People Who Met God

Campfire worship praise at Manmin Summer Retreat 2024

My 10-year insomnia was instantly gone!

Deaconess Kye-hwa Shin | Aged 57, Chinese Parish 2 in Manmin Central Church

On April 27, 2024, I paid a visit to Muan Manmin Church along with my parish fellows. We celebrated a maundy service there and when I dipped my feet into the Muan sweet water, I felt like a fragrance of mint was flashing through from the tiptoes to the top of the head.

Then, something amazing and wondrous happened to me. I returned home at 11 PM and went to sleep a little while later. Next morning, I woke up to find myself having slept well without sleeping pills.

It was a wonder to me because I had not been able to sleep without a sleeping pill for the last 10 years. Next day I could sleep deeply without a pill and currently it has been the same every night.

One day of March I developed a 3-centimeter lump in the thigh and since then I had a difficulty walking.

But the lump was completely gone after coming back from Muan

Manmin Church. Hallelujah!

A great difficulty swept my family 10 years ago, and I have suffered from social phobia and couldn't sleep without sleeping pills. As misfortunes never come single, my suffering increased due to depression.

Since I joined in Manmin Central Church in 2018, my life totally changed. The messages gave me God's warmth and I felt His love through my parish members. And the joy of salvation and hope for heaven increased by attending the services. Whenever I prayed in a Daniel Prayer Meeting, I became filled with the Spirit and gained strength. Meanwhile depression and social phobia departed from me and this time I was healed of insomnia too.

I give all thanks and glory to our loving God who brought true joy and peace into my unhappy family.

My 10-year stomachache was completely healed by just one prayer!

Dr. Manuel Tijerino,
President of Latin University of Theology

Since 2004, I have suffered severe stomachache due to chronic acid reflux for 10 years, and I had many difficulties in my daily life.

My doctor prescribed

medicines to relieve me of acid reflux, but I chose natural treatments. I began living on various kinds of fiber foods

including vegetables and fruits to alleviate acid reflux. It was of just a little use, but I didn't recover.

On May 30, I attended a pastors' fellowship which invited an Israeli consul

and many pastors from LA. I was scheduled to pray for the audience, but in the middle of the event, I was faced with severe pain due to acid reflux. I asked an Argentine pastor Reverend Martín Álvarez to pray for me.

After praying for me, he told me he had been healed of heart disease by the prayer from Manmin Central Church's Senior Pastor Soojin Lee and recommended I send a prayer request to her. I asked him to send my prayer request to her on

my behalf. He did it and on June 2, she interceded for me in the prayer for the sick during Sunday morning service.

While she was praying for me, I felt a burning sensation on my stomach and then I was assured my 10-year stomachache was completely healed. Now I have a comfortable stomach and eat any kind of food without discomfort. Hallelujah!

I give thanks and glory to God who healed me through Pastor Soojin Lee's powerful healing prayer.

My itchy and soring face was healed and all pain was gone! Now I have a nice complexion.

Sister Ye-eun Lee | Aged 18, Parish 10 in Manmin Central Church

In the mid May of 2024, I applied a cream for pimples on the face before I went to sleep. Next morning, I woke up to have burning flashes on both the cheeks. I went to a skin clinic to see a dermatologist. She said the cream was too strong and prescribed an ointment.

At first it seemed to go better, but a few days later I had sores on the face. On May 25, something white like dead skin cells covered the face except the forehead. I tried to slough off with scrub, but it went worse. The eyes and the cheeks were so much swollen that I couldn't go out. I relied on all

the means possible including various creams and ointments, but soring pain and itchiness worsened. It looked like a severe burn.

On June 1, while praying in a Daniel Prayer Meeting, I was reminded I had not worshipped God in spirit and truth during the services sharing text messages through the smartphone and cast away lingering attachments to the world watching secular contents on YouTube. The Scripture says if I love the world, the love of Father God is not in me. I tearfully repented that I had filled my heart with those things

that are of the world but not of the Lord.

On June 2, the following day, when Senior Pastor Soojin Lee prayed for the sick during Sunday morning service, I felt the burning sensation and soring pain immediately gone. I looked in the mirror coming back home, and there were few flashes on the face. It got even better next day.

Thankfully, with a nice complexion, I had my graduation picture taken on June 4. I give thanks and glory to our good God who filled my heart with the Lord's tender and delicate love.

I was healed of a herniated lumbar disc, and now I can exercise with a 100-kg barbell easily.

Deacon Young-an Kim | Aged 67, Parish 13 in Manmin Central Church

One day in October of 2023, I was carrying a 40-kg paint pot during my paintwork. When I put it down and straightened my waist, I felt a tingling sensation on the lower back and couldn't move my body. I went to a spine hospital and the MIR scan showed the intervertebral disc between the fourth and fifth lumbar vertebrae, and I received a balloon dilatation. After that it appeared to get a little better, but with the passing of time the pain increased.

