People Who Met God

*“I press on toward the goal for the prize of the upward call of God in Christ Jesus.”
(Philippians 3:14)*

“What happened? You’re walking well. You must have bene healed!”

Senior Deaconess Inok Lee | 78, Garibong-dong, Guro-gu, Seoul, Korea

One day in March 2024, I suddenly hurt my lower back on both sides, and since then I had not been able to walk properly. I went to an orthopedic clinic and was diagnosed with a herniated disc. I received physical therapy and extracorporeal shock wave therapy. However, the pain got worse and it developed to my legs. I begged the doctor to stop the pain, but he told me to receive more extracorporeal shock wave therapy. He added that there was no other alternative. I decided to receive healing from God and stopped receiving medical treatment.

I registered at Manmin Central Church in 2004, and was healed of herniated disc by a prayer from Dr. Jaerock Lee Pastor Emeritus. Since then I’ve been in good health but this time I relied on the worldly methods. I repented of it.

In May and July of 2024, I attended

a 21-day Vowed Daniel Prayer Meeting and earnestly prayed for my healing, giving thanks offering to God every day. And on July 29, I joined at a divine healing meeting of Manmin Summer Retreat 2024 and received Speaker Pastor Soojin Lee’s prayer for the sick with faith.

One night in September, a month later, I was walking toward the church with my cell leader to attend a Daniel Prayer Meeting. Suddenly she said to me, “What happened? Senior Deaconess Lee, you are walking so well. You must have been healed.” Her words awakened me and I found myself walking well and said, “Oh! Yes, I was healed!”

I must have been walking well for the past a few days, but now I came to a realization at her words. I was so happy dancing with her. Hallelujah! All thanks and glory be to God!

“I had difficulty walking due to spinal stenosis but now I was healed!”

Senior Deaconess Soongeum Lee | 71, Daebang-dong, Dongjak-gu, Seoul, Korea

Since 2014, I have suffered pain in my lower back and as time passed, the pain developed to my right hip and leg. At last I could not walk properly.

In early 2018, I went to the hospital and the doctor told me that my herniated disc had gotten worse to spinal stenosis and that I would need major surgery. I had curved back and slumped posture so that my shoulders were up and my left hip was protruding. This made me have an S-shaped body.

One day in 2022, 4 years later, I went to another hospital and the doctor said to me, “The nerves in your right leg are dead, so you will be in a bigger trouble soon.” She advised me to go to a larger hospital and get surgery. But I chose to endure without surgery. I lost strength in both legs and often fell down, so I had many wounds on both knees.

In July of 2024, I desired to receive healing at the upcoming Manmin Summer Retreat 2024. I attended a 21-day Vowed Daniel Prayer Meeting and earnestly prayed for my healing, giving offerings daily. I should have come back home before the end of Daniel Prayer Meeting because I had to go to work early in the morning, but I stayed at the prayer meeting until its closing time.

On July 29, I attended the Divine Healing Meeting of the summer retreat with a longing and received Speaker Pastor Soojin Lee’s prayer for the sick with faith. I felt my pain relieved a little but was disappointed because I was not healed completely at the retreat. Then, my husband, Elder Byeonghwa Cho, encouraged me, saying, “Let’s look for the answer in the Scripture.”

Next month the church held the ‘Four-month Bible Reading Campaign’ and reading the Scriptures, I discovered

untruths including an attribute of discouragement within me. I prayed fervently to get rid of them and received Senior Pastor Soojin Lee’s prayer for the sick at every Sunday Morning Service.

On September 27, I attended a bi-monthly Divine Healing Meeting and listening to the speaker’s sermon, I repented that I had not cultivated a higher level of goodness and faith. When Speaker Pastor Soojin Lee prayed for the sick, my pain was relieved so much, and I could walk even more comfortably. Then, I became assured that God would heal me as completely as I cultivated goodness in my heart. I tried my best to throw away evils and enjoyed doing good deeds.

On October 6, the church’s 42nd anniversary event was held and I was so much moved at Senior Pastor’s message and its celebration performance that I was happy like flying in the air.

Afterwards, on October 9, I went to Gangwon Province to see the flowers in autumn along with my friends. A so-called ‘tin train’ was wheeling back and forth in the vast flower festival site. I didn’t ride in it but walked around there with my friends. Meanwhile the pain in my back and legs disappeared and my back was straightened. I could walk freely and enjoyed many beautiful flowers happily.

Ten days later, on October 19, I joined in a gathering of my senior deaconess association’s group. After having lunch, we walked outside and one of them said to me in surprise, “Oh! What a surprise! You are walking well. Your back is straight!” I was so happy and glorified God.

I had great difficulty walking for 5 minutes due to my herniated disc and spinal stenosis before, but now all the pain was completely gone and my back was straightened and my legs recovered strength. So, I can walk to work and manage my work well. These days I’ve been so happy daily.

I give thanks and glory to God who healed me.

“You had a crack in the spine, but now it is not seen!”

