.D. in French Literature from University of Nancy, France, I taught French literature at a university in Seoul for about 25 years. After I stopped teaching at school, I published my writings and worked as a writer.

At that time, I was attending a Catholic church diligently, and to know about the words of the Bible, I listened to the sermons of various pastors on YouTube. In the meantime, I listened to Dr. Jaerock Lee’s sermon, and every word touched me deeply. It was very interesting to hear a variety of in-depth contents that I did not know. It was good to feel the sincerity of Dr. Jaerock Lee as well.

However, while listening to Dr. Lee’s sermons, there was a message that gave me a spiritual shock. It is that the children of God today should know how unworthy of the truth it is to express the Virgin Mary as the Holy Mother of the Lord, or to make and worship before her image(Exodus 20:4).

God exists from eternity to eternity, and Jesus is one with God and is one of the Triune God, so we cannot call Mary, a creature as ‘mother’.

Jesus was conceived by the power of the Holy Spirit only by borrowing the body of Mary, and the fact is that there is no record in the Bible that Jesus called her ‘mother’. Jesus called her ‘woman’, and the expression ‘mother’ was written from the position of John His disciple who wrote the Gospel of John.

After attending a Catholic church diligently for 20 years, I was troubled by these words. But I thought that it would be an obstacle to my salvation. One day, while praying to lead me

to a proper church, I found the phone number of Manmin Central Church on the Internet.

On April 30, 2017, I took my first step at Manmin Central Church, and on May 7, the next week, I registered and became the flock of Manmin.

Afterwards, Dr. Jaerock Lee’s sermons, “The Message of the Cross”, “Heaven”, “Hell”, “Lectures on Genesis”, “Lectures of the book of Job”, “Lectures on Revelation”, “Goodness”, “Beatitudes”, “The Guidance of the Holy Spirit”, “The Nine Fruits of the Holy Spirit”, “The Measures of Faith”, and so on, and prayed at the Daniel Prayer Meetings every day. I was blessed with good health both in spirit and body.

As I properly understood the will of God contained in the Bible through the sermons, I looked back on myself and repented a lot, tried to live according to God’s Word to fulfill the sanctification of heart, and I was happy because I was filled with the hope for New Jerusalem.

In addition to this, before coming to our church, blood circulation was not good, so my left leg was very numb, so it was difficult to fall asleep. But it was healed at some point, and severe facial blushing was also healed. I had gastric disorder and swelling of face but it has improved. Also, after receiving the Senior Pastor’s prayer, I was blessed to buy a house not far from the church.

I am deeply grateful to the Father God for inviting me to the gracious church in the end time along with many blessings both in spirit and body. I also thank my loving Senior Pastor for leading us to New Jerusalem with the precious holiness gospel.