I had difficulties putting on garments and had to walk in a crooked posture. I was afraid of going to office. I received physical therapies and injections, but it didn't work at all. I was finally urged to rely on God in prayer and by faith.

On March 29, I attended a Divine Healing Meeting with a longing heart. I suffered a severe pain due to a herniated lumbar disc, but I managed to go to a sanctuary because

I harbored a desperate and earnest desire for healing. While I was singing preliminary songs, God's grace flooded into my heart and I prayed for healing with tears and runny nose. Through a message delivered by Speaker Pastor Soojin Lee, I realized my wrongdoings and repented of them.

When she prayed for the sick during the Divine Healing Meeting, I felt comfortable in the lower back and my whole body became hot with the Spirit's fire. Afterwards the pain gradually eased and I was assured of healing. I returned home happy and tried to move the waist and legs. All the pains were completely gone. I had suffered so much severe pain for months, and couldn't either lie down or sit down properly. I was also scared of putting on a pair of trousers. I knelt down and tearfully appreciated God in all those memories.

Now I have no difficulty using various tools in my paintwork. And I can exercise with a 100-kg barbell easily at a fitness center. I give all my thanks and glory to God who delivered me from severe pain.

Many were healed by the Speaker's prayer for the sick and came up to the stage to testify of their healing.

A mysterious plan God predestined for the salvation of mankind

Before the ages God planned the cultivation of mankind and predestined the way of salvation for them. He kept His mysterious plan for the salvation of mankind in secret until His predestined time came. What is the mysterious plan for human salvation He predestined before the ages?

The first man Adam and his wife were tempted by the serpent and ate from the tree of the knowledge of good and evil, and then accursed of God. But God said to the serpent symbolizing Satan in Genesis 3:15, "And I will put enmity between you and the woman, and between your seed and her seed; He shall bruise you on the head, and you shall bruise him on the heel." God gave this prophetic message on human salvation.

Here 'the woman' spiritually symbolizes Israel, and 'her seed' refers to Jesus Christ who was born among the people of Israel as written in Revelation 12:5. The phrase 'you shall bruise him on the heel' means Jesus would be crucified to death by wicked people under control of Satan, and the phrase 'He shall bruise you on the head' means Jesus Christ would defeat the devil and Satan by His crucifixion and resurrection.

God prophesied the Savior for mankind would be born of Israel, crucified to death by Satan's evil scheme, and destroy the power of the devil and Satan by His resurrection.

By the way, this plan for human salvation was hidden in a mysterious wisdom of God lest the devil notice

"...but we speak God's wisdom in a mystery, the hidden wisdom, which God predestined before the ages to our glory; the wisdom which none of the rulers of this age has understood; for if they had understood it, they would not have crucified the Lord of glory."
(1 Corinthians 2:7-8)

and understand. The devil simply knew the seed of the woman would come and smash him on the head, so he always desired to kill her seed. He expected he would eternally rule over the world with the authority handed over from Adam if he were able to kill the Messiah.

The devil didn't know who the seed of the woman is, so he continually attempted to kill the prophets who gained a great favor from God in Old Testament times. When Moses was born, the devil let the Pharaoh slaughter all newborn boys of Hebrew women (Exodus 11:5-22).

When the Word became flesh and Jesus was born in a human form, the devil let King Herod kill all the male children who were in Bethlehem and all its vicinity, from two years old and under. It was because King Herod was afraid that he would be dethroned if the one who was born as the king of the Jews would survive.

As God knew it in advance, He let the angel of the Lord appear in Joseph's dream and tell him to take the Child and Mary and flee to Egypt, and then remain there until King Herod died (Matthew 2:1-18). Jesus grew in favor with God and men and when He turned 30, He began His public ministry.

Jesus went throughout all Galilee, taught in the synagogues and proclaimed the gospel of the kingdom, and healed every kind of disease and every kind of sickness among the people (Matthew 4:23). The devil caused the high priests, scribes, and the Pharisees to plot all kinds of evil schemes to kill Jesus.

No evil one could touch Jesus until the time of God came because Jesus was always in the shadow of God's wings. The wicked people's plot to crucify and put Him to death could not be fulfilled until He finished His public ministry. When the time came, Jesus was arrested, judged, and crowned with thorns, scourged, nailed through on His hands and feet, and crucified to death in an excruciating pain.

When Jesus died on the cross, the devil expected he would rule over the world forever because he killed the seed of the woman who had been prophesied to bruise him on the head. But God's mysterious wisdom is embedded here. When he killed the blameless Jesus, he violated the law of the spiritual world and became a tool in the fulfillment of God's mysterious plan for salvation.