Deaconess Ilsoon Moon | 72, Shinjeong-dong, Yangcheon-gu, Seoul, Korea

On December 23 of 2023, I was riding in a bus and the bus stopped suddenly. I fell down to the floor from my seat with a thud. Since I had suffered spinal stenosis, I severely broke my spine in the fall and felt a sharp pain like cutting the area with a knife. I was sent to the hospital by ambulance, and the examination showed that my first vertebra was fractured and there was a crack around it.

I visited a few hospitals for a better treatment, but there was no improvement. Three months later I had surgery for spinal fracture. I asked the doctor what to do about the cracked part and the doctor said, “You got surgery already and there is no other way. You need to wait for more some.”

I wanted to attend Manmin Summer Retreat 2024 and receive healing there. But I couldn't go to the venue on July 29 but instead watched the event on GCN TV. When Speaker Pastor Soojin Lee delivered a message, the grace of God poured down upon me like a waterfall.

Her message reminded me that I had frustrations against others due to my inferiority complex and self-accusation, broke peace by my self-righteousness and

stubbornness, and harbored greed as a part-time worker at a restaurant, and I tearfully repented of them. And I received the speaker's prayer for the sick with faith.

Shortly after the event I realized the pain had been already gone and could sleep soundly for a long time. In a dream someone touched the cracked part of my bone with his hand and said to me, “It's healed.”

When I woke up, I became assured of my healing and repeatedly said to God, “Father God, I appreciate You.” I stood up and moved my waist, and there was no pain at all. I had no problem with the areas of spinal surgery and the crack.

On October 6, I was able to attend the church anniversary and walk around the celebration venue freely without crutches.

On October 18, I went to the hospital for an MRI and got some amazing news. The doctor said, “There was definitely a crack, but it's not visible.” He said it was a miracle. Hallelujah~!

Now, I can go to the park for exercise, clean the house, and even cook and wash the dishes freely. All thanks and glory be to God!

Do you know exactly what Christmas means?

What kind of gift have you prepared for Jesus in celebration of Christmas, who left all the glory of heaven and came to this earth? You should give Him a pure and beautiful fragrance with all your heart, mind, and sincerity.

Many people think of Christmas as 'a holiday', 'a festival', 'a gift-exchanging day', or 'Santa Claus day'. Celebrating the birth of Jesus is replaced by worldly entertainment and carnal pleasures. Even those who attend church have no idea of the meaning of Christmas and recklessly follow the trend of the world. What then is the true meaning of Christmas?

Above all, Jesus came to earth to give salvation to mankind.

Through the birth of Jesus, mankind can be freed from sin and saved. When Jesus came to this earth in the flesh, it was the beginning of the ministry of human salvation. In other words, Christmas is the day Jesus was born on earth to save mankind, and it is the happiest day to mankind.

What would have happened if Jesus had not opened the way for human salvation? All were sinners because of the sin of the first man Adam and destined to everlasting punishment in hell. By Jesus' love of crucifixion and resurrection, however, we are forgiven and obtain the beautiful heaven. We should engrave this grace of salvation into our heart and give thanks to Him every hour and every day until He returns.

*"Glory to God in the highest,
and on earth peace among men
with whom He is pleased."*

(Luke 2:14)

Next, God demonstrated the greatest love through Jesus.

God sent His only begotten Son Jesus to this world to save sinners. Jesus, without sin nor blemish, was crucified on a wooden cross on the behalf of sinners and shed His blameless blood. The wages of sin is death and the forgiveness of sin requires the shedding of blood which is identical to life as written in Leviticus 17:11, through which we can escape from death and gain life. Only Jesus' blameless blood can cleanse us from all sin.

Also, Jesus had to be hung on a tree and become a curse on our behalf to redeem us from the curse of the law, which dictates that the result of sin is death (Galatians 3:13).

Jesus had to receive all kinds of sufferings and sacrifice His own life to save sinners as a Savior. God gave His only begotten Son Jesus as atoning sacrifice for us, and Jesus made a great sacrifice to pay for the price of our sins.

God could not endure when people live in sin and fall into hell, so He gave His only begotten Son as a propitiation for our sins and it is the demonstration of His love (Romans 5:8). Jesus was born on earth by God's great love and on Christmas we celebrate it.

Lastly, God wants to bring His true children into heaven and to share love and joy with them forever.

He created mankind and has been cultivating them. He also prepares a beautiful heaven for them and desires everyone to be saved and enter heaven.

In fact, God is not simply satisfied when we are saved and enter heaven, but wants to gain those children who have thrown away sins and evils, accomplished sanctification, and borne the fruits of spiritual love, of the Spirit, and of Beatitudes and moreover resemble the Lord. With Him, a day is as a thousand years and a thousand years as a day, and He wants to obtain His true children who accomplish the heart of the Lord and bear the beautiful and good fruits through human cultivation.

When such people stand before Him, God is comforted and well-pleased, saying, "My beloved son! My beloved daughter!"

I wish for you to give your heartfelt gratitude to God who sent His only begotten Son Jesus and to Lord Jesus who came down to this earth in the flesh to bring the joy of salvation and prepare the beautiful heaven, and to celebrate Christmas to the fullest.
